ORDER (ORAL)

{Per M.P.Singh, Member (A)}

By filing this OA under Section 19 of the Administrative Tribunals Act, 1985, the applicants who are 5 in number, have sought directions to the respondents to prepare a seniority list by taking into account the entire division as one unit and regularise their services from the date, vacancies ;are available for absorption. They have also sought directions to restrain the respondents from issuing any further promotion order, [✓] unless the seniority list is finalised and published.

2. Respondents have filed their reply and have stated that the applicants have been rightly placed in the seniority list and promoted to the Class III post to which they are eligible for promotions with effect from 3.2.1997. The Applicants are entitled to be promoted and regularised against 25 % quota. According to them there is no circular issued by the Railway Board on 27.7.1981 and, therefore, the contention of the applicants is misleading and denied.

3. Heard the learned counsel for both the parties.

4. On perusing the papers placed before us, we find that the only relief claimed by the applicants is that the respondents be directed to prepare a seniority list before making any promotion to the higher grade. During the course of the arguments, learned counsel for the applicants has contended that the respondents

have not issued the seniority list in pursuance of the judgement of this Tribunal dated 5.3.1997 in OA No. 551/92 and four other similar OAs. On the other hand, the learned counsel for the respondent placed on record a copy of the seniority list issued by them on 25.2.1998 / 5.2.1998. The said seniority list dated 25.2.1998 / 5.2.1998 is taken on record. We also find that the applicants have neither challenged the seniority list issued by the respondents on 25.2.1998, nor any promotion order, if made, as alleged by him. In view of this position, we find that this OA does not survive and has become infructuous, as the respondents have already issued the seniority list in pursuance of the directions given by this Tribunal.

5. In this view of the matter, the OA is devoid of any merit and is accordingly dismissed. The applicants are however, at liberty to avail the remedies available to them under the law.
