SUBJECT IN BRIEF:

The applicants are recruited directly as Public Health Nurses in scale Rs.455-700 corresponding to scale Rs.1640-2900 (IV-PC). Consequent to the decision to merge the Public Health Nurses into cadre of Nursing Sisters by changing the designation without change in grade, seniority etc., their names were interpolated into the Seniority List of Nursing Sisters. By impugned orders, their names were deleted by the Respondent No.3 from Seniority List thereby preventing them from appearing viva voce to next promotional post of 'Matron' in scale Rs.2000-3200 for which they have already qualified in the written test. The applicants are thus aggrieved by the impugned orders and hence this O.A.

4. Jurisdiction of the Tribunal u/s-14 of the Administrative Tribunals Act, 1985:-

The applicants declare that the subject matter of the O.A. pertains to service conditions of the Civil servants of the Union of India and that applicants No.2 and 3 as also the Respondents No.2 and 3 reside within the State of Andhra Pradesh and therefore this Hon'ble Tribunal has got jurisdiction to entertain this O.A.

T. G. S.

5. Limitation U/s-21 of the Administrative Tribunals Act, 1985:-

The applicants further declare that the impugned orders are passed by the Respondent No.3 on 28-12-1992 and 12-1-93 by which the applicants are prevented from appearing in viva voce test to be held on 24-2-93 for the post of 'Matron' and there is no speedy and efficacious alternative remedy than to approach this Hon'ble Tribunal for the reliefs and hence within the limitation under section 21 of the Administrative Tribunals Act, 1985.

6. FACTS OF THE CASE:-

6.1 It is submitted that all the applicants were initially recruited as Public Health Nurses in pay scale of Rs.455-700(RS) corresponding to scale of pay Rs.1640-2900 in IV-Pay commission scales through the Railway Service Commission/Railway Recruitment Board. All the applicants possess the qualification of B.Sc., (Nursing) which is required for the recruitment of the post of a Public Health Nurse. Applicant No.1 herein was appointed as Public Health Nurse on 1-12-1972; Applicant No.2 was appointed on 21-12-1976 while the Applicant No.3 was appointed on 28-4-1982. Letter dated 28-9-1981 issued to third applicant herein by the Chairman, Railway Service Commission, Secunderabad indicating the selection as Public Health Nurse for which scale of pay is mentioned as Rs.455-700 is attached as ANNEXURE-I-P-1.

6.2 It is submitted that the main O.A. is filed against the impugned order No.P(MD)529/FWO dated 28-12-92 and the subsequent communication P(MD)612/NS/Vol.III dated 12-1-1993 issued by the Chief Personnel Officer and Respondent No.3 herein. It is submitted that in the Respondents' department, to promote Family Welfare work, a separate wing viz Family Welfare

Organisation is formed within the Medical Department. In the said organisation, a few posts of Public Health Nurses in scale of pay Rs.455-700(RS) with necessary qualifications viz B.Sc., (Nursing) are existing. The applicants No.1 to 3 were recruited through the Railway Service Commission/Railway Recruitment Board directly and appointed as Public Health Nurses. While it was so, the Ministry of Railways (Railway Board) issued circular No.E(NG)II-83/P.O/135 dated 3-5-1983 addressed to General Managers of all Indian Railways (ANNEXURE-II-P-2 to 4) wherein it was stated that vide Railway Board's letter dated 22-5-1979 instructions were issued for conversion of 254 non-gazetted posts held by staff of Family Welfare Organisation on the Indian Railways are made permanent. It was further stated that after conversion of the temporary posts into permanent posts in the year 1979, the Ministry of Railways was considering the question of formation of the cadre of Family Welfare Organisation and it has been decided in 1983 that the posts of Lady Health Visitors will be retained as separate category in the Medical Department. The said Lady Health Visitor post is a lower post to Public Health Nurse. The said Lady Health Visitors need a lesser qualification to hold that post. It is submitted that in the Railway Board's letter dated 3-5-83 it is clearly stated that the Public Health Nurses with necessary qualifications will be absorbed in the Medical Department of the Railways. Consequent to the absorption, the available vacancies of Public Health Nurses will be filled by Lady Health Visitors in the resultant vacancies by following the due procedure.

T. S.

6.3 It is submitted that no steps were taken by the Railways for absorption of the Public Health Nurses in the Medical Department pursuant to the Railway Board's circular dated 3-5-1983. It is further submitted that the Railway Board issued another circular No.PC-III-79/Standardisation/3 dated 19-6-1985 (ANNEXURE-III-P-5 to 8) addressed to the General Managers of all Indian Railways. In the said circular dated 19-6-1985, it was stated that the Railway Ministry pursuant to the observations of the III-Pay Commission considered the question of standardisation of designations of various categories of posts in the Medical Department and it was decided that the existing designations of various categories of both Group-'C' and Group-'D' posts be replaced by the standardised designations as mentioned in the Annexure to the circular. It was further made clear by the said circular that the revised designations should be adopted without change in the pay scales, method of recruitment, seniority and avenues of promotions. In the Annexure to the Railway Board's circular dated 19-6-85, in column No.2 the existing designations were indicated; in column-3 the reference number to the pay schedule was indicated; in column-4 the revised designations were indicated and column-5 the revised pay scale was mentioned. In that circular's annexure, as per item No.11, the existing designation of Public Health Nurse was revised as "Nursing Sister" while the scale of pay of Rs.455-700 (RS) remain unchanged both in the old designation and also in the ~~new~~ revised designations as was referred to in pay schedule No.27 of III-Pay Commission. In the same Railway Board's letter, at item No.41, against the existing Public Health Nurses, the revised designation was stated to be "Nursing Sister" as per reference to pay schedule No.27 of III-Pay

T. Lee

Commission. However, the scale of pay was wrongly mentioned as Rs.425-700 instead of Rs.455-700 (RS) in as much as there is no scale of Rs.425-700 in the Nursing Sister cadre on that date. The said fact of mistake is evident in the same Railway Board's circular - item No.4 of Annexure where the scale of pay of 'Nursing Sister' is mentioned as Rs.455-700 (RS) and Staff Nurse scale is mentioned as Rs.425-640 (RS). Staff nurse category is not existing in the Family Welfare Organisation.

