This is an application filed under Section 19 of the Administrative Tribunals Act to direct the respondents to continue the applicant in service and further to regularise his service in the present cadre with all consequential benefits and grant such other relief or reliefs as may deem fit and proper in the circumstances of the case.

2. The applicant is working as Sweeper-cum-Water carrier in the office of the Asst. Collector, Central Excise, Hyderabad II Division. During the course of the admission hearing of this CA it was brought to our notice that the services of the applicant ^{services might be} ~~had been~~ terminated by the respondents ^{at any time} ~~by an order passed in this month~~. As could be seen the applicant had approached without first approaching the respondents for redressal of his grievance/grievances. In view of this position we are of the opinion that this CA could be disposed of at the admission stage by giving appropriate directions.

3. The applicant to make a representation to the respondents with regard to the redressal of his grievance/grievances within 2 weeks from today i.e. from the date of this order. The respondents shall receive the said representation made by the applicant and shall pass final orders on the said representation of the applicant expeditiously as possible.

4. Mr. G. Parameswara Rao, Advocate for the applicant for interim relief. It is the argument of the counsel for the applicant ~~that~~ if the termination orders are given ~~effect~~, that the applicant would practically be in the streets. In view of the submission of the counsel for the

and in the interests of Justice as an interim measure we direct the respondents to continue the applicant in service.

service in his present post until final orders on the said representation of the applicant are passed.

6. The applicant would be at liberty to approach this Tribunal afresh in accordance with law if the applicant is aggrieved by the final orders passed by the respondents. With the above said directions this CA is disposed of with no order as to costs.
