ORDER (ORAL)

Per Shri Justice S.Venkataraman, Vice Chairman

The applicants who are Watchmen want a direction to the respondents to frame promotional rules to provide promotion to Watchmen on the ground that no promotion avenue is provided even though in other cadre there are promotion avenue.

2. It is ^{Conceded} considered by both sides that, new scheme has been formulated in 1998 providing promotional avenue even to the Watchman. As such these applications have become infructuous. The learned counsel for the applicant submits that even in the new scheme there are some anomaly^{ies and that}. The applicant who secure initial promotion would not get such benefit. We cannot go into that question in these applications. However if the applicants have any genuine grievance they may give representation to the respondents who may consider the same and pass appropriate orders within a period of six months from the date of representation. All other contentions raised by both counsel are left open, No costs. ~~Per Application~~ disposed of as infructuous.