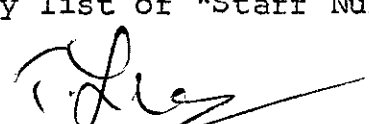

6.4 It is submitted that pursuant to the Railway Board's instructions, steps were taken for absorption of Public Health Nurses into the Medical Department in the cadre of "Nursing Sisters" duly changing the designation of Public Health Nurse as 'Nursing Sister' as the scales of pay of Public Health Nurse and Nursing Sister is one and the same i.e Rs.455-700 (RS). It is submitted that the Railway Board issued another circular No.E(NG)I/87/PM/20/2 dated 27-1-1988 (ANNEXURE-IV-P-9) addressed to General Managers of all Indian Railways suggesting that appropriate action may be taken by the Railway Administrations and if considered necessary recast the channels of promotion in respect of the isolated categories. Public Health Nurse category is one which is isolated one and no avenue of promotion for advancement. The Railway Board also issued guide-lines in this regard for taking action by Railway Administrations in consultation with the Recognised Unions. Accordingly the General Manager and Respondent No.2 herein called for Permanent Negotiating Machinery (PNM) meeting No.LXII on 20-9-90 and 21-9-90 with the South Central Railway Employees' Sangh. In that meeting and subject (ANNEXURE-V-P-10) No.2 it was recorded in the minutes that Public Health Nurses recruited by the Railway Recruitment Board will be straight-way absorbed in the cadre of Nurses with protection of seniority for which orders will be issued

T. R.

immediately. Pursuant to that, the Chief Personnel Officer and Respondent No.3 herein issued proceedings No.P(MD)529/FWO/Vol.IV dated 5-11-1990 (ANNEXURE-VI Pages-11 & 12) wherein it was stated that the Public Health Nurses in scale Rs.455-700 corresponding to the scale Rs.1640-2900 in IV-Pay Commission are absorbed as Staff Nurses in scale Rs.425-640 corresponding to scale Rs.1400-2600 in IV-Pay Commission in the Medical Department. In that proceedings, the names of applicants were mentioned. However, this is a wrong/defective order in as much as Public Health Nurses ^{who} are in scale Rs.455-700 corresponding to scale of pay Rs.1640-2900 in IV-Pay Commission are sought to be absorbed in lower scale category viz Staff Nurses for which scale is Rs.425-640 corresponding to scale of pay Rs.1400-2600 in IV-Pay Commission thereby amounting to reduction in rank. At the outset it is submitted that neither in the Railway Board's letter No.E(NG)II_83/PO/135 dated 3-5-1983 (Annexure-II-P-2 to 4) nor in Railway Board's letter No.PC-III/79/Standardisation (Annexure-III-P-5 to 8) /3 dated 19-6-85, nor in the Railway Board's letter No.E(NG)I/87 /PM/20/2 dated 27-1-88 (Annexure-IV-P-9) nor even in the PNM Meeting held on 20-9-90 & 21-9-90 (Annexure-V-P-10) it is mentioned that Public Health Nurses will be absorbed as Staff Nurses which is a lower grade. It is further submitted that in the Railway Board's circular dated 3-5-83 in para-2 at 3rd sentence it is stated "THERE ARE ALSO A FEW POSTS OF PUBLIC HEALTH NURSES IN SCALE Rs.425-700 WITH NECESSARY QUALIFICATION REQUIRED FOR THE STAFF NURSES ON THE RAILWAYS. THESE NURSES MAY BE ABSORBED IN THE MEDICAL DEPARTMENT OF THE RAILWAYS AND THEIR POSTS FILLED BY LADY HEALTH VISITORS IN THE FAMILY WELFARE ORGANISATION".

(Signature)

It is submitted that the scale of Public Health Nurses was wrongly mentioned as Rs.425-700 in as much as such a scale of pay is not existing at any point of time to the Public Health Nurses. The existing scale is only Rs.455-700 corresponding to scale of pay of Rs.1640-2900 in IV-Pay Commission. It is further submitted that the qualification required for Staff Nurses is only a Diploma in General Nursing of 3-years duration whereas the necessary qualification for a Public Health Nurse B.Sc., (Nursing) of 4 years duration which is a Degree by itself. But erroneously it was stated in the said letter of the Railway Board that the Public Health Nurses in scale Rs.425-700 with necessary qualifications required for Staff Nurses are existing. However, in the said letter, it was not stated anywhere that the Public Health Nurses should be absorbed as Staff Nurses in the Medical Department. In the same way, in the Railway Board's letter dated 19-6-85 at item No.11 it was clearly mentioned that the Public Health Nurses are re-designated as "Nursing Sisters" while pay scale remain unchanged at Rs.455-700 corresponding to scale of pay Rs.1640-2900 in IV-Pay Commission. But unfortunately, the earlier mistake which must be a typographical error occurred in Railway Board's circular dated 3-5-83 viz wrongly mentioning of scale of Nursing Sister as Rs.425-700, was carried in subsequent Railway Board's letter dated 19-6-85 at item No.41 under "Family Welfare" heading. Going by same mistake of wrongly mentioning of the scale but not correctly mentioning of designation viz the re-designation of Public Health Nurse as "Nursing Sister" the above proceedings No.P(MD)/529/FWO/Vol.IV dated 5-11-90 (Annexure-VI P-11 & 12) was issued by the Chief Personnel Officer and Respondent No.3 herein duly interpolating the seniority of Public Health Nurses in the seniority list of "Staff Nurses". Therefore,

the matter was taken up in the subsequent Permanent Negotiating Machinery meeting with the South Central Railway Employees' Sangh by the General Manager in which the General Manager is the Chairman. This Meeting ~~to~~ No.LXV was held on 21-8-91 and 22-8-91. The mistake committed by the Department was realised after lengthy discussion and then a fresh Office Order No.MD-63/91 was communicated in the proceedings (ANNEXURE-VII-P-13) No.P(MD)529/FWO/Vol.IV dated 25-9-91 by the Chief Personnel Officer and respondent No.3 herein wherein it was clearly mentioned that in pursuance of the minutes recorded on Subject No.8 of LXV P.N.M.Meeting with SCRE Sangh/Secunderabad held by GM on 21-8-91 and 22-8-91, the seniority of Public Health Nurses in scale Rs.455-700 corresponding to scale of pay Rs.1640-2900 in IV.Pay Commission, is interpolated in the seniority list of Nursing Sisters in the same pay scales in the Medical Department. It was stated ~~stated~~ therein that on interpolation for seniority, their interpolated seniority among Nursing Sisters in the Seniority list Published vide Office letter No.P/MD/612/NS/III of 31.1.89 is as detailed below:

"Sl No.	Name S/Smt.	Date of appoint-ment.	Name interpolated between the names in the seniority list
1.	S.Padmavathi.	1-12-72	Above Smt.D.R.Borgai S.No.1.
2.	I.Viswabharathi	21-12-76	Above Smt.D.R.Borgai, S.No.1.
3.	V.Pushparajyam.	28-4-82	Above Smt.Ratna Munuswamy, S.No.25 and below Smt.M. Vijayaalakshmi, S.No.23.
4.	Smt.K.Vimalaratnam	PHN/BZA will retain her own seniority as Staff Nurse at Sl.No.120 (DOA:13-9-84) of the revised seniority list as her initial appointment was Staff Nurse.	

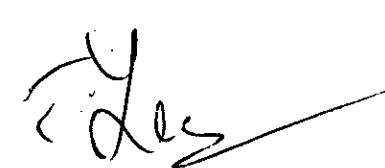

It is further stated that the earlier defective order dated 5-11-1990 is cancelled. Pursuant to that, the up-dated provisional seniority list was issued in the

Proceedings No.P/MD/612(NS)/Vol.II dated 1-7-1992 issued by Respondent No.3 herein i.e Chief Personnel Officer. (ANNEXURE-VIII-P-14 & 15). The said seniority list was circulated among the staff concerned and the staff were advised that if they have any grievances in regard to their seniority position, date of appointment etc., now published, they should submit their representations within one month from the date of issue of the letter. It was made clear in that letter that no representations regarding seniority received after the period stipulated above will be considered. It is submitted that in the said Provisional Seniority List dated 1-7-1992 of Nursing Staff, the applicant No.1 was placed at serial No.1, applicant No.2 was placed at serial No.2 and applicant No.3 was placed at serial No.5. It is submitted that the applicants understand that there are no representations received by the Administration within the stipulated time of one month from 1-7-1992. Therefore, the provisional seniority list became final in as much as it was made clear that no representations received after the time stipulated will be considered.

6.5 It is submitted that next promotional avenue for the "Nursing Sisters" is "MATRON-Grade-II" in scale of pay Rs.2000-3200(RSRP) which is a selection post. The respondents-Railway Administration identified 22 posts of Matrons in the month of August,1992 i.e after the stipulated time for submitting representations on seniority list is over, And Respondent No.3 herein issued Proceedings No.P(MD)608/Matron/Vol.III dated 26-8-92 (ANNEXURE-IX-P-16 to 20) wherein the eligible candidates are alerted to be in readiness to appear for written test tentatively fixed on 10-10-1992. The said alert notice was issued following the rule of 1:3 ratio to fill in the 22 posts of Matrons. Therefore, altogether 66 candidates belonging to the cadre of Nursing Sisters

were alerted and another 13 candidates were kept as Standby. In the said alert notice, applicant No.1 being the senior-most in the Nursing Sisters cadre was correctly shown at serial No.1 and applicant No.2 was shown at serial No.2 and applicant No.3 was shown at serial No.5. The written test was conducted on 10-10-92 and by the proceedings No.P(MD)608/Matron/Vol.III dated 23-11-92 (ANNEXURE-X-P-21 & 22) issued by the Chief Personnel Officer and Respondent No.3 herein the results of the written examination was notified and it was clearly stated that the applicants herein have been declared as qualified for being called for viva-voce test.

6.6 It is submitted that having successfully in the written examination, while the applicants were preparing to face the viva voce test fixed to be held on 16-2-93, like bolt from the blue, the Memorandum No.P(MD)529/FWO dated 28-12-92 (ANNEXURE-XI-P-23) issued by the Chief Personnel Officer and Respondent No.3 herein was served on the applicants on 4-1-1993, in which it is stated that the decision taken to interpolate the seniority of the applicants in scale Rs.455-700(RS)/Rs.1640-2900(RSRP) in the seniority list of Nursing Sisters category in medical department is cancelled. In the said proceedings, the reason for cancellation is that the contents of the Railway Board's letter No.E(NG)II/83/PO/135 of 3-5-1983 has not been correctly appreciated. It was further stated that a further communication will follow. The applicants waited for the above stated further communication from the Respondents and accordingly the proceedings No. P(MD)612/NS/Vol.III dated 12-1-1993 (ANNEXURE-XII-P-24) issued by the Chief Personnel Officer and Respondent No.3 was served on the applicants in which it is stated that

"CONSEQUENT TO THE FORMATION OF FAMILY WELFARE ORGANISATION IN TERMS OF GUIDELINES ISSUED BY THE RAILWAY BOARD VIDE THEIR LETTER NO.E(NG)II-83/PO/135 DATED 3-5-83, PUBLIC HEALTH NURSES MAY BE ABSORBED IN THE CATEGORY OF STAFF NURSES ON THE RAILWAYS."

It was further stated that :

"THIS WAS ERRONEOUSLY MIS-INTERPRETED TO INTERPOLATE YOUR SENIORITY IN THE NURSING SISTERS CATEGORY IN SCALE Rs.455-700 (RS/Rs.1640-2900 (RSRP), WHICH IS THE INTERMEDIATE GRADE OF THE CADRE OF NURSING SISTERS. IF DONE SO, IT WILL JEOPARDISE THE INTEREST OF THE EXISTING NURSING SISTER IN GRADE Rs.1640-2900 AND RIGHTLY SOME OF THEM REPRESENTED AGAINST THE SENIORITY LIST IN THE CONTEXT OF THE SELECTION OF MATRON. HENCE, IT HAS BEEN DECIDED BY CPO TO CANCEL THE OFFICE ORDER NO. P(MD)529/FWO/Vol.IV Dt.25-9-91 TO ABSORB YOU IN GRADE Rs.455-700/1640-2900 (RSRP) AS NURSING SISTERS."

