Shri Justice P.K. Shyamsundar, Vice-Chairman:

1. Having heard this application through and through
we find that we cannot may be do anything more than
modifying the operative portion of our order made

while disposing of O.A. No.317/94 decided on 15.9.1994. As a matter of fact this application is filed seeking a review of that order but we may straight away say that we do not propose to review that order but instead acceding to the submission made on behalf of the applicant that he finds it difficult to comply with the directions issued earlier asking him to furnish a bank guarantee to the satisfaction of the authorities, so that all the moneys due to him and outstanding can be paid to him. We only modify the said direction as a matter of fact was made pursuant to the consent given by the applicant himself but now we are told that he is not in a position to furnish the bank guarantee and that instead he would furnish some immovable property security along with an indemnity bond supported by a surety. In the circumstance we deem it proper to direct the applicant to furnish, instead of the bank guarantee as ordered earlier, security of immovable property by deposit of title deeds supported by a personal bond undertaking to indemnify the department and a surety in a like sum. With these directions made anew, we dismiss this Review Application.

2. Shri Ananda Ramu for the applicant is somewhat apprehensive about the time the department may take to make payment of money dues to his client even after the applicant complying with such directions. Shri A.N. Venugopal for the Railways seeks to allay his fears and says that the moment the applicant complies

with the directions now made, the Railway Administration will make the necessary payments.
