Engineer at SHAR Centre Department of Space, Sriharikota, Nellore District. The following are the directions given by this Tribunal on 14.12.1990 to the respondents in judgement in the said OA 553/90.

3. "To constitute a review D.P.C. and to consider the case of the applicant as on 1985 for promotion as Scientist/Engineer 'SD' with reference to his confidential report as of that date and the punishment imposed upon him in the disciplinary proceedings. In the event of the Review Committee not finding him fit, they will consider his case for successive years whenever a D.P.C. met and take in to consideration the subsequent confidential reports on the applicant and consider his selection for those successive years, the punishment may be imposed in the promoted post." As the said directions were not implemented the present petition is filed by the petitioner herein for taking action under the said contempt of courts act.

4. When the Contempt Petition came up for hearing it was brought to our notice that as against the judgement in the OA, S.L.P. had been filed before the Supreme Court and interim order had also been passed by the Supreme Court suspending the operation of judgement dated 14.12.1990 passed in the OA 553/90. As the matter is pending now in Supreme Court and in view of the said interim order, the present petition for taking action for contempt does not survive. Hence the petition is liable to be dismissed and is accordingly dismissed. But we make it clear that the applicant would be at liberty to move this Tribunal at appropriate time for the same prayer in this Contempt Petition, in accordance with law, if he is ^{so} advised.

THE HONOURABLE SHRI D.SURYA RAO, MEMBER(JUDICIAL).

(JUDGEMENT OF THE BENCH DELIVERED BY HONOURABLE MEMBER(J))
SHRI D.SURYA RAO

1. The applicant herein is a Scientist/Engineer 'SC'
in F&H Section of SHAR Centre, Sriharikota, Department of
Space, Government of India. His grievance is that he has
not been duly considered for promotion w.e.f. the year 1985

../..

A

for promotion as Scientist/Engineer S.D..

2. The applicant's case is that on 10-1-1984 a charge memo was issued to him alleging ~~MM~~ failure of duties in checking and supervision of some works entrusted to some contractors and underestimation of materials, etc., ^{that} and an enquiry was conducted and ^{that} on 3-1-1986 the Enquiry Officer submitted his report. On 25-10-1988 the disciplinary authority passed final orders stopping 2 increments for 2 years with a stipulation that the applicant would be put back to the level he occupied prior to the punishment. During the pendency of this enquiry, the D.P.C. was convened in the year 1985 and the applicant was among those considered for promotion to the post of Scientist/Engineer S.D. His case is that he was found fit and recommended for promotion. His case was, however, placed in a sealed cover due to pendency of the disciplinary proceedings. After the completion of the departmental enquiry and order of punishment having been imposed upon him on 25-10-1988, the applicant submitted a representation on 24-11-1989 to open the sealed cover and give him promotion as Scientist/Engineer S.D. w.e.f. 1985. This was followed by a reminder on 22-5-1990. The department in O.M. dated 7-6-1990 informed the applicant that when any penalty is imposed on the Government servant as a result of disciplinary proceedings, the findings of the sealed cover cannot be acted upon. Consequently his representation dated 22-5-1990 was not forwarded to the Additional Secretary, Department of Science. This is the order sought to be challenged in this O.A. stating that it is contrary to the Full Bench decision of ~~this~~ Tribunal in K.Ch.Venkat Reddy & others vs. Union of India & others (1987 (1) ATR 547). ^{The applicant contends that} ~~He states~~ that this decision was also followed by the Madras ^Bench of the Tribunal in

: 3 :

Rajappa Kaimal's case (O.A.269 of 1987 dated 26-2-1988). The applicant has, therefore, filed the present application praying ~~that~~ to call for records relating to the order dated 7-6-1990 passed by the Administrative Officer-II, Establishment, on behalf of the 2nd respondent, in his proceedings No.SCF:PGA:ESTT-I:Q:10898-6, ^{to} set aside the same and direct the respondents to consider the claim of the applicant for promotion by the Review Departmental Promotion Committee as on the original date viz., 1985 in the light of the result of the "Sealed Cover" and the penalty imposed on 25-10-1988.

3. On behalf of the respondents a counter has been filed stating that the applicant became eligible for promotion to the next higher post of Scientist/Engineer-SD as on 1-7-1983, that his case was taken up by a Review DPC, ^{that} and he was interviewed by the DPC on 21.6.1983, that since the disciplinary proceedings were pending against him, his case was kept in a sealed cover in terms of Government of India, Ministry of Home Affairs, OM No.22011/1/79/Estt.(A), dated 30-1-1982, that his case was thereafter considered for promotion as on 1-7-1984, 1-7-1985 and 1-7-1986 as usual. It is further contended that in terms of the Government of India, Department of Personnel and Training O.M.No.22011/2/86-Estt.(A), dated 12-1-1988 if a penalty is imposed upon a Government servant as a result of disciplinary proceedings, the findings of the sealed cover shall not be acted upon and his case for promotion may be considered by the next DPC which meets in the normal course after conclusion of the disciplinary proceedings having regard to the penalty imposed on him. It is also stated that the applicant's

.../...

81

case was, after the conclusion of the disciplinary proceedings, referred to the DPC held on 22-11-1988 and that the DPC found him fit for promotion to the higher grade of Scientist/Engineer-SD w.e.f. 1-7-1989. It is further stated that since the penalty of withholding the increments was subsisting, the applicant's promotion had to be deferred till the completion of period of penalty. The currency of penalty imposed on the applicant is upto 30-9-1991 and therefore the promotion recommended by the DPC in respect of the applicant will be given effect from 1-10-1991. It is contended that the various cases quoted by the applicant have no relevance to this case and that his case has been duly considered in an equitable manner in accordance with the rules. For these reasons it is contended that there are no merits in the application and the same may be dismissed.

4. We have heard Shri Vaada Rajagopala Reddy, learned Counsel for the Applicant, and Shri E.Madan Mohan Rao, learned Additional Central Government Standing Counsel, on behalf of the respondents.

5. Shri E.Madan Mohan Rao has produced the relevant records pertaining to the D.P.C. held on 1-1-1989. The minutes of the Review Committee produced before us do not show that during the currency of the penalty sealed cover procedure was followed and the applicant's case for promotion w.e.f. the year 1985 was reviewed in terms of the earlier Review Committee proceedings and the punishment order dated 25-10-1988 imposed upon the applicant.

.../...

6. The sealed cover procedure has been considered by the Full Bench of this Tribunal in K.Ch.Venkat Reddy & Others vs. Union of India & others (1987 (1) ATR 547) wherein it was held as follows:-

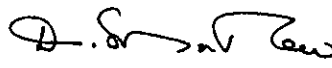

" (7) in cases where a penalty is imposed on the official after the conclusion of the enquiry, his claim for promotion should be considered by a review DPC as on the original date in the light of the results of the sealed cover as also the penalty imposed and his claim for promotion cannot be postponed for consideration to a subsequent date.

K In the light of the above, we direct the respondents to constitute a Review D.P.C. and to consider the case of the applicant as ^{on} of 1985 for promotion as Scientist/Engineer S.D. with reference to his confidential report as of that date and the punishment imposed upon him in the disciplinary proceedings. In the event of the Review Committee not finding him fit, they will consider his case for successive years whenever a D.P.C. met and take into consideration the subsequent/^{confidential} reports on the applicant and consider his selection for those successive years. In the event of the applicant being found fit for promotion in any of the successive years, the punishment ^{may} shall be imposed in the promoted post. With this direction, the application is disposed of. There is no order as to costs.
