His case was rejected stating that the instructions prohibite the same. Hence the O.A.

M. Jay Rao

5. LIMITATION

The applicant declares that the application is within the period of limitation prescribed under sec. 21 of Admn. Tribunals Act, 1985.

6. FACTS OF THE CASE

(a) The applicant was first appointed as Lower Division Clerk on 18-9-1951 against airmen vacancy. He was continued in the said post till 1968. The applicant understands and believe it to be true that instructions were given stating that the persons who do not possess the requisite educational qualification viz a pass in the Matriculation shall be placed last in the cadre of L.D.C. and they should be shown as temporary. The applicant submits that during 1968 he and another L.D.C. by name Smt Mary Heaton were rendered surplus in the Clerical Cadre and were absorbed as telephone operator on 20-2-1968. His salary in the cadre of Telephone Operator was provisionally fixed in the scale of 110-180. Actually the applicant would have been fixed in the pay scale of 110-240 which was the scale for the Telephone Operators working 45 hours for a week and performing the night duties also. The applicant submits that the provisional fixation of the pay scale was due to the fact that he did not pass Matriculation. As there were number of persons who were appointed without the requisite educational qualification, the Government of India passed orders relaxing their educational qualifications. The applicant and several other persons who were similarly situated like him have applied for waiver of their educational qualifications as they have rendered more than 10 years of service. While the matter was under consideration of the Government of India, the Commanding Officer Airforce Station, Hakimpet by order dated 3-4-69 directed the applicant stating that if he fails to acquire Matriculation qualification by

by 1-7-70 his services would be terminated from that date. The petitioner filed writ petition No.3083/70 challenging the orders of termination. The Hon'ble High Court by judgement dated 19-1-1972 set aside the orders of termination and during pendency of writ petition he continued in service by the interim orders of the court. Subsequently the Government of India by order dated 26-7-76 (Annexure-I) passed orders relaxing the prescribed minimum educational qualification of applicant alongwith 28 others. But the respondent has not granted the consequently benefits like fixation of pay in the correct scale, seniority, promotion etc inspite of several representations, ultimately the Station Commander and the C.G.O. Officer in Charge Civil Administration, have favourably recommended on 16 Nov, 85 (Annexure-III) for the fixation of the applicants pay in the pay scale of 110-240 w.e.f. 20-2-68, that the service rendered by the applicant from 18th Sept, 1951 to 20-2-68 shall be reckoned for the purpose of seniority and promotions in the cadre of Telephone Operator and he should be promoted to the post of Telephone Operator Grade-I, Telephone Supervisor etc as per AFI/25/51. On the said recommendations the Air Head Quarters, have requested the Air Force Station, Hakimpet to send Audit report. Air Force Station Hakimpet, seems to have sent the report required. Ultimately the AF Central Accounts Office, New Delhi, by letter dated 17-5-88 has addressed the Deputy Controller of Defence Account, New Delhi. enclosing copy of the letter of the unit office dated 6-5-1988 and also enclosing the service book, statement of case submitted by the unit office at Air Force Station, Hakimpet and requested for further action. The Central Accounts office, New Delhi by letter dated 21-7-88 intimated the Air Force Station Hakimpet with a copy marked to the applicant stating that the individual has fulfilled the conditions laid down

M. Jaye Rao

in the government letter dated 8-12-55 and he should have been given the higher pay scale with effect from 20-2-68., as the scale was not given to the individual and it is time barred sanction of Government of India is required and directed the Air Force Station, Hakimpet to get the sanction. The applicant submits that the Government of India seems to have given sanction orders and consequently the applicants scale was refixed in the scale of 110-240 w.e.f. 20-6-68 and in the scale of 260-480 from 1-1-71 and stagnation increment was given on 1-7-83 vide office order Sl.No.NE 102 order of the AR Station, Hakimpet dated 20-6-89(Ann-IV). Accordingly the applicant was paid all arrears. The applicant submit that he was paid the arrears and the salary in the revised pay scales on 10-1-90. The applicant submits that as out of the two greivences of the applicant only one viz. the fixation of pay scale was alone granted and the remaining prayer for reckening the service rendered in the post of L.D.C. for fixation of seniority and promotion was not considered and disputed off as recommended by the AF station, Hakimpet, he submitted a representation on 5-8-1990(Annexure-V) to the Head Quarters Training Command IAF Bangalore, with copies to Air Head Quarters, New Delhi ^{and} AF CAO, New Delhi. He had sent reminder on 14-12-90 to the Air Officer Commanding Air Forde Station Hakimpet. To the said letter a reply was given stating that the applicants case for fixation of seniority was already referred to Air Head Quarters by HQ TC IAF and as and when a decision is taken he will be informed. The applicant submits that the Air HQ by letter dated 25-1-91 addressed to Head Quarters Training Command IAF stating that they have examined the case and they required further information with documents enabling them to consider the case. They requested for appointment letter,

