THE HON'BLE SHRI J.NARASIMHA MURTHY : MEMBER (J)

(Judgment of the Division Bench delivered by
Hon'ble Shri B.N.Jayasimha, Vice-Chairman)

The applicants who are six in number are Electrical Fitter Grade-I in the office of Chief Electrical Foreman, South Central Railway, Hyderabad (MG) Secunderabad. They have filed this application aggrieved by an order No.YP/Con. 605/Selc/App.Mech (Elec) dated 2-1-1991, passed by the

Divisional Railway Manager (MG), S.C.Railway, Sec'bad,
selecting certain persons to the post of Apprentice
Mechanic (Elec) against 25% L.D.C.E. quota.

2. The applicant states that by a notification dated 7/10-11-1988, the 2nd respondent notified that two posts of Apprentice Mechanic (Elec) in scale Rs1,320-30-1,350 ^{were} existing, out of which one was notified as reserved for Scheduled Caste and one vacancy for other communities. The candidates who ^{would be} selected through these notification were meant for filling-up of two posts (one post for SC and one post for OC) against 25% quota (LDCE) of Electrical Chargeman in Gr.Rs1,400-2,300 reserved for serving Artisans staff. As there was only one vacancy, the applicants being juniors did not apply for volunteering to the selection process. However due to certain influences by office bearers of the unions, the 2nd respondent without calling for volunteering ^s a fresh for more posts/vacancies, proceeded with the results of the written examination of the candidates who volunteered against one vacancy only. The applicants contend that this action of the 2nd respondent in trying to fill-up six vacancies although only one vacancy had been notified is contrary to the circular of C.P.O., S.C. published in S.C.Railway Gazette S.No.12 of 15-6-1987 S.No.147 para 1.6. They state that the action of the respondents is contrary to these instructions and unequal protection under law. They also state that they have

submitted a representation dt.4-1-1991, but it has not so far been disposed-of by the Respondents.

3. We have heard Shri N.Raghavan, learned counsel for the applicant and Shri N.R.Devaraj, learned standing counsel for Railways, who takes notice at the admission stage at our instance. He takes initial objection that the applicants submitted their representation on 4-1-1991 ~~as~~ and before the respondents could have considered it, the applicants have rushed to this Tribunal. He says that the application is premature under section 21 of the Administrative Tribunals Act, 1985. Shri Raghavan submits that ~~the~~ the announcement of the panel is contrary to the circular of the C.P.O., wherein it is clearly stated that once an alert notice issued, the number of vacancies should not be changed and if there is any change in the number of vacancies due to unforeseen circumstances, the selection has to be cancelled and a fresh selection has to be ordered. As any appointment ^{made} on the basis of the panel prepared is contrary to these instructions it will prejudice ^{The Career prospects} ~~to the case of~~ the applicants if allowed to be implemented. For these reasons he had to file this application even before the respondents could have considered the representation of the applicants dt.4-1-1991.

4. On a consideration of these rival submissions, we find that the application is barred under section 21 of

(32)

Administrative Tribunals Act, 1985 for non-exhaustive of the alternative remedies available. However having regard to the arguments of Shri Raghavan, a direction will issue to the respondents to dispose-of the representation dt.4-1-1991 preferred by the applicants after duly considering the submissions made therein and till such disposal of the representation dt.4-1-1991, the respondents will not act upon the panel prepared in memo No.YP/Con-605/Selec/App.Mech(Elec) dated 2-1-1991. Application is dismissed as premature. No order as to costs.
