(Order of the Division Bench delivered by
Hon'ble Sri A.B.Gorthi, Member (Admn.))

The applicant herein claims appointment under the respondents in any Class-IV (Group 'D') Service in Guntupally Workshop, South Central Railway on the ground that the land belonging to his family was acquired by the respondents.

2. Initially, the elder brother of the applicant, ^{along with 2} ~~was of the~~ some other similarly situated individuals ~~and~~ filed OA 765/88 before this Tribunal. Allowing the application, the Tribunal directed the respondents to entertain the claims of the applicants and offer them jobs if they are otherwise found eligible. Consequently, the respondents vide communication dated 4.5.91 asked the brother (N.Suryanarayana) of the applicant to forward his application for employment. At about the same time the applicant himself submitted an application to the respondents requesting that his case be considered instead of his brother's. It is ~~also~~ ^{also had} stated that his brother ^{was} written to the respondents stating that he ~~would~~ ^{was} no longer interested in securing employment ~~of~~ ^{under} the respondents and that in his place the case of his younger brother be considered for suitable employment.

3. The short ground on which the respondents have denied the applicant employment under them is that by virtue of the Judgement of the Tribunal in OA No.765/88 only the brother of the applicant could be considered for employment under the respondents.

4. There is no doubt that N.Suryanarayana, the brother of the applicant was one of the applicants in OA.765/88 which was decided by the Tribunal on 18.7.90. Not with-

standing the same, a careful examination of the Policy laid down by the Railway Board with regard to giving appointment in Group 'C' and 'D' posts to members of the families displaced as a result of acquisition of land would clearly indicate that ^{it was} ~~as~~ a kind of rehabilitation to the displaced families. It was ^{incumbent} ~~incumbent~~ on the part of the respondent organisation to offer employment to a son/daughter/ward/wife of the person displaced. In the instant case, for personal reasons N.Suryanarayana who initially claimed employment did not thereafter desire to pursue his request ^{that} ~~that~~ should not by itself disentitle the applicant to claim benefit of the Railway Board Policy. So far as the respondents are concerned, it should not make any difference whether the appointment is offered to the applicant or his brother N.Suryanarayana. The fine distinction that the respondents are now attempting to make by stating that it was only N.Suryanarayana who was the applicant in OA 765/88 cannot be appreciated. In the Judgement in OA 765/88, what has been laid down clearly is that ~~even~~ applications submitted ^{even} ~~after~~ the cut off date of 31.3.81 should ~~not~~ ^{be} entertained by the respondents. We do not find anywhere anything to support the respondents' contention that if one member of the family is no longer keen to be employed under the respondents, ^{the} ~~where~~ the other member of the family should not be considered for the benefit under the Railway Boards Policy dated 31.12.82. It is ^{all} ~~of~~ the more so, when the brother (N.Suryanarayana) had written to the respondents that in his place the case of his younger brother (the applicant) should be considered by the respondents.

5. In view of the above, we dispose of the application ~~with a direction to~~ and ~~direct~~ the respondents to consider the case of the applicant for employment against ^{the} suitable Class-IV (Group 'D') Post in terms of the Railway Board's Circular dated 31.12.1982/1.1.83. No order as to costs.