M. Jaye Rao

letter declaring him as surplus, letter appointing him as Telephone Operator, letter fixing his pay scale initially and confirmation that there was no break in service from 18-9-51 to 20-2-68. Thereupon the AF Station Hakimpet directed the applicant to report to the office to furnish the particulars required by the Air Head Quarters by letter dated 9-2-91. Accordingly the applicant reported at the station. The applicant submits that ultimately the AIR HQ New Delhi by letter dated 2-5-91 (Annexure-6) informed the Head Quarter Training Command Bangalore stating that the applicants seniority had been correctly fixed w.e.f. 20-2-68 in the cadre of Telephone Operator Grade-II and that as per government relevant instructions on the subject service rendered by the applicant as clerk can in no case be counted towards his seniority in the Telephone Operator Grade-II. By letter dated 6-6-91 (Annexure-7) the Hakimpet station has informed the applicant stating that AIR Head Quarters in their letter dated 2-5-91 has informed them that as per relevant government instruction service rendered by the applicant as L.D.C. cannot be counted towards his seniority in the cadre of Telephone Operator. Thereupon the applicant addressed a letter on 11-7-91 (Annexure-8) to the Air Officer commanding Hakimpet requesting for a copy of the letter dated 2-5-91 of the Air H.Q. and also for a copy of the relevant instruction on the subject. The Air Officer Commanding, Hakimpet by letter dated 19-7-91 informed the applicant that there are no instruction available at their station, a copy of the letter dated 2-5-91 was however sent to the applicant. Thereupon the applicant addressed a letter dated 6-8-91 to the Air Headquarters New Delhi requesting them to provide the copy of the relevant instruction referred to by them in their order dated 2-5-91. But they have not sent a copy of the instructions or reply to the letter.

W. Jaye Rao

6(b) The applicant submits that the action of the respondent is illegal and arbitrary. The applicant was shown as surplus in the L.D.cadre only on the ground that he did not possess the requisite educational qualification. Several of his juniors remained in the L.D.cadre and they were promoted as UDC, Superintendants and they were promoted to C.G.O's also. Had the Government of India passed order relaxing the requirement of educational qualification promptly after he completed 10 years of service he would not have been declared as surplus and he would have enjoyed the promotional avenues open to an L.D.C. When he was declared surplus and absorbed as Telephone Operator they are bound to take the service rendered by him as Lower Divisional Clerk for the purpose of fixation of seniority in the cadre of Telephone Operator, when the Government of India has relaxed the requirement of educational qualification in 1976.

6(c) The applicant submits that he retired from service on 1st September, 1985 and he is knocking at the doors of the authorities for redressal of his grievance. The Air Head Quarter have dealt with the case in a capricious way and rejected the claim stating that the relevant Government instruction prohibit the same. They have not even referred to the alleged instruction of the Government and discussed the subject. They have not given the copy of the instruction inspite of asking for the same. As far as the knowledge of the applicant there are no instruction of the government of India which prohibit the reckoning or the period of the service rendered in L.D.cadre for fixing seniority in Telephone Operator on absorption and even if there are any such instruction

M. Jyoti Rao

the respondent cannot take shelter underthem and deny the just claim of the applicant which he would have got but for the lethergy and inaction on the part of the government of India.

6(d) The applicant submits that he has rendered his entire 34 years service in one pay scale without any further promotion. This occurred not due to the latches on the part of the applicant but due to the inaction in the department. The respondent ought to have considered the case of the applicant from all aspects and ought to have granted the relief of treating the period from 18-9-51 to 20-2-68 rendered in the cadre of L.D.C. for fixing the seniority in the cadre of Telephone Operator Grade-II which is in the same scale of pay and given him the consequential promotion and payment of higher scales of pay etc. In as much as the order of the AIR Head Quarters in their letter No. AIR Hq/23046/83/Tele staff/PC(DPC) dated 2-5-91 (Annexure-6) is ex facie, arbitrary and illegal the applicant is constrained to file this O.A. The said order is liable to be declared as illegal, arbitrary and void and consequently direct the respondents to reckon the period of service as L.D.C. from 18-9-51 to 20-2-68 as the service in Telephone Operator grade-II and give all consequential benefits like, promotion, from the date ~~of~~ when his juniors were promoted and pay etc.

7. RELIEF(S) SOUGHT FOR :-

For the reasons stated above the applicant prays that this Hon'ble Tribunal may be pleased to declare the order No. AIR.HQ/23046/83/Tele-staff/PC(DPC) dt. 2-5-1991 as illegal, arbitrary and void and consequently direct the respondents to reckon the period of service as L.C.C.

M. Jaye Rao

from 18-9-1951 to 20-2-68 as the service in Telephone Operator Grade-II and give all consequential benefits like promotion from the date when his juniors were promoted and pay in the Higher scale and pass such other order or orders as this Hon'ble Court may deem fit and proper.

8. INTERIM PRAYER

As the applicant is retired from the service and in view of the interest of justice this Hon'ble Tribunal may be pleased to expediate the hearing of the above O.A.

9. DETAILS OF THE REMEDIES EXHAUSTED

The applicant declare that there is no other alternative remedy to redress the grievance of the applicant except to approach this Hon'ble Tribunal.

10. MATTER NOT PENDING WITH ANY OTHER COURT

The applicant further declares that the matter regarding which the application has been made is not pending before any court or any other authority or any other bench of this Hon'ble Tribunal.

APPLICATION FOR REVIEW OF SERVICE,
SENIORITY AND PAY FIXATION

Sir,

I have the honour to refer Air Headquarters letter No.Air HQ/23049/253/1/PC 3(B) dated 21 Sep 81 and submit the following for sympathetic consideration and favourable orders :-

(a) I was informed that the Govt letter was not clear to the effect that the relaxation of Educational qualification would confer the benefit of pay in the higher scale with retrospective effect. I was rendered surplus in the post of Clerk LD in preference to juniors in the post and was absorbed in the alternative post of Telephone Operator w.e.f. 30 Feb 68. My pay was also refixed provisionally in the lower scale of Rs.110-3-131-4-155-EB-4-170-5-180 instead of the higher scale of Rs.110-4-150-5-175-EB-6-205-EB-7-240 by FTW though I was performing the duties of Telephone Operator under the same conditions as are prescribed for those authorised for having higher scale of pay (i.e. 110 to 240).