It is submitted that the impugned order dated 28-12-92 served on 4-1-1993 and subsequently communication dated 12-1-1993 passed by the Chief Personnel Officer and Respondent No.3 herein are illegal, arbitrary and violative of Articles 14 and 16 of Constitution of India.

6.7 It is further submitted that the applicants were not given any notice or opportunity to represent against the proposed decision to delete the names of the applicants from the Seniority List of Nursing Sisters which in fact became final on the expiry of the prescribed period of one month i.e as on 1-8-1992. The impugned order and the subsequent ~~xx~~ order are arbitrary in as much as that not only the principles of natural justice were violated but also the decision was taken behind back of the applicants and that too just a few days ~~x~~ from the date of viva voce i.e now fixed on 24-2-1993. The applicants having been

declared successful in the written examination and informed that they were qualified for the viva voce are being illegally prevented on the wrong assumption that the decision taken was due to erroneously mis-interpreting the Railway Board's letter No.E(NG)II-83/PO/135 dated 3-5-1983. At the outset it is submitted that the Chief Personnel Officer and Respondent No.3 herein invited objections not from the applicants but from the recognised Trade Unions to express their comments on the decision taken in the impugned order dated 28-12-92 and subsequent communication dated 12-1-1993. It is submitted that the Trade Union expressed their views and objections on various grounds vide their letter dated 25-1-1993 (ANNEXURE-XIII-P-25 & 26). However, even before considering the objections raised by the Trade Union, the applicants are being prevented illegally from attending the viva voce test which is going to be held on 24-2-1993.

6.8 It is submitted that ~~the~~ in the proceedings No.P(MD)612/NS/Vol.III dated 12-1-93 issued by the Chief Personnel Officer and Respondent No.3 herein it was stated thus: "CONSEQUENT TO THE FORMATION OF FAMILY WELFARE ORGANISATION IN TERMS OF GUIDE-LINES ISSUED BY THE RAILWAY BOARD VIDE THEIR LETTER NO. E(NG)II-83/PO/135 Dt.3-5-83, PUBLIC HEALTH NURSES MAY BE ABSORBED IN THE CATEGORY OF STAFF NURSES ON THE RAILWAYS". It is submitted that the Railway Board's letter dated 3-5-1983 never stipulated that the Public Health Nurses should be absorbed in the category of Staff Nurses on the Railways which is in the lower grade of Rs.425-640 corresponding to scale Rs.1400-2600 in IV-Pay Commission and needs a lesser qualification i.e a Diploma in general nursing course of 3 years duration.

For the first time in the communication dated 12-1-93, these were sought to be pumped into the Railway Board's letter dated 3-5-1983 which is illegal, arbitrary and without jurisdiction. Apart from that, the applicants understand that no approval was taken by the Chief Personnel Officer and respondent No.3 herein from the General Manager and Respondent No.2 herein before deleting the names of the applicants from the seniority list in as much as the decision was taken by the General Manager in consultation with the Recognised Unions in the Permanent Negotiating Machinery meeting. Even assuming without conceding that the approval of the General Manager is taken by the Chief Personnel Officer, the same cannot be thrust on the applicants in as much as no opportunity was given to the Trade Unions who are parties to the decision taken in the Permanent Negotiating Machinery meeting as well as to the applicants themselves.

6.9 However, it is submitted that the mistake on the part of the Railway Board in wrongly mentioning the scale of pay of Public Health Nurses as Rs.425-700 instead of 455-700 corresponding to 1640-2900 cannot be mis-used or misinterpreted that too after lapse of long time. It is necessary in the interest of justice that it is to be declared by this Hon'ble Tribunal that the scale of pay of Public Health Nurse mentioned in the Railway Board's letter dated 3-5-83 and 19-6-1985 as error on the part of the Railway Board and Respondent No.1 herein.

7. MAIN RELIEF PRAYED FOR:-

For the reasons mentioned above, it is prayed that the Hon'ble Tribunal may be pleased to declare that the scale of pay of Public Health Nurse mentioned in para-2 of Railway Board's letter No.E(NG)II-83/PO/135 dated 3-5-1983 which was carried in subsequent Railway Board's letter No.PC-III/79/Standardisation/3 dated 19-6-1985 at item No.41 in the Annexure as wrong and

and mistake on the part of the first respondent herein and consequently declare that the Seniority List of Nursing Sisters of South Central Railway published in the proceedings No.P(MD)/612/NS/Vol.II dated 01-7-1992 as final and valid and consequently declare the Memorandum No.P(MD)529/FWO dated 28-12-92^{served on 4-1-93} and the subsequent Proceedings No.P(MD)/612/NG/Vol.III dated 12-1-1993 issued by Chief Personnel Officer and Respondent No.3 herein as illegal, arbitrary and violative of Articles 14 and 16 of the Constitution of India apart from being violative of the principles of Natural Justice, and pass such other order or orders as deemed fit and proper in the circumstances of the case.

8. INTERIM RELIEF PRAYED FOR:-

~~xxxx~~ For the reasons mentioned above, it is further prayed that the Hon'ble Tribunal may be pleased to allow the applicants to attend the viva voce test scheduled to be held on 24-2-93 in connection with selection for promotion to the post of Matron in scale Rs.2000-3200 (RSRP) or any other date or dates at Railway Hospital, Lallaguda, Secunderabad. It is submitted that the applicants have already qualified in the written test held on 10-10-92. It is submitted that in case the applicants are not allowed to participate in the viva voce test, they will be deprived of their lawful promotion along with others. On the other hand, ~~xxxxxx~~ applicants' participation in viva voce test does not affect anybody's interest in as much as the ability of the applicants will be tested in the viva voce test and it does not give a guarantee of promotion. It is, therefore, prayed that the Hon'ble Tribunal may be pleased to direct the Chief Personnel Officer (R-3) to permit the applicants No.1,2 and 3 to participate in the viva voce test to be held on 24-2-93 or on any subsequent date or dates to be notified pending final disposal of the main O.A. and pass such other order or orders as the Hon'ble Tribunal deems fit and proper.

