We have heard the applicant in person. The relief claimed in this case is fixation of pay and for payment of arrears of salary from 1-1-1979 as per the promotion order dt.20-11-79 and for implementing the order No.CPD/P/e/481/PWI dt.22-4-80 on par with his juniors. This Original Application was filed on 13-6-91. The office has reported that the claim is beyond the jurisdiction of this Tribunal in so far as it relates to a period several years prior to

1st November, 1982.

2. The applicant says that the department has mis-placed his Service Record and he was of the impression that his case would be dealt with appropriately after tracing the service record. He says that he has been making representations from time to time from 1980 onwards, but he has not received any reply. We are of the view that mis-placement of Service Record could not stand in the way of the applicant from approaching the court in proper time. Moreover making repeated representations which have no statutory base does not save limitation. For these reasons this application is not maintainable. Accordingly the application is dismissed in limini. No order as to costs.
