[Judgment as per Hon'ble Shri R.Balasubramanian,
Member(Admn)].

This application has been filed by Shri P.Surayya under section 19 of the Administrative Tribunals Act against the P.W.Inspector, S.E.Railway, Srikakulam and 2 others.

2. The applicant, a resident of Cheepurupalli Town in Srikakulam District was engaged by the 1st respondent as Gangman on daily wages for monsoon patrolling for a period of 4 months. The applicant claims that as per the seniority list of Cheepurupalli Unit as on 1.5.88 his position is 72 out of 141. Instead of continuing him for full 4 months from 24.6.89 to 19.10.89 the applicant alleges that he was not allowed to work beyond 29.6.89 i.e., 5 days after his commencing duty on 24.6.89. The applicant considers the action of the 1st respondent as illegal and arbitrary and claims now the wages for the entire period of 4 months and ~~also prays for regularisation.~~ ^{Consequential benefits.}

3. The respondents opposed the prayer. Vide M.A.No.447/90 they sought the approval of the Tribunal to condone the delay in filing the counter affidavit. The delay is condoned and the counter affidavit is entertained thus disposing ^{of} the M.A.No.447/90. In the counter affidavit they point out that it was not the P.W.Inspector, Cheepurupalli that engaged him but it was the P.W.Inspector, Srikakulam Road. The applicant who was appointed on 24.6.89 worked only for 4 days upto 28.6.89 and thereafter did not turn up for duty and absented himself from duty. They deny the allegation that he was not allowed to work. It is their ^{Contention} ~~point~~ that since he absented himself from duty he has no claim for the wages for 4 months which he claims now.

4. We have examined the case and heard the learned counsels for both sides. We find from the appointment order that the P.W.Inspector, Srikakulam Road appointed the applicant for a period of 4 months from 24.6.89 to 19.10.89. On the one hand the applicant states that 5 days after he joined duty he was stopped from work and that he was going everyday to the site and that he was not allowed to work. On the other hand the respondents contend that after 4 days of work he absented himself from duty and did not ^{come} ~~go~~ for work. The applicant contends that had he ~~absented himself~~ absented himself from duty without the intention to work he would not have pursued the matter through representations to the higher authorities like the Divl. Railway Manager etc. Alongwith the application the applicant has produced an unsigned and undated copy of ^a ~~the~~ letter purported to have been written to the Divl. Railway Manager, Visakhapatnam against his discontinuation from service 5 days after the initial appointment. The applicant is a lower grade official and his first representation should have been to the man on the spot viz: the P.W.Inspector, Srikakulam Road. In any case the employment is only for a specific period of 4 months and we do not know when actually he addressed this letter.

to the Divl. Railway Manager in a far off place like Visakhapatnam. Even if such a letter had been addressed to the Divl. Railway Manager and even if the Divl. Railway Manager ^{wanted} ~~ought~~ to intervene, by the time he intervenes the 4 months period would be over. The respondents describe it as a ploy on the part of the applicant and we are not disinclined to believe this.

5. The respondents also contended that if they had decided to stop him from work they would not have kept his name on the rolls beyond 29.6.89. They produced the records and we find from the records that the applicant's name figures in the Srikakulam muster sheet for the entire period of 4 months and on all days he has been marked absent. We are therefore inclined to believe the contention of the respondents that they had kept him on the rolls for 4 months and that he did not turn up for duty. Under these circumstances there is no case for us to intervene in the matter and the application fails with no order as to costs.