9. DETAILS OF REMEDIES EXHAUSTED:-

It is declared that all remedies were exhausted and the applicants are left with no other speedy and efficacious alternative remedy than to approach this Hon'ble Tribunal for the reliefs.

10. MATTERS NOT PENDING WITH ANY COURT ETC.,:

It is submitted that candidates who failed in the written examination conducted as part of selection for promotion to the post of Matron in scale Rs. 2000-3200 (RSRP) viz Shaik Noorjehon Bee, Nursing Sister at Railway Hospital, South Central Railway, Guntakal and another Smt. Lilly Mercy Grace Nursing Sister at Railway Hospital, Guntakal on 11-12-92 filed O.A. No. 1081 of 1992/ on the file of this Hon'ble Tribunal in which the applicants herein were impleaded as Respondents No. 3 to 5, in which those applicants (in OA-1081/92) sought for scrapping the letter No. P(MD)529/FWO/Vol. IV dated 25-9-1991 interpolating the names ~~xxxxxxseniorityxxxx~~ of the applicants (in this OA) in the Seniority List of Nursing Sisters. In the Interim relief, Shaik Noorjehan Bee and Smt. Lilly Mercy Grace sought for relief to stay all further proceedings ~~xxxx~~ of the selection. But this Hon'ble Tribunal refused to grant Interim Order but on the other hand, the applicants understand that the O.A. was only admitted and notice was ordered. Accordingly Notices were received by the applicants herein in the month of January, 1993 in which they are directed to file their counters on 24-2-93 and date of hearing was fixed on 10-3-93. The applicants further understand that the main O.A. No. 1081/1993 was ultimately dismissed on 12-2-1993 itself by this Hon'ble Tribunal.

RAILWAY BOARD's Letter No.E(I.G)-I-87/PM/20/2
dated 27-1-1988.

SUB: Restructuring of Group-'C' and 'D'
Cadres - isolated posts.

The issue regarding restructuring of miscellaneous isolated categories and posts on the Railways has been examined in detail by the Board. These consist of posts like GASTENER OPERATORS, COMMERCIAL COURIORS, ADRENA OPERATORS, CIVIL DEFENCE INSPECTORS, PLATFORM/LUGGAGE INSPECTORS, HORTICULTURE STAFF, LIBRARIANS, LIBRARY ASSISTANTS, TICKET SORTERS (Accounts department), SANITARY INSPECTORS, MANITORS, CARE-TAKERS, HOSTEL SUPERINTENDENTS, MARKERS, LOCO POINTSMEN, PHYSIO-THERAPISTS, OCCUPATIONAL THERAPISTS, DIETICIANS, E.C.G. TECHNICIANS and a host of other similar miscellaneous Group-'C' and 'D' posts which do not form part of any cadre (wherever such is the case).

2. The Board would suggest that appropriate action may be taken by the Railway Administrations and if considered necessary recast the channels of promotion in respect of these categories. While doing so, the Railways/Production Units will, no doubt, follow the standard convention of consulting the Recognised Unions (corresponding practice in the case of Production Units) before effecting any such changes found necessary. It may also be checked up whether in respect of such of these posts as are filled on ex-cadre basis by staff drawn from other cadres, the staff concerned are allowed to retain their lien on xx and considered for promotion in their respective parent cadres as per normal rules.

3. Please acknowledge.

Subj:- Deletion of names from seniority
list of Nursing Sisters- Show Cause Notice.

....

Consequent to the formation of Family Welfare
Organisation in terms of guidelines issued by the Railway
Board vide their letter No. E(NG) II-83/20/135 dt. 3-5-83,
Public Health Nurses may be absorbed in the category of
Staff Nurses on the Railways.

This was erroneously mis-interpreted to interpolate
your seniority in the Nursing Sisters category in scale
Rs. 455-700 (PS)/Rs. 1640-2800 (RSP) which is in the inter-
mediate grade of the cadre of Nursing Sisters. If done so
it will jeopardise the interest of the existing Nursing
Sister in grade Rs. 1640-2800 and rightly some of them are
represented against the seniority list in the context of
the selection of Matron.

Hence, it has been decided by CPO to cancel the
Office Order No. P (MD) 522/TWO/Vol. IV dt. 25-8-91 to absorb
you in Grade Rs. 455-700/1640-2800 (RSP) as Nursing Sisters.

This is to inform you that you may not be continuing
on the wrong notion of your seniority being maintained as
Nursing Sister in the grade of Rs. 1640-2800 (RSP).

Sir,

Sub : Formation of Separate Family Welfare Cadre - absorption of Public Health Nurses as Staff Nurses.

Ref : Your letter no. P(MD)529/FWO/Vol.IV of 12/1/93.

The proposal to absorb the Public Health Nurses in the category of Staff Nurses in the initial recruitment grade B.425-640/B.1400-2600 (PSRP) from the date of issue of Board's letter i.e. with effect from 3-5-83 as made in your letter under reference is not acceptable to Sangh for the following reasons:-

- i) The Public Health Nurses were directly recruited in grade B.455-700 (RS) which is equal to the grade of Nursing sisters.
- ii) They were/are in possession of B.Sc.(Nursing) qualification and undergone training for 4 years.
- iii) Their designation was changed as Nursing Sisters and not Staff Nurse by the Board in their letter no. PC.III/79/Standardisation/3 dated 19/6/85 itself.
- iv) The qualification for Staff Nurses is only Diploma in General Nursing with a training period of 3 years.
- v) Board have already indicated in their letter dt. 19/6/85 that the Public Health Nurses with necessary qualification be absorbed in Medical Department.
- vi) No employee who was directly recruited to a particular grade can be absorbed in a lower grade than the one in which they were recruited. *will give bc to recruitment with rule 311 of 1980*
- When a decision was taken in the PNM to absorb them in the cadre of Nursing sisters, everyone was aware, that the grade of B.435-700/1640/2900 is an intermediate grade and it is not a new phenomenon now.
- vii) When the very cadre is abolished and the Public Health Nurses were to be absorbed in the Medical Department as per Board's orders, the same has to be done irrespective of the fact that the grade is an intermediate one with or without an element of direct recruitment.