(b) By virtue of my seniority in the post of Clerk LD and fulfilling all the qualifying conditions prescribed for those (Telephone Operators) drawing the higher scale of pay, I should have been placed in the higher scale on 20 Feb 68.

2 I may recall that the Government of India, Ministry of Defence had relaxed the prescribed minimum Educational qualification vide their letter No.Air HQ/23049/14/PC-5/Vol.IV/2742-3/B (Appts) dated 26 Jul 76, in respect of 29 Civilian employees who all were Educationally unqualified at the time of their initial appointment to the posts of Clerks. By virtue of each one of them having rendered satisfactory service for not less than Ten years (such more than Ten years in some cases) on the date of issue of the relaxation order, the prescribed minimum qualification was waived. The Govt. while doing so, followed the criterion of service uniformly in each case.

3 I may further recall that a perusal of the list appended to the Government Relaxation Order would show that excepting me and another ant. Mary Heaton, the other 27 Civilian employees are all of Clerical cadre and who are Non-Matriculates at the time of their initial appointment. Further-more, a detailed analysis of the 27 Civilians (i.e. Clerks) there were 9 permanent Upper Division Clerks of whom again the first 3 were fortunate enough to be promoted as temporary Office Superintendents also. Out of

Contd....2

the remaining 18, 4 were temporary UDCs, who were permanent in the LDC cadre and the rest of them being temporary and redesignated LDCs in the regular posts on the date of Govt. Order waiving the bar of Educational Qualification. Thus, there are only two isolated cases of Telephone Operators which include me and another Smt. Mary Heaton. It may not be out of place to bring to your kind notice that I and Smt. Mary Heaton were also initially appointed as Clerks on 18-9-1951 and 21-9-1951 respectively (against airmen) but were unfortunately later absorbed as Telephone Operators w.e.f. 20 Feb 68, for having been rendered surplus in the Clerical posts. We too were also on the same footing as those of 27 until 19-2-1968. I may further state that while the 27 Civilians fortunately retained in the same posts in which they were initially appointed on the date of Government Relaxation Order, I and Smt. Mary Heaton, were unfortunately to be absorbed as Telephone Operators when the waiver of Educational Qualification was issued.

4. Smt Mary Heaton's retirement (VR) on 12-6-1978 left me only in service as the lone Telephone Operator claiming the benefit of pay fixation etc., as a sequel to the issue of Government Order of Waiver. The benefit of pay in the higher scale was denied to me on the plea that the Government letter of Waiver was not clear enough in the matter of benefits of pay. This argument is not valid in as much as I am also entitled to be equated with those 27 Civilians on whom all the benefits of seniority, promotion, etc., were conferred in view of the facts brought out in the earlier paragraphs. As I am also entitled to claim natural justice along with the 27 others, I humbly request that my past service, seniority be reviewed and the pay fixation which was inconclusively set aside during 1981, be reopened for early finalisation by counting my previous service as Clerk.

Thanking you,

Yours faithfully,

STATEMENT OF CASE

INTRODUCTION

1 The subject matter, briefly, relates to the representations dated 27 Jan 83 and 07 Apr 83 of Shri M Jaya Rao, Tel/Opr, P/A No.10871 (Enclosed as Annexure 'A' & 'B') praying for review of the provisional fixation of pay made on 20 Feb 68 and re-fixation of pay in the appropriate scale as well as for grant of consequential seniority and promotion. This case is submitted in compliance of Air Headquarters letter No. Air HQ/23077/2575/PC 3A dated 28 Jul 83, copy of which is placed at Annexure 'C'.

PROPOSAL

2 It is proposed that the initial pay on absorption of Shri M Jaya Rao against the alternative post of Telephone Operator on 20 Feb 68 be finally re-fixed under CDS (Revised Pay) Rules 1960 in the scale of Rs.110-4-150-5-175-EB-6-205-7-240 corresponding scale of pay of Rs.60-4-120-EB-5-170 and he be further allowed the consequential benefits in seniority and promotion to Telephone Operator Grade I accordingly in conformity with the Government of India, Ministry of Defence letter No.(1(11)55/14842/D(Civ) dated 08 Dec 55 (Annexure 'D' refers).

3 — On becoming surplus to the establishment and absorption against the alternative post of Telephone Operator on 20 Feb 68 at A F Station, Hakimpet (Erstwhile F T W AF) the initial pay of Shri M Jaya Rao was provisionally fixed in the scale of Rs.110-3-131-4-155-EB-4-175-5-180 though he ought to have been placed on the scale of Rs.110-4-150-5-175-EB-6-205-EB-7-240 in consonance with the duties assigned to him as per

Contd.....2

Government of India, Ministry of Defence O.M. No. 1(11)/5/14842/D(Civ-I) dated 08 Dec 55 (Enclosed as Annexure 'D' refers). Hence the present proposal.

OUTLINE OF JUSTIFICATION

(Citing reference to relevant rules/orders on the subject).

