ORAL JUDGMENT:

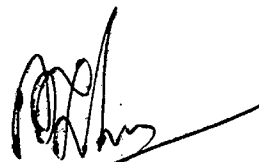

DATED: 30.1.1995

(Per: M.S.Deshpande, Vice Chairman)

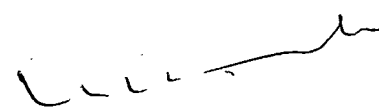

Heard the counsel. The present position is that the applicant has not secured the passing marks in two papers and her request is for re-totalling of the marks obtained.

2. The respondents have filed a statement by the Assistant Director of Postal Services stating that the re-totalling has been done and the marks given to the applicant were correct.

3. In view of this position we see no reason in proceeding further with this O.A. The O.A. is disposed of.

Tribunal's Order by Circulation
(PER: P.P. Srivastava, Member (A))

Dated: 25.5.95

By this review application the applicant has sought that the Tribunal may call for the record of the two papers for rechecking and for satisfaction of the applicant. The same prayer was also made by the applicant in the original OA, and which has been heard on merit and disposed of by the judgement which is under review. It has been brought out in the judgement that the respondents have filed a statement by the Assistant Director of Postal Services stating that the re-totalling has been done and the marks given to the applicant were correct. No new facts have been brought out in the present review petition to warrant a change in the decision which has already been given in this case. The review petition ~~is~~, therefore, does not have any merit and the same is dismissed as being without merit in ~~l~~mini.
