(Mr. Justice P.K. Shyamsunder, Vice Chairman)

These are two interconnected matters which  
we propose to dispose of <sup>she</sup> by one order after considering  
the arguments of both sides. The applicant being common  
in both these applications, in one she has asked for  
stay of an order evicting her from the official quarters  
and in the other she has asked us to issue a direction to  
the department to appoint her on compassionate grounds.

Dr. M.S. Nagaraja, learned counsel appearing for the applicant in both these cases tells us that the department itself has now activated the case of the applicant for compassionate appointment in a manner favourable to her and that orders are likely to be issued in a fortnight's time. In the circumstances we think there is no need to press both these cases for a final decision on the issues raised therein. Acceding to his submission, we make an order directing the department to take a decision on the applicant's representation for compassionate appointment as expeditiously as possible and in the meanwhile not to press for her eviction from the official quarters at least for 3 months from today. She will of course have to pay the prescribed licence fee.

2. With these observations, these applications stand disposed of.

3. We expect the authorities to dispose of the applicant's representation for compassionate appointment within 2 months from the date of receipt of a copy of this order.
