The Tribunal made the following order:-

After perusing the Report of Vigilance Commission, dated 5.3.92, we do not feel that there is a prima facie case for granting interim stay as prayed for. But in the circumstances, it is just and proper to order that any promotions that are going to be made on the basis of the performance in the interview, the same will be subject to the result in this OA and the said fact had to be mentioned in the orders of promotions if they are going to be issued.

Post it for final hearing on 30.11.1993 for counter in the meanwhile, below admission matters.
