3. OA.245/89 was decided on 10-8-1989. The application to alter the date of birth was dismissed. Thereafter a review petition was filed by the applicant. The Tribunal passed an order in the review petition on 3-12-1990, directing the respondents to dispose of the appeal of the petitioner pending before him at an early date. It is in pursuance of this that vide order dt.10-8-92, that the respondents acted and indicated as follows :

"I am directed to state in consultation with Legal Adviser of CSIR, that in the light of the decision already given by the CAT, Hyderabad, on 10-8-1989, it is regretted that her request cannot be acceded to."

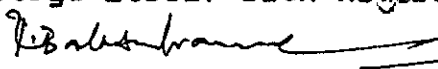

The applicant has now approached this Tribunal with a prayer

- a) to quash the order dated 10-8-1992, and
- b) to direct the respondents to consider her appeal dated 18-7-1989 uninfluenced by the order of the Tribunal dated 10-8-1989 in OA.245/89.

4. The applicant earlier filed an OA for alteration of date of birth before the Tribunal. She had produced the entire material information to prove her case in the said OA.245/89. The Tribunal, after taking into consideration the entire material dismissed the OA on merits.

5. The respondents had no new material to decide the issue and accordingly rejected the appeal dated 18-7-1989 based on the direction given by the Tribunal in the review petition filed by the applicant.

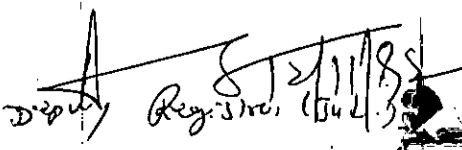

6. An attempt now by the applicant to get her date of birth altered is clearly hit by the principles of resjudicata and we have no hesitation in rejecting this OA at the admission stage itself with no orders as to costs.
