of pay of Rs.1200-2040. Their promotional post is Senior Civilian Technical Training Instructor in the scale of pay of Rs.1400-2300. They prayed in this O.A. for merging both the grades and granting them the scale of Rs.1400-2300. Their main contention is that both the Senior and Junior Civilian Technical Training Instructors are performing the same <sup>and same</sup> duties and hence the ~~very~~ difference in classification is not warranted and they should be brought under the same designation i.e. the Senior Technical Training Instructor. The second contention is that both the Junior and Senior TTIs were appointed more or less having similar qualifications. Age wise also they are hence it may not be possible for the Jr. similarly placed Civilian Technical Training Instructor get promoted as Sr. Civilian TTIs as the incumbents in the Sr. Civilian TTIs also <sup>at the same time</sup> retired as the applicants herein. As the cadre is small, ~~one~~ comprising of 10 members each, there may not be difficulty in merging the cadres.

2. The case ~~was~~ heard for some time yesterday. Shri NR Devaraj. also pleaded <sup>the case</sup> ~~for reduction of the scale~~. When this case was taken up today for further hearing, the learned counsel for the applicant submitted that a representation has been filed to the 5th Pay ~~Commission~~ Revision Committee through the Union for amalgamating both the cadres and for grant of Rs.1400-2300 scale. Hence he submitted that he will file a fresh OA if their request is not considered by the 5th Pay Revision Commission, ~~and recommended~~.

3. In view of what is stated above, the O.A. is disposed-of

as not pressed but <sup>with</sup> liberty to file a fresh O.A. for the same relief if necessary after publication of the 5th Pay Revision Commission Report.

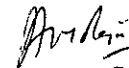

4. The Original Application is ordered accordingly. No order as to costs.
