Dated: 4.1.2000.

(S)  
The case was called out for final hearing. Ms.Nilima Gohad on behalf of Mr.S.P.Saxena says that inspite of repeated letters to the family members of the applicant, nobody has come for filing an application for impleading them as legal heirs.

It is seen that the original applicant died some time in February, 1999 which is about 11 months back. No legal heir has filed application. Hence, the application abates. The application is therefore disposed of as having become abated.
