20-9-91. Due to their low position in the panel the applicants could not get be appointed to the Group 'D' posts for which they have been empanelled. The Respondents instead offered the Group 'D' post in the lower scale of 750-940 at Guntakkal. But this also did not materialise on account of opposition from the Labour Union. The applicants hoped that they would be absorbed atleast in Group 'D' posts in Carriage Repair Shop, Tirupathi itself. In the meantime the Respondents issued employment notification No.1/91 calling for applications from the open market for filling up 40 group 'D' posts. The applicants are aggrieved that while they, who had been empanelled for Group 'C' posts and subsequently could not be accomodated even in Group 'D' posts in the Guntakkal Division, it is not proper on the part of the Respondents to ignore the case of the applicants and to fill-up the vacancies from the open market. Hence this application.

3. Counter has been filed on behalf of the Respondents opposing the application. Their plea now is that they have received a letter No.E(NG)11091/RR-1/21 dt.16-9-91 from the Railway Board by which all fresh recruitments to group 'D' posts have been stopped. They have also taken pains to point out that neither the initial empanelment to the Group 'C' posts nor the subsequent concurrence of the applicants for absorbtion in the Group 'D' posts vests the applicants with any legal rights.

2. The applicants appeared for the test to the post of skilled artisans in the scale of 950-1500. This was in response to the employment notice No. 1/84 which announced 436 vacancies in all. This panel was kept open from 21-3-87 to

4. We have heard Shri P.Krishna Reddy, learned counsel for the applicants and Shri N.V.Ramana, learned counsel for the Respondents. We have also gone through the records carefully. We are of the view that the applicants are entitled to be considered atleast for the Group 'D' posts. In these circumstances we direct the Respondents that as and when the Group 'D' posts in the outsider's quota become available at Carriage Repair Shop, Tirupathi or any where else in the Guntakkal Division, the applicants should be considered first before considering any other case in the order of their rank in the empanelment for Group 'C' posts. With these directions the application is disposed-of with no order as to costs.
