• TRIBUNALS ORDER:

[Per: N.K. Verma, Member (A)]

DATED: 26.5.94

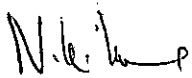

This is a review petition against our judgment-
/order in OA no. 966/1993 under which the application
was rejected by our order dated 11.10.1993.

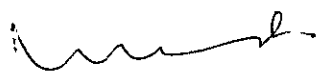

The review applicant has not brought out any
new and important matter or evidence which, after the
exercise of due diligence was not within his knowledge
or could not be produced by him at the time when the
order was made. The applicant in the O.A. had sought
relief for being employed anywhere in India in the R.E.
Project with a lien at Nagpur Division. The applicant
had been clearly told by the respondents that Nagpur
Project work was on the verge of completion and as the
labour strength was reduced he could not be continued
and the question of his appointment will not arise.
He was also informed by the respondents that if he had

N.K.V.

any further correspondence to make in this regard, he should approach another authority called C.E.(EP) RE Nagpur. However, in stead of approaching that authority, the applicant had rushed to the Tribunal vide O.A. which was rejected.

Since there is no valid contention for review and there is no mistake or error apparent on the face of the record ~~and hence~~ this Review Petition is rejected.