...2

ix) While revising the seniority of Public Health Nurses absorbed in Nursing cadre in grade Rs.1640-2900 depending on length of service in Headquarters letter no.P(MD)529/FMO/Vol.IV of 25/9/1991, this was made known to all concerned.

COUNTER AFFIDAVIT FILED ON BEHALF OF THE RESPONDENTS

I, P. Seetharamaiah, son of Sri P. Raghavaiah aged 56 years, Occupation Government service, do hereby solemnly affirm and state as follows:

1. That, I am Chief Personnel Officer (IR) and in-charge of the Medical (Non-Gaz) Cadre and as such I am well acquainted with the facts of the case. I am filing this counter affidavit on behalf of all the Respondents as I am authorised to do so. The material averments in the O.A. are denied save those that are expressly admitted herein. The Applicant is put to strict proof of all such averments except those that are specifically admitted hereunder.

2. The respondent submit the brief history of the case as follows:-

(i) Medical Department has two types of cadres of Nurses - one cadre consisting of Staff Nurses, Nursing Sisters and Matrons and the other consisting of Public Health Nurses. The grades allotted to these categories prior to the revision of Scales, as a result of recommendations of IV Pay Commission, were as under:-

Category	Scale allotted Rs.

2. Nursing Sisters	455-700 (RS)
3. Matrons Gr.III	550-750 (RS)
4. Matrons Gr.II	700-900 (RS)
5. Public Health Nurses	455-700 (RS)

It is stated that though in Medical Department, there were posts of Public Health Nurses in Scale Rs.455-700 (RS) in some Railways, on this Railway there was no sanction of these posts. It is further submitted that the cadres of Public Health Nurses and Nursing staff (Staff Nurses, Nursing Sisters and Matrons) was different and cannot be interchangeable. At any rate, in as much as, the posts of Public Health Nurses are not available on this Railway, this aspect was not relevant at any time.

(ii) During the year 1967, to encourage Family Planning activities and to educate Family members of Railway employees regarding Family Planning and its benefits, it was decided to set up a Family Planning Organisation. The said Organisation included posts of Public Health Nurses in Gr.Rs.425-700 (RS). The applicants were recruited as Public Health Nurses in Family Planning Organisation. Though they were to be recruited in Scale Rs.425-700(RS), they were recruited in Scale Rs.455-700 (RS), erroneously.

(iii) It is submitted that with the introduction of Public Health Nurses in Family Planning (now Family Welfare Organisation) there came to exist three classes of Nurses viz:-

| 3. Public Health Nurses | FWC |

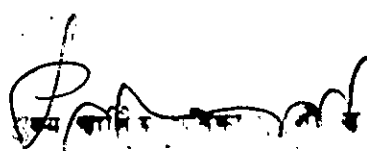

(iv) On South Central Railway, item No.2, Public Health Nurses, under Para-Medical Staff, are not available. However, the Public Health Nurses were recruited for Family Welfare Organisation were placed in Scale Rs.455-700 (RS), instead of in Scale Rs.425-700 (RS). It is further submitted that the Public Health Nurses, irrespective of whether belonging to Medical Department or Family Welfare Organisation, had no avenue of promotion to higher grades.

(v) In IV Pay Commission report, out of the above 3 categories, staff of Nursing cadre (Genl.) were given special grades keeping in view of special nature of their duties and other factors, vide Schedule No.VIII of Board's letter No.PC.IV/86/01/20/1 of 24.9.86, as under:-

Category	Scale Rs.	Revised Scale from 1.1.1986.
Staff Nurses, 425-640 (RS)-		1400-2600 (RSRP)
Nursing Sisters 455-700 (RS)-		1640-2900 (RSRP)
Matrons Gr.III 550-750 (RS)-		2000-3200 (RSRP)
Matrons Gr.II 700-900 (RS)-		

All the other categories, were to be given standard equivalent grades. In other words, the Public Health Nurses were to be given standard equivalent grade recommended in IV Pay Commission report. The grades of Rs.425-700 (RS) and Rs.455-700 (RS) were replaced by scale Rs.1400-2300 (RSRP) in IV Pay Commission report. Hence, the applicants, who were in scale Rs.425-700(RS) Rs.455-700 in Family Welfare Organisation, were to be given

the grade of Rs.1400-2300 (RSRP). Once again under wrong impression that the Public Health Nurses are eligible for the benefits of Nursing cadre, they were fitted in scale Rs.1640-2900 (RSRP), which was not supported by any rule under IV Pay Commission. The revised grades recommended in IV Pay Commission for various Nursing staff are as under:-

<u>Category</u>	<u>Revised Scale</u>		
	Rs.		
Staff Nurses	1400-2600	(RSRP)	Para Medical Staff
Nursing Sister	1640-2900	(RSRP)	
Matrons Gr.III)	2000-3200	(RSRP)	
Matrons Gr.II)			
Public Health Nurses	1400-2300	(RSRP)	
Public Health Nurses	1400-2300	(RSRP)	F.W.O.

The irregularities committed in fixing the Public Health Nurses in the revised scale Rs.1640-2900 (RSRP), came to light only when some of the Nursing Sisters represented against assigning of seniority to Public Health Nurses of erstwhile Family Welfare Organisation, above them in the category of Nursing Sisters, Scale Rs.1640-2900 (RSRP).

(vi) The Railway Board, vide their letter dated 3.5.83, issued instructions to form a separate Family Welfare cadre. Inter-alia, the Board abolished the posts of Public Health Nurses, Scale Rs.425-700 (RS) in Family Welfare Organisation, replacing by Lady Health Visitors, Scale Rs.330 - 560 (RS). The Board also instructed that the FHNs, Scale Rs.425-700 (RS), of FWO who have Qualifications required for appointment as Staff Nurses, may be absorbed in that category in Medical

Department, since there was no scope of their absorption in the new FWO cadre.

