O R D E R

Shri Justice P.K. Shyamsundar, Vice Chairman:

The matter was heard for some time. There is some controversy about applicant having tendered his resignation on medical grounds. But, even so, the applicant says that his application for voluntary retirement having been accepted, he is entitled to all pensionary benefits, but, the department contends that admittedly he did not have the qualifying service for claiming voluntary retirement and hence cannot be paid any pensionary benefits.

We are now told by Shri Achar for the applicant that he will advise his client to make an application to the Govt. of India to relax the requirements of the rule providing for minimum qualifying service so that he may get the benefit of pension. If the

applicant is so advised, and is willing to make such an application, we refrain from making any order on the merits of this application and dispose it of on the ground that the applicant would be at liberty to make a representation seeking relaxation of the relevant rules regarding grant of pension on the grounds of voluntary retirement. No costs. The original records have been returned to the Govt. advocate.
