O.A.No: 927/90

Dt. 27.6.94

{ As per Hon'ble Shri A.B.Gorthi, Member (Admn.) }

---

The grievance of the applicant is on account of denial of promotion to JA Grade (Rs.3700-5000) from the date of completion of 8 years of service ~~from~~ from the date when his immediate junior ( Respondent No.4) was promoted. He therefore prays for a declaration that the respondents decision to deny him promotion is arbitrary and illegal.

2. The applicant joined service on 24.1.80 as Assistant Mechanical Engineer in the Indian Railway Service of Mechanical Engineers Group 'A' Service. In due course of time he was promoted to senior scale on 28.11.84 in the scale of pay of Rs.1100-1600 (Now revised as Rs.3000-4500). He worked<sup>2</sup> satisfactorily and diligently in various appoints which he held after 1984, some of the appointments infact were those which were earlier held by JA Grade officials but were down graded to senior scale appointments. Notwithstanding his satisfactory service, he was surprised to find that his juniors were being promoted, one after the other.

3. On 11.8.89 he was first superseded by the 4th respondent. He immediately represented to the authorities concerned. Subsequently respondents 5, 6, 7 and 8 were also promoted ignoring the case of the applicant. On all these occasions the applicant represented to the proper authority but received no reply whatsoever.

2

3. The respondents in their reply affidavit have not disputed the essential averments made in the OA<sup>c</sup> but clarified that as soon as the applicant became eligible for promotion to the JA Grade on completion of 8 years of service his case was put up for consideration before <sup>the duly</sup> newly constituted departmental promotions committee. The Committee considered the case of the applicant first on 24.2.89 and subsequently on 19.1.90 and 5.12.90. On all these occasions the DPC after scrutiny of confidential dossiers of the applicant found him not suitable for promotion to JA grade.

4. Heard learned counsel for both the parties. The applicant's counsel <sup>asserted</sup> ~~asserted~~ that <sup>at</sup> ~~had~~ no stage in the career of the applicant he was informed that there was <sup>anything</sup> ~~nothing~~ adverse recorded in his confidential reports. In view of these <sup>his</sup> assertion from the applicant's counsel we called for the relevant record which has been made available <sup>to</sup> ~~for~~ us today by the respondents' counsel.

5. A careful examination of the DPC proceedings held on <sup>on 12</sup> 3 occasions would indicate that the DPC took into consideration the over all profile of the applicant as reflected <sup>in</sup> ~~by~~ the ACRS for the previous 4/5 years which were on record. After examining the service record of the applicant the DPC came to the conclusion on each of the 3 occasions that the applicant was not fit for promotion to JA Grade.

6. We have also perused the service record of the applicant and in particular the confidential <sup>reports</sup> ~~record~~ for the period commencing from 1984. We find that, in the ACRS for the year 1985 and 1986 in particular

we cannot find any irregularity or illegality in the respondents decision to deny the applicant promotion to JA grade.

9. <sup>now of</sup> learned counsel for the applicant stated that the representations made by the applicant against the adverse remarks endorsed in the CRS are still pending. If that be so and in the case of the respondents expunging the adverse remarks from the ACRs, it is needless for us to state that the applicant's case <sup>would be placed</sup> for consideration before a Review DPC.

10. The OA is thus without merit and the same is hereby dismissed without any order as to costs.