4 Shri M Jaya Rao was a Non-matriculate at the time of initial appointment as a Civilian Clerk in lieu of Airman Clerk GD. However, the Ministry of Defence relaxed the prescribed minimum Educational qualification of Matriculation or equivalent for initial recruitment both in the posts of Clerk and Telephone Operator in respect of Shri M Jaya Rao along with other 28 Clerks/Tel/Oprs after having completed Ten years of satisfactory service on or before 27 Aug 74 vide Government of India, Ministry of Defence letter No. Air HQ/23049/14/PC-5/Vol.IV/2742-D (Appts) dated 26 Jul 76 (Enclosed as Annexure 'E'). Shri M Jaya Rao served in the post of Clerk from 18 Sep 51 upto 19 Feb 68 and thereafter from 20 Feb 68 in the post of Telephone Operator till date. Thus Shri M. Jaya Rao is entitled to be treated on par with Matriculates in so far as confirmation, Seniority and Promotions are concerned. Due to procedural delays it could not have been possible to issue Waiver sanction immediately after Shri. M Jaya Rao had completed Ten years of satisfactory service in the post of Clerk. Having completed Ten years of satisfactory service in the post of Clerk and after the minimum Education had been relaxed, he is eligible for the scale of Rs.110-4-150-5-175-EB-6-205-EB-7-240 with retrospective effect i.e. on his absorption against the post of Telephone Operator w.e.f. 20 Feb 68 in keeping with the duties assigned to and being performed by him from that date in accordance with Annexure 'D'. The grant of the higher scale of pay however does not

Contd.....3

have any bearing on Educational qualification in his case.
The provisional fixation of pay has not been reviewed and revise even after the issue of Government letter dated 26 Jul 76 ibid.

OUTLINE OF FINANCIAL EFFECT

(To be furnished by AFCAO as the individual is on I.R.L.A system).

7.

DETAILED JUSTIFICATION OF THE CASE

8 Shri M Jaya Rao was appointed as Clerk in a temporary capacity on 18 Sep 51. He was a Non-matriculate at the time of initial appointment. After about 16 years and 5 months of continuous satisfactory service, he was rendered surplus and was absorbed against the alternative post of Telephone Operator on 20 Feb 68 in public interest. As the the Recruitment Rules, Matriculation is the minimum Educational Qualification prescribed for the direct entrants. Owing to the procedural delays, the sanction for the Waiver of minimum Educational Qualification for initial appointment in respect of Shri M Jaya Rao was accorded only on 27 Jul 76 along with other 28 Clerks/Tel Oprs vide Ministry of Defence letter No. AirHQ/23049/14/PC-5/Vol.IV/2742-S/D (Appts) dated 26 Jul 76 (Annexure 'E'). However, he had been performing the duties of Telephone Operator as detailed below and Telephone Operators performing duties similarly were to be placed in the scale of Pay of Rs.110-4-150-5-175-EB-6-205-EB-7-240 and other ordinary Telephone Operators in the scale of Rs.110-3-131-4-175-5-180 as per Government of India, Ministry of Defence OM No.1(11)/55/14842/D. (Civ-I) dated 08 Dec 55 (Annexure 'D' refers). The educational qualification does not have any

Contd.....4

(24)

hearings in allowing the abovementioned higher scale of pay in
Annexure.

- (a) Performance of 45 hours duty per week.
- (b) forfeiture of entitlement to holidays
- (c) performance of Night duties.

9 On the contrary, he was provisionally authorised to draw pay in the scale of Rs.110-3-131-4-155-EB-4-175-5-180 vide Office Order Sl No.6 dated 20 Mar 68 (placed at Annexure 'F') presumably pending decision with regard to his Educational Qualification. While the Civilian Clerks in whose case also the sanction for Waiver of Educational Qualification for initial appointment was accorded along with him on 26 Jul 76 were confirmed and promoted to higher grades of UDC and Office Asstts according to their seniority in the post of Clerks LD, Shri M Jaya Rao, if continued in the Clerical cadre, too would have been raised to the position of Office Superintendent in the scale of Rs.425-15-500-EB-15-20-700. However, the provisional fixation of pay of Shri M Jaya Rao has not been reviewed and revised appropriately after the issue of Govt of India, Ministry of Defence letter No. Air HQ/23049/14/PC-5/Vol.IV/2742-S/D (Appts) dated 26 Jul 76 ibid if the Educational Qualification is the criterion for higher scale of pay, which is actually not.

10 Furthermore, once an unqualified employee is confirmed on Relaxation of Educational Qualification, he becomes eligible along with the other personnel of the Grade for promotion to higher grades as per para 3 of Govt of India, Ministry of Defence Office Memorandum No.6(5)58/8271/D (Appts) dated 15 Sep 58 (enclosed as Annexure 'G'). Shri M. Jaya Rao was confirmed in the post of Telephone Operator

Contd.....5

8
(92)

w.e.f. 01 Jan 79. It is just and fair that the case of Shri M Jaya Rao be reviewed afresh and his pay be fixed in the appropriate scale of pay of Rs.110-4-150-5-175-EB-6-205-EB-7-240 with retrospective effect effective from 20 Feb 68 and he be allowed consequential benefits in pay, interse seniority among those in the pay scale of Rs.110-4-150-5-175-EB-6-205-EB-7-240 and corresponding pay scale under CDS(RP) Rules 1973 and promotions to Telephone Operator Grade I with retrospective effect from the relevant dates.

11 To sum up briefly, by virtue of Shri M Jaya Rao fulfilling the qualifying Conditions stipulated in the Government of India, Ministry of Defence Office Memorandum No.1(11)/5/14842/D (Civ-1) dated 08 Dec 55 (Annexure 'D'), he is eligible for the pay scale of Rs.110-4-150-5-175-EB-6-205-EB-7-240 effective from 20 Feb 68 and the corresponding pay scale in the CDS (RP) Rules 1973. Secondly, by virtue of the Government Order of Waiver of the Educational Qualification Shri M Jaya Rao is entitled to his seniority being reckoned from 18 Sep 51 instead of from 20 Feb 68 for the purpose of further promotions, as considered appropriate, to the post of Telephone Operator Grade I, Telephone Supervisor etc., as per A.F.I. 25/51.

