ORDER

MR. JUSTICE P.K. SHYAMSUNDAR, VICE CHAIRMAN

We have heard Shri M.N. Swamy who appears
in support of this application regards the
motion made for condonation of delay admittedly
involved in making of this application being
more than 7½ years. The applicant is admittedly
aggrieved by some action taken by the Government

of India in the year 1986. We are told that subsequently he made a representation to which there was no response. If that is so, it becomes clear that cause of action, if any, opened up in the year 1986 and present endeavour made today is to take up a controversy that must have remained buried nearly 7½ years back. We do not find any perceptible or tenable reasons in the application filed for condonation of delay. We are not told of any justification to condone the inordinate delay, and, therefore, we dismiss the application seeking condonation of delay and in consequence also dismiss the main application as barred by time.
