I ORDER I

I Per Shri R.G.Vaidyanatha, Vice Chairman I

The applicant is challenging the appointment of respondent No.3 as E.D.B.P.M. Respondents have filed reply opposing the application. We have heard the learned counsels appearing on both sides regarding admission.

The applicant who has been working as E.D.B.P.M. as a stopgap arrangement applied for selection. There were 5 candidates. Respondent No.3 has been selected. Being aggrieved by this, the applicant has approached this Tribunal.

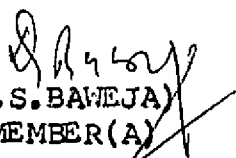

2. The main grievance of the applicant as pressed by the counsel for applicant is that applicant's past service

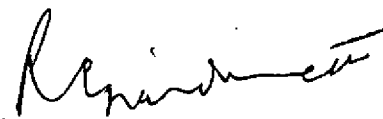

has not been taken into consideration while making the selection.

As per the rules, the selection is to be done on the basis of marks ^{at} the the S.S.C examination which is the minimum qualification for the post. As per ^{document at} page-54 produced by the respondents, respondent No.3 has obtained 61.7% in S.S.C. examination. The applicant is at Sr.No.3 in the chart having obtained 51.8%. Therefore the third respondent has been selected on merit having obtained 61.7% in S.S.C. examination. Hence, the applicant cannot have any grievance when the selection has been made on merits.

3. The arguments of the learned counsel for applicant that his past service ^{has not been considered} has no merit, ~~is wrong~~. The applicant's past service as a stopgap arrangement cannot be taken into consideration while making a regular selection. There is no rule brought to our notice to show that the service rendered during stopgap arrangement should be considered while making a regular selection. Therefore, in our view, the applicant's challenge ^{to} appointment of respondent No.3 has no merit as respondent No.3 is selected based purely on merit.

4. In the result, the application is rejected at the admission stage. No costs.