SUMMARY

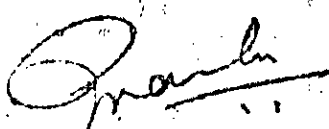

12 The benefits claimed by Shri M Jaya Rao are not of an extraordinary nature and are well within the laid-down rules and pay scales which apparently fall within the competence of Air Headquarters. Air Headquarters are, therefore, requested to review the case and authorise modification of the provisional fixation of pay in the scale of Rs.110-3-131-4-155-EB-4-175-5-180 made earlier on 20 Feb 68 and re-fixation of pay in the scale of Rs.110-4-150-5-175-EB-6-205-EB-7-240

M. Jaya Rao Telephone Operator.

Sir,

I have the honour to draw your kind attention to Air Force Station, Hakimpet letter No. FTW/2436/10871/PC dated 18-9-1983 addressed to your Headquarters on the above subject and subsequent correspondence resulting in the recent payment of arrears to be my AF CAO New Delhi.

2. I have the honour to submit this representation for your Headquarters sympathetic reconsideration and favourable action.

3. I enclose herewith a copy of Govt. of India, Min of ref order No. Air HQ/23049/14/PC-5/Vol-IV/2742/5/D (APPTS) dated 26-7-1976 for ready reference. In this order it will be seen that waiver of educational qualification was granted by the Government to 29 civilians including me. It will be also seen that there are 3 temp office supdts, 6 permanent UDCs, 1 OP LDC, 4 temp LDCs and 9 re-designated LDCs, apart from me and Mrs. Heaton, who were telephone operators at the time of waiver.

4. In this context I submit that I and Mrs. Heaton were also originally employed as LDCs at AF Station Begumpet on 18-9-1951 and we both continued as LDCs until 19-2-1968. Thereafter we were transferred to FTW AF Station Hakimpet and absorbed there as Telephone Operators wef 20-2-1968. I and Mrs. Heaton were not even declared redesignated let alone for the Quasi permanency. While in the other cases there were instances where the individuals were even granted permanency before waiver of the educational qualification. Mrs. Heaton resigned and left service subsequently during 1978.

5. Therefore in my case I ought to have been restored to clerical cadre consequent upon the grant of waiver of the educational qualification. I ought to have been granted the seniority in the clerical cadre from 1951 which was not done.

6. I enclose herewith statement of case for ready reference which is self explanatory.. I also enclose herewith a copy of FTW, AF Station Office order S1 No. NE/02, Page 1 dated 20-6-1989 wherein refixation of my pay after the govt. sanction was promulgated. In this office Order it will be seen that my pay was fixed in Grade II Tel.Operator in the scale of Rs. 260-8-300-EB-8-340-10-360-12-420-EB-1: 480, while refixing my pay, my seniority was not properly counted while my contemporary in the clerical cadre where educational qualification was also waived, retired as office Superintendent and CGOs, the same natural justice has not been done to me as Tel.Operator. If my seniority is properly counted I am eligible for promotion as Tel.Operator Grade I (One) and Supervisor also.

7. I, therefore request you to direct Aⁿ Station Hakimpet to revise the Office Order simultaneously and resubmit the same to the AF Central Accounts Office, New Delhi for Audit and further action on the basis of the Government sanction which was already obtained.

3. It is submitted that a brief history of the case is that individual initially appointed as IDC against airman vacancy at No.1 AFA, IAF, Begumpet w.e.f. 18 Sept. 51. Subsequently he was declared surplus and posted to this Station as Telephone Operator w.e.f. 20 Feb.'68 and his pay has been fixed in the scale of Rs.110-180 w.e.f. 20 Feb.'68 in the lower grade and not in the higher grade of pay of Rs.110-240, since the individual was non-matriculate. Thereafter Govt. has accorded sanction to waive the minimum Educational qualification prescribed for initial recruitment vide Air HQrs letter No Air HQ/23049/14/P C.5/Vol.IV/2742-S/D (Appts) dated 26 Jul. 76.

4. On receipt of sanction for relaxation of minimum Educational qualification for appointment he had submitted his first application dated 23 Dec.76 for fixation of pay in the higher scale of Rs.110-240 prior to 01 Jan 73 and Rs.260-480 w.e.f. 01 Jan.73 under CDS(RP) Rules, 1973 instead of in the pay scales of Rs.110-180 and Rs.260-400. Thereafter he had submitted another application dated 15 Mar.79 with a request to absorb him back to clerical cadre against regular vacancy or the benefits applicable to Telephone Operator for higher grade of pay be given to him without any discrimination of himself being a matriculate or not.

5. Even after prolonged correspondence with higher authorities on the subject nothing has been materialised and the indivi-

dual finally retired from service on superannuation w.e.f. 30 Sep.85. After his retirement from service the individual has submitted applications dated 25 Oct.88 and Nov.89 with a request to refixation of pay in the higher scale and he never claimed for any promotion taking into consideration of his clerical service in the post of telephone operator.

6. Finally authorities agreed to fix his pay in the higher scale. Accordingly his pay has been fixed and arrears paid to him. Subsequently his pension/Gratuity and Commutation of pension have also been revised and paid to him taking into consideration of higher pay scale fixed to him, during May 90.