(vii) The Public Health Nurses, who ought to be in scale Rs.1400-2300 (RSRP), in FWO, were to be absorbed as Staff Nurses, scale Rs.1400-2600 (RSRP). It is submitted that equating the Public Health Nurses of Gr.Rs.425-700 (RS) to Scale Rs.1640-2900 (RSRP), under IV Pay Commission, as well as their absorption as Nursing Sisters, in Scale Rs.1640-2900 (RSRP), are irregular and erraneous.

(viii) In the month of Jan. 1993, when it was proposed to hold a selection to the posts of Matrons, Scale Rs.2000-3200 (RSRP), the applicants were shown at S.Nos.1, 2 & 5, respectively, in the seniority list of Nursing Sisters, Scale Rs.1640-2900 (RSRP), for consideration for posts of Matrons. The Nursing Sisters, Scale Rs.1640-2900 (RSRP), of Medical Department, who were aggrieved, made a representation to the administration regarding their seniority. It was at this juncture that the whole issue was examined and irregularities detected. Immediately, corrective steps were taken to delete their names from the seniority list of Nursing Sisters, scale Rs.1640-2900 (RSRP), duly cancelling the orders of their absorption as Nursing Sisters, issued in 1991. The applicants were advised of the same, vide the impugned orders. It is submitted that the applicants, who were PHNs and ought to be in Gr.Rs.1400-2300 (RSRP), are entitled to their absorption as Staff Nurses, Scale Rs.1400-2600 (RSRP), as per Board's orders of 3.5.83, and seniority in that grade from the dates

of their absorption in that grade viz., from 25.9.91, the date on which they were absorbed.

3. In reply to the contents of Para 6 of the O.A., the respondents submit their reply as follows:-

a) It is submitted that the Applicants 1 to 3 were recruited as Public Health Nurses (in short PHN) in Scale Rs.455-700 for the Family Planning Organisation and posted on 1.12.82, 8.2.77 and 28.4.82 respectively. It is submitted that the Family Planning Organisation (Now Family Welfare Organisation for short FWO) had only PHN in grade 425-700 and not 455-700. However it is true that the applicants were recruited as PHNs in 455-700. However the erroneous recruitment to Grade 455-700 has no bearing in the case since both Grades 425-700 and 455-700 was equated to 1400-2300 in the IV Pay Scales. The contention of the applicants that their recruitment grade 455-700 is equalent to 1640-2900 in IV Pay Commission Scales is not correct.

b) It is submitted that when the PHN are to be absorbed in the nursing cadre, they can be absorbed only in the initial recruitment grade i.e. Staff Nurses in Scale Rs.425-640/1400-2600. This is more so because recruitment is to be made in the lowest grade and the posts of Nursing Sisters are in the intermediate stage.

c) It is submitted that action was taken to absorb the PHN in Medical Department. While fixing Seniority, the service put in ~~as~~ PHNs was reckoned in the grade of Nursing

Sisters which was incorrect. The PHN should have been assigned the bottom seniority in the grade of staff nurses but erroneously their seniority was fixed as stated above.

d) It is submitted that the contention of the applicants in Para 6.3 that the entry in Circular No.PC. III-79/Standardisation/3 dated 19.6.83, at S.No.41, the Grade shown in respect of Public Health Nurses, redesignated as Nursing Sisters under Family Planning Organisation is false, baseless and misconceived. Public Health Nurses in Para-Medical wing are placed in Gr.Rs.455-700 (RS), whereas, Public Health Nurses in Family Planning Organisation is in Scale Rs.425-700 (RS), as per III Pay Commission Scales. It is further submitted that the equivalent grade for Public Health Nurses, Scale Rs.425-700 (RS) in IV Pay Commission is Rs.1400-2300 (RSRP) and not Rs.1640-2900 (RSRP), as contended by the applicants, though the salary were drawn in Scale Rs.1640-2900 (RSRP), under erroneous reading of the rules and Scales. It is clarified that redesignating PHNs as Nursing Sister is without change in service conditions and avenue of promotion. However this cannot bring them on par with Nursing Sisters of General & Nursing Cadre, wherein Nursing Sisters are in an intermediate grade in the avenue and the posts of which are filled up solely by promotion of Staff Nurses and none else.

e) As per Avenue of promotion of Nursing cadre, the posts of Matrons, Scale Rs.2000-3200 (RSRP), are required to be filled in by the promotions of Nursing Sisters, through a

process of selection. During the year 1992, it was proposed to hold a selection for filling up of 22 vacancies of Matrons and a notification was issued, vide this office letter of 26.8.92, advising the eligible employees, including the applicants, to be in readiness to appear for Written examination at short notice. The Written examination were notified vide this office letter of 23.11.92, ^{shall} ~~were~~ in the names of the applicants were also included.

f) As already mentioned in the pre-para, it is mentioned that the orders contained in Board's letter of 3.5.83 have not been correctly appreciated, while agreeing to the absorption of PHNs of FWO as Nursing Sisters, Some of the affected employees have also represented against the interpolation of the names of the Applicants in the seniority list of Nursing Sisters, scale Rs.1640-2900 (RSRP). The case was, therefore, examined further and was decided to cancel the orders issued absorbing the PHNs as Nursing Sisters, Scale Rs.1640-2900 (RSRP). The applicants were issued a Show-Cause Notice vide this office letter No.P(MD)612/NS/III of 12.1.93, that it was proposed to absorb them as Staff Nurses, which is the recruitment grade in the cadre of Nurses. The organised labour, were advised of the proposed deletion of the names of the Applicants from the seniority list of Nursing

Sisters. The representation received from the Organised Labour, in this connection, was examined and a reply was sent to them.

g) The contention of the applicants in Para 6.7 that Board in their letter of 3.5.83, have not indicated that the PHNs be absorbed as Staff Nurses, which is a lower grade/^{is}not correct. The Board have clearly advised that the PHNs of FWO, who possess the minimum qualifications required for staff Nurses, may be absorbed as Staff Nursing Sisters.

