O R D E R

Mr. P.K. Shyamsundar, Vice Chairman

We have heard the learned Standing Counsel who has also very dutifully produced the officer, the Executive Engineer, Vizag Central Division No.III, CPWD, Vishakapatnam, who had been summoned to appear before us to tell us why action should not be taken against him for

deliberately disobeying our orders in O.A. No.571/1991 dated 30.10.1992. We find that the officer concerned had somewhat very evasively taken some steps calculatively to hinder the grant of benefits which was due to the official concerned in the earlier order, by calling upon him to furnish some particulars like date of birth, date of appointment etc., all of which was already available in the office he having taken a little trouble to peruse the service register of the official. We are somewhat perplexed by the attitude adopted by this Executive Engineer and find there was a deliberate attempt and endeavour to consecutively beat him down by denying him the benefits of our order. Today we have before us a memo filed by the applicant himself stating that subsequent to the last date of hearing the department and the Executive Engineer had quantified fully the financial benefits that was due and payable to the applicant in terms of the order made in the earlier application. We have also heard the Executive Engineer who is before us and have told him that this type of unhelpful and uncooperative ^{action} ~~direction~~ will not be tolerated and that he should be more careful when it comes to implementation of our order. He has assured us that history will not repeat itself and has asked us to overlook his indiscretion in the matter. Accordingly, we accept the assurance and have told him that he should not be caught napping once again. In that view of the matter we do not propose to take any action for contempt and direct the proceedings to be stand terminated.

2. We however notice in the memo filed on behalf of the applicant that there is something about the readiness and willingness of the applicant to accept the post of LDC but with all that we are not concerned. If he is entitled to an LDC post, it is upto him to pursue the same with the department.

3. With these observations, this application stands disposed of. No costs.