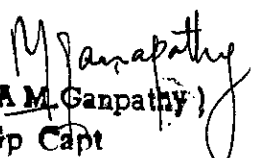

7. Subsequent to his refixation of pay in the higher pay scale in the Telephone Operator grade and revision of non-effective benefits, the individual submitted another application dt. 5 Aug 90, with a request to revise Office Order wherein the refixation of pay in higher scale had been done on his own request with numerous applications submitted by him during the years 1976 to 1990.

8. It can be seen from the personal applications submitted by the individual that he had requested either for fixation of pay in the higher scale as Telephone Operator or reversion to Clerical cadre. After prolonged correspondence with higher authorities his pay was fixed in higher scale and his pension/Gratuity etc. was regulated accordingly. At the time of his case for higher pay scale was being progressed he did not claim

for promotion after taking into LDC seniority nor at the time while he sought for arrears on account of refixation of pay and refixing his pension this point not claimed by him. The individual has put forth point by point and tried to get the benefits sanctioned by the Govt. Lastly he has brought out the seniority point which he had once requested during 1979 but he had given an option he mainly stressed this point only on 5 Aug.90 and thereafter which clearly shown his ulterior motives.

9. With regards to the averments made in para 3 of the application it is submitted that the applicant was rendered surplus at Air Force Station Begumpet and posted to Air Force Station, Hakimpet as Telephone Operator (against airman vacancy) w.e.f. 20th February, 1968. On reporting to Air Force Station Hakimpet he was absorbed as Telephone Operator and his pay was fixed at Rs.167/- in the scale of Rs.110-180 duly protecting his pay drawn by him as LDC. It is agreed that the educational qualifications of the applicant was relaxed during July 1976 and he was given higher pay scale from 20 Feb.68 (Date of absorption as Telephone Operator) during May.89, i.e. after 4 years of his retirement from service. Regarding counting of his clerical service towards Telephone Operator service, it is submitted that as per Ministry of Home Affairs O.M.No.3/27/65-CS-II, dated 25 Feb.66 and OM No.9/22/68-Estt(D) dated 6 Feb.69, (Annexure I) the surplus employees are not entitled for the benefit of past service rendered in the previous organisation for the purpose of seniority in the new organisation. Such employees are to be treated as fresh entrants in the matter of

their seniority, promotion etc. These orders have been consolidated in Govt of India, Ministry of Personnel, Public Grievances and Pension (Department of Personnel & Training) OM No. 22011/7/86-Estt(D) dated 03 Jul.86 (Annexure II) a copy of which has already been supplied to the applicant vide this Station's letter No.HAK/2436/10871/PC dated 08 Feb.92 (Annexure - III) on his personal request.

10. It is further stated that the applicant on his being declared surplus and absorbed as a Telephone operator at AF Station, Hakimpet, readily accepted the said post in the lower scale of pay and did not apply for reversion to the Clerical Cadre. Thereafter the issuance of Govt. orders relaxing the minimum educational qualification vide Min. of Defence letter No.Air HQ/23049/14/PC-5/Vol.IV/2742/S/D (Appts) dt. 26 Jul.76, (Annexure-IV) he submitted his first application dt.23 Dec. 76 (Annexure-V) requesting for fixation of pay in higher scale of pay as Telephone Operator and not for his reversion to the clerical cadre or for counting his former service towards Telephone operator post, except on 15 Mar.79 (Annexure-VI) the applicant had submitted an application requesting absorption back to the clerical cadre in regular vacancy with confirmation, promotion benefits or to give him the benefits applicable to Civ. Tel. Optr. for higher grade of pay, promotion, confirmation etc. without any discrimination of his being a matriculate or not. Accordingly his case for fixation of pay in higher scale effective from date of his absorption as Telephone operator i.e. 20 Feb. 68, was taken up with higher authorities and finally accepted during 1989 and resulting arrears paid to him.

Subsequently the applicant prayed for early payment of arrears of pension consequent of change in basic pay, without mention of counting his clerical service, seniority and promotion thereon. Before applicant's request was received, his case was initiated for revision of pension and other non-effective benefits, which was paid to him later on.

11. It is further stated that unless an individual resumes higher duties with higher pay scale, which will be possible only during in service he cannot be promoted. The individual ought to have claimed for promotion while in service instead of for fixation of pay in the higher scale, which has been sanctioned. This also clearly shows the ulterior motives of the individual knowingly.

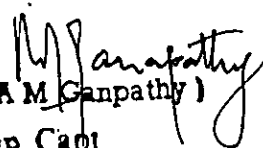

12. With regards to averments made in para 5 it is submitted that the period of limitations prescribed under Section-21 of Administrative Tribunals Act, 1985 has been exceeded since the applicant retired on superannuation from service w.e.f. 30.9.85 (A/N). Hence the O.A. is highly belated, and on this ground alone the O.A. is liable to be dismissed in limine.

13. With regard to averment made in para 6(a) of the application, it is submitted that the applicant was appointed as IDC against airman vacancy and continued in the post till he was declared surplus in the post of IDC and absorbed as Telephone Operator w.e.f. 20 Feb. 68 and subsequently the applicant's pay provisionally fixed at Rs.167/- p.m. in the lower scale of Rs.110-180 duly protected his pay drawn as IDC. After protracted correspondence finally the authorities agreed

to fix the pay of applicant in higher pay scale of Rs.110-240 from the date of the applicants absorption as Telephone Operator during 1989. Accordingly the pay had been fixed and resulting arrears were paid to him. Thereafter the applicant prayed for early payment of pension arrears consequent on change of basic pay due to fixation of pay in the higher pay scale as requested by him. Before the applicants request, was received, his case was initiated for revision of pension and other non-effective benefits, which were paid to him later on.

