ORDER

Shri Justice P.K. Shyamsundar, Vice Chairman:

We have heard both sides. The question for consideration  
herein is whether all these applicants herein 87 in numbers are  
entitled to same benefits as was granted by this Tribunal in O.A.  
No.156/1992, disposed of on 6.3.1993.

2. It is urged by both sides that the position is similar to what was dealt with in the aforesaid O.A. and therefore it becomes apparent that we have to simply act in terms of what was done in the aforesaid O.A. Following the said O.A., we quash Annexure-A5 and pass the following order.

3. Respondents are directed to count the period of training undergone by the applicants as duty for the purpose of granting increments notionally and to extend the actual benefit of increment from 1.10.1990 onwards. The financial benefits flowing therefrom shall be extended and be made available to the applicants within three months from the date of receipt of a copy of this order.

4. We take this opportunity of directing the department to make similar orders in all such cases which are to be regulated in terms of this order. It is unnecessary for everybody to come to the Court for relief. In fact, it is observed by the Supreme Court in the case of Inder Pal Yadav Vs. Union of India reported in 1985 SCC (L&S) 526, that the rights of the parties are to be regulated in accordance with the rights so settled. We do hope, this will be the last set of litigation in which we are asked to adjudicate.

Heard the learned counsel for the applicants. Respondents have filed counter stating that the benefit envisaged by this Tribunal has been given to some of the applicants but some do not get the same according to the calculations made by the respondents. Applicants' counsel states that the left out applicants are also allowed to get the benefit keeping in view the date 1.1.86 on which date the Fourth Pay Commission's report came ~~to be~~ in operation. It is note worthy here that while disposing of OA 1162 of 1994 and other connected matters, we did not make a specific direction as to what should be the guidelines in the matter of calculations of the benefit. We only stated that having given notional increment for a certain period, the calculations of the benefit shall be made. If the respondents committed a mistake according to the applicants in respect of some of the applicants, there is a fresh cause of

action which ~~could~~<sup>could</sup> be agitated by the applicants  
independent application. We find no ~~reasons~~<sup>grounds</sup>  
to proceed against the respondents in this Contempt  
petition. Accordingly proceedings are dropped.

ORDER SHEET (Contd.)

Sri. K. Srinath & 86.05

vs. The Chief G.M. Telecom, B'lore & 05

Date	Office Notes	Orders of Tribunal
		<p>PKS (VC)/VR (MA) 8.9.95</p> <p>Heard both sides. We find no reasons to extend further time to Government for compliance of the directions of the Tribunal given in O.A.Nos.1162/94 &amp; 1874 to 1959/94 disposed of on 16.1.95. We notice sufficient time has already been granted and no grounds have now been made out for further extension of time. M.A.No.383/95 is hereby rejected.</p> <p>The Standing Counsel asks leave on behalf of the Department to defer payment of the financial benefits flowing from our order till the matter is finally resolved. We are not able to decipher what final solution the Department is going to offer. Our order is final unless it is set aside by a superior court. We see no reason why the officials should not get the benefit of our orders in terms of money. Whatever financial benefits</p>

Date	Office Notes	Orders of Tribunal
		<p>are due, the Department should arrange to pay the same without any further delay. In the light of the above order, M.A.No.382/95 in O.A. Nos.1162/94 &amp; 1874 to 1959/94 shall stand rejected.</p>
