O R D E R

Mr. Justice P.K. Shyamsundar, Vice-Chairman:-

We do not think there is any contempt involved apropos the alleged failure to comply with the directions of the Tribunal in the matter of disposing of certain representations stated to have been made by the applicant in connection with his transfer from Bangalore to an out station. We are told by the learned Standing Counsel that both the representations are disposed of well within time, copies thereof were sent to the Head of the Department for onward transmission to the applicant. Sri

N.G.Phadke, learned counsel for the petitioner tells us that none of the orders passed by the authorities allegedly disposing of the representations of the petitioner have reached his client till to-day. In view of the same, the learned Standing Counsel furnished copies of the orders made on the representations to the learned counsel for the petitioner who received the same in the Court in our presence. In the circumstances, we think there is sufficient compliance with the direction of the Tribunal and there is no question of contempt involved herein. This contempt petition stands disposed off accordingly.