14. It is further submitted that the applicant on his being rendered surplus and absorbed as Telephone Operator at Air Force Station Hakimpet, readily accepted the said post without any Hesitation/protest in the lower scale of pay and did not apply for reversion to the clerical trade for almost 9 years till such time the Govt. issued orders relaxing the minimum educational qualification vide Ministry of Defence letter No.Air HQ/23049/14/P C-5/Vol.IV/2742/S/D(Appts) dated 26 Jul.76 (Annexure-IV). Only thereafter he had submitted his first application dated 23 Dec.76 (Annexure-V) requesting for fixation of pay in the higher pay scale as Tele/Optr and his reversion to clerical cadre or for counting his former service as LDC towards telephone operator's post except on 15 Mar.79 (Annexure-VI) where the applicant had submitted another application requesting for absorption back to clerical cadre in regular vacancy of LDC with confirmation, promotion benefits or to give him the benefits applicable to telephone operator

like higher grade of pay, promotion and confirmation without any discrimination of whether matriculate or not.

15. Though it was agreed that the educational qualifications of the applicant was relaxed and he was given higher pay scale from the date of his absorption during May, 89 i.e. after a lapse of 4 years of retirement of service, the applicant's seniority as IDC has not been taken into consideration in the post of Telephone Operator since the employee rendered surplus is to be treated as fresh entrant vide Ministry of Home Affairs, OM No. 3/27/65-CS-II dated 25 Feb 66 and OM No. 9/22/68-Estt(D) dated 6 Feb. 69 (Annexure-I). The applicant's contention that the grievance regarding reckoning of service rendered as IDC for fixation of seniority and promotion were not considered and disputed of, is totally baseless in view of the directive from the Ministry of Home Affairs as stated above. It is further more submitted that the seniority list circulated by Air Headquarters vide their letter No Air HQ/23046/83/Tele Staff/1985/PC(DPC) dated 28 Feb. 85 (Annexure-VII) received at this Station 6 months prior to his retirement on superannuation from service was also circulated to the applicant for checking the correctness or otherwise and signature obtained. This has also not been disputed by the applicant while signing the seniority list, though the applicant should have raised objection, if any, in view of his fast approaching retirement date, to ratify the date of his seniority to claim his promotion in time while in service itself as IDC towards telephone operator post. The applicant ought to have claimed his seniority at least at the last leg of his service or immediately after his retirement. Instead of claiming seniority,

the applicant started insisting more on fixation of pay in higher pay scale which at last has been considered favourably. After fixation of pay and revision of pension in the higher pay scale and after drawal of arrears of pay and pension, the applicant has brought out the seniority point vide his application dated 5 Aug.80 i.e. after a lapse of almost 5 years of his retirement, which is considered time barred as per Section-21 of Administrative Tribunal Act, 1985.

16. The relevant orders on fixation of seniority have also been supplied to the applicant on 8 Feb.92 immediately on receipt of the same from the higher authorities. Hence the contention of the individual that the relevant orders were not supplied to him is baseless.

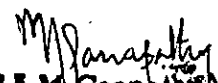

17. With regard to the applicant's averments in para 6(d) it is submitted that the contention of the applicant that he had drawn only one pay scale for his entire service of 34 years is baseless. He had drawn two pay scales i.e. 110-180 (as IDC) and 110-240 (as Telephone Operator) with resultant revision of pay scales under CDS (RP) Rules, 1973. It is further submitted that Rule prohibits to take his clerical seniority in the telephone operator post vide Ministry of Home Affairs OM No.3/27/65/CS-II dated 26 Feb.66 and OM No.9/22/68/Estt(D) dt 6 Feb 69 (Annexure-I) which specifically lays down that employees rendered surplus are to be treated as fresh entrants. The order of Air HQ is quite legal and not arbitrary as contended by the applicant.

18. With regard to averments in para 7, it is submitted that at the time, of his case for higher pay scale being progressed, he did not make a mention for claiming his seniority as IDC towards Telephone Operator's post or at the time while he sought for arrears of payment on account of fixation of pay in the higher pay scale and revision of pension.

19. It is further brought out that after enjoying the benefits on account of fixation of pay in the higher pay scale and revision of pension, the applicant brought out the seniority point which he had requested once during 1979, but he had given an option to the effect that either he should be reverted to IDC or he may be given higher pay scale as a Telephone Operator, in his application during 1979. He mainly stressed the point of seniority on 5 Aug.90 i.e. after a lapse of 5 years of his retirement from service on superannuation which he ought to have claimed before retirement or atleast immediately after retirement.

20. It is further submitted that unless the applicant resumes higher duties on promotion with higher pay scale which will only be possible during service time and not after retirement. The applicant ought to have claimed for promotion while in service, instead of fixation of pay in higher pay scale, which has been considered during the May.89, and which has become final, and the applicant retired.

Judgement

(As per Hon. Mr. Justice V. Neeladri Rao, VC)

Heard Sri P. Chandra Mouli, learned counsel for the applicant and Sri N.V. Ramana, learned counsel for the respondents.

2. The applicant, late Jayaraj, joined as LDC on 18-9-1951 in R-4 Organisation as against Airmen vacancy and he continued in the said post till 1968. He was absorbed as Telephone Operator on 20-2-1968 in the pay scale of Rs.110-180. and he retired in the said post in 1985.

