The applicant was appointed as a Casual  
Mazdoor in the office of the Divisional Manager, Tele-  
communications, Kammamet, some time in May, 1986. He worked  
continuously with the usual brakes for a period of three

and half years up to 29-1-90<sup>2</sup>. His services were terminated with effect from that date vide impugned order dt.30-12-1989. Aggrieved by the same he has filed this application praying that the order of termination be set aside.

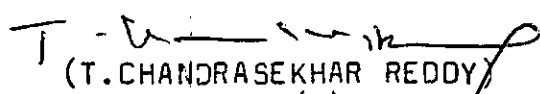

2. This application was filed on 11-2-1991 and despite several opportunities given to respondents they have not filed any counter. ~~nor any one is present today to represent the respondents~~. We have however heard the learned counsel for the applicant and also perused the record. From Annexure-2 enclosed to the application it would be evident that the applicant's services were utilised by the Respondents from May, 1986 to January, 1990. It is also seen that the applicant had worked formore than 240 days in a year during the said period. The Respondents terminated the services of the applicant for no other reason than that there was no work against which he could be engaged continuously. We therefore do not find the order of termination issued by the Respondents illegal as such.

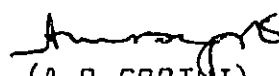

3. We are now informed by the learned counsel for the applicant that the respondents are continuing to engage the applicant as and when there is work. In view of this his simple prayer is that the applicant's case for grant of Temporary Status in accordance with the

scheme introduced vide DOT letter No.269-10/89 STN  
dt.7-11-89 be considered.

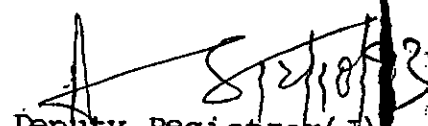

4. In the above circumstances we dispose of this application with a direction to the Respondents to consider the case of the applicant for the grant of Temporary Status and his subsequent regularisation in accordance with the existing scheme and as per the extant instructions. This may be done within a period of three months from the date of communication of this order.

No order as to costs.