3. As late Jayaraj was not a matriculate and as matriculation is the minimum educational qualification for the post of LDC/Telephone Operator, it is stated that he was not given pay scale of Rs.110-240 which was applicable to the Telephone Operators. But Government of India by order dated 26-7-1986 vide Annexure-I passed orders relaxing the prescribed minimum educational qualification of the applicant and 28 others. But when they were not given the benefit of the pay scale of Rs.110-240 from the date of their respective appointment as Telephone Operators, a representation was made, and ultimately the Station Commander and CGO Officer incharge of Civil Administration recommended on 16-11-1985 for the fixation of pay of the applicant in pay scale Rs.110-240 with effect from 20-2-1968, and that the service rendered by the applicant from 18-9-1951 to 20-2-1968 shall be reckoned for the purpose of seniority and promotion in the cadre of Telephone Operator and hence *it is prayed that* he should be promoted to the post of Telephone Operator Gr.I and he should be further promoted as Telephone Supervisor.

4. The Government of India had given sanction for re-fixation of the pay of the applicant with effect from 20-6-1968 in the pay scale of Rs.110-240 and in the pay scale of Rs.260-480 from 1-1-1971 and stagnation increment was given on 1-7-1983 vide order dated 20-6-1989 (vide annexure-4) and accordingly the applicant was paid all arrears.

5. But as the recommendations for reckoning the service of the applicant from 1951 for fixation of seniority and consequential promotion to the post of Telephone Operator Gr.I and Telephone Supervisor were not accepted by the Government, this OA was filed for declaration that the order No.AIR/HQ/23046/83/Tele staff/PC/DPC dated 2-5-1991 whereby his request for the above was not acceded to, is illegal, arbitrary and void and for a consequential direction to the respondents to reckon the period of service as LDC from 18-9-1951 to 20-2-1968 as the service in the Telephone Operator Gr.II and for all consequential benefits like promotion from the date when his juniors were promoted and for pay in the higher payscales.

6. It was pleaded for the respondents that as the relaxation was ~~not~~ made only in 1976, the applicant is not entitled to the reliefs claimed in this OA. The further contention for the respondents is that as the applicant had retired from service in 1985 ^{and} thus long prior to the filing of this OA (it was presented on 5-2-1992), the applicant will not be entitled to pay in the promotional post even if it can be held that the period of service from 18-9-1951 had to be reckoned for fixation of seniority, and thereby his case ^{has to} ~~had to~~ be considered for promotion to the post of Telephone Operator Gr.I and also to Telephone Supervisor. The further submission for the respondents is that as the applicant retired from

service long before the filing of the OA, the question of fixing the notional pay in the higher post in which he never worked does not arise.

7. There is force in the contentions for the respondents. This is a case where the Principle of 'No pay no work' has to be applied as the applicant never worked in the promotional does not arise. As such we are not adverting to the plea as to whether in view of the relaxation that was made in 1976, the period of service from 18-9-1951 has to be reckoned for fixation of seniority.

8. It is not known as to whether the period of service from 18-9-1951 till 20-2-1968 the date on which the late Jayarao (Jayarao died during the pendency of this OA and his LRs have come on records as per orders in the MA.803/95) was absorbed as Telephone Operator on 20-2-1968 was included in qualifying service for fixation of pension. If the same was not reckoned for qualifying service, the LRs of Jayarao, if so advised are free to make a representation to R-4 in regard to the same and if such a representation is going to be made, the same has to be disposed of in accordance with law.

9. Subject to the above, the OA is dismissed. No costs. //

After receipt of the letter from my husband's Advocate only I came to know about the pendency of the O.A., Immediately I contacted my husband's Advocate on 20-02-1975 and enquired about the case. After ascertaining the pendency of the case I am filing this Miscellaneous Application to implead me as Applicant as the legal representative of the Applicant. Affidavit of Smt.sakku Bai.

I, M.sakku Bai w/o.Jaya Rao, aged about 56 years,
R/o.Secunderabad do hereby solemnly affirm and state as
follows :-

1. I am the proposed applicant in the above O.A.
The applicant in the O.A. was my husband.
2. I submit that my husband was filed O.A.No.92/92
before this Hon'ble Tribunal for a direction to the
respondents to reckon the period of his service as L.C.C.
from 18-9-1951 to 20-2-68 as the service in Telephone
operator grade-II and give all consequential benefits
lime promotion from the date when his juniors were
promoted and pay in the Higher scale. The said O.A.
was admitted during Feb'92 and it is pending before
this Hon'ble Court/tribunal. I submit that during the
pendency of this O.A., my husband died on 20-4-1993. I am
not aware of the pendency of the case before this
Hon'ble Court. During December, 1994 my husband Advocate
has written a letter to my old address about the listing
of the case for final hearing. My previous house owner
has handed-over that letter to me on 19-2-1995.

After receipt of the letter from my husband's Advocate only I came to know about the pendency of the O.A., Immediately I contacted my husband's Advocate on 20-02-1995 and enquired about the case. After ascertaining the pendency of the case I am filing this Miscellaneous Application to implead me as Applicant as the legal representative of the Applicant. Except myself there are no L.Rs. to my husband as our only daughter is married. I submit that the delay in filing the L.R. Petition is neither wilful nor wanton except due to the circumstances stated above. I submit that the relief prayed in the O.A. is also for consequential benefits. It is therefore prayed that this Hon'ble Tribunal may be pleased to add the Applicant herein as legal representative of the deceased Applicant as otherwise I will be put to serious loss and hardship. and further it is prayed that this Hon'ble Court may be pleased to condone the delay of 230 days in filing the L.R. Petition as the same is neither wilful nor wanton and non-receipt of letter from my house owner. Immediately on receipt of letter I approached my counsel.