h) As per the interim orders passed by this Hon'ble Tribunal it was proposed to consider the applicants also for the supplementary viva-voce which was to be held on 24.2.93/^{26.2.93} along with others. The Supplementary viva-voce could not be held on 24.2.93/26.2.93 due to unavoidable circumstances. The Board, vide their letter dt.27.1.93 while communicating the orders of restructuring of certain Group 'C' cadres, have advised that the selections, which were in process and could not be finalised on 28.2.93, should be abandoned. In view of this, the selection to the posts of Matrons, which was on hand was abandoned and the vacancies existed as on 1.3.93 and those occurred as a result

of restructuring, are being filled by simplified selection. The applicants are also being considered for simplified selection and 3 posts reserved to be filled based on the outcome of the O.A.

i) It is further submitted that irrespective of the grade the posts of PHNs of FWO that carry either Rs.455-700 (RS) or Rs.425-700 (RS) are to be absorbed as staff Nurses, Scale Rs.425-640 (RS) which is the recruitment grade in the cadre of Nurses. The contention of the applicants in Para 6.9 that the Railway Board wrongly mentioned the Scale of PHNs as Rs.425-700 instead of 455-700 corresponding to Rs.1640-2900 has no basis. In fact there is no grade of Rs.455-700 for the PHNs and hence the Rly. Board correctly mentioned the Grade as Rs.425-700. However, as stated supra the recruitment of the applicants in the grade Rs.455-700 was erroneous and the applicants can not get any vested right out of an erroneous action taken by the Railway Administration.

For the reasons stated above, there are no merits in the O.A. and this Hon'ble Tribunal may be pleased to dismiss the same with such other orders as may be deemed necessary in the circumstances of the case.

(ORDER PER HON'BLE SHRI R.RANGARAJAN, MEMBER (A))

Heard Shri Rangadas for Shri T.Lakshminarayana, learned counsel for the applicants, Shri V.Bheemanna, learned standing counsel for the respondents.

2. Smt. Rashmi Choudhary, Dy.C.P.O., S.C.Railway, incharge of the medical branch was present in the court to assist in the proceedings.

3. There are three applicants in this OA. They were initially appointed as Public Health Nurses in the scale of pay of Rs.455-700 on 1.12.72, 21.12.76 and 28.4.82 respectively. It is stated that the cadre of Public Health Nurses was having no further promotion opportunities and hence that cadre was replaced by a lower grade cadre of Lady Health Visitors and the Public Health Nurses, thus rendered surplus, were to be absorbed in the main stream staff nurse cadre and to that effect a proposal was mooted by the Railway Board in the year 1982. In pursuance of that proposal, the three applicants in this OA who were appointed as Public Health Nurses in the grade of Rs.455-700 were absorbed in the staff Nurse Cadre. The Staff Nurse cadre in the Railways is having the initial pay scale of Rs.425-640.

4. No material was produced either in the reply or at the time of arguments to show that these three applicants were absorbed in the nursing sister category after giving them the option for the integration. No material is also shown informing the applicants herein that, in case, they opt

R

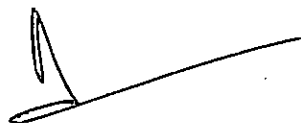

A

out of the merger, there will be no promotional prospects for them as the category of 'Public Health Nurses' is a dead-end category with no growth opportunity. No material was also forthcoming that their pay was fixed in the scale of pay of Rs.425-640 after the merger, protecting their last pay drawn in their earlier pay scale of Rs.455-700.

5. Recommendations of the Fourth Pay Commission were accepted by the Government with effect from 1.1.86. Except for the medical cadre of the Railways, the pay scale of Rs.425-640 and Rs.455-700 were merged. For medical Department the merger of the time scales of pay was not done and they were kept independent. The replacement scale for Rs.425-640 is Rs.1400-2660 and for Rs.455-700 it is Rs.1640-2900. The above fact was not denied by Smt.Rashmi Choudhary at the time of hearing and submitted that the above position is factual.

6. The applicant and others were informed by the Office Order No.D/117/90 (Lr.No.P/MD/529/FWP/Vol.IV) dated 5.11.90 (Annexure-VI) that the Public Health Nurses in the scale of pay of Rs.455-700/1640-2900 were merged along with the cadre of Staff Nurse in the scale of pay of Rs.1400-2600. It was also informed by the above quoted office order, the seniority position of the three applicants herein. By the office order No.MD-63/91 dated 25.9.91 (Annexure VII) the applicants' scale of pay was shown as Rs.1640-2900 and the interpolated seniority position of the applicants in the seniority list of Nursing Sisters in the scale of pay of Rs.1640-2900 was also indicated. It is stated in the reply that the office order dated 25.9.91 was

issued by pressure brought on the respondents by one of the recognised staff Unions. By letter No.P(MD)612/NS/Vol.II dated 1.7.92 (Annexure VIII) the seniority position of the three applicants herein vis-a-vis staff nurses in the pay scale of Rs.1640-2900 as on 1.7.92 was also issued. On the basis of the above seniority in the grade of Rs.1640-2900, they were called for selection for the higher grade post of Matron in the scale of pay of Rs.2000-3200. In the integrated seniority list of candidates called for Matron's selection, the applicants were at Sr.No.1, 2 and 5 respectively (Annexure IX to the OA). They appeared for the written test for the post of Matron and also qualified for being called for viva-voce as per letter No.P(MD)608/Matron/Vol.III dated 23.11.92. At this juncture, it is stated that the other staff nurses who were appointed initially itself in the main stream of Staff Nurses have questioned the wisdom of the respondents to interpolate the seniority of the applicants in the pay scale of Rs.1640-2900 and on that basis permitting them to appear for the matron's selection. Due to the pressure brought on the respondents by the Staff Nurses, the decision taken to interpolate the seniority of the three applicants in the scale of pay of Rs.1640-2900 was cancelled under the pretext that the Railway Board's letter No.E(NG) II/83/PO/135 dated 3.5.83 was erroneously interpreted and hence cancellation is called for by Memo No.P(MD) 529/FWO dated 28.12.92 (Annexure XI). Because of the deletion of the names of these applicants from the seniority list of Rs.1640-2900, they were not allowed to appear for the viva-voce test and the same was informed to them by letter No.P(MD)612/NS/Vol.III dated 12.1.93

(Annexure XII).

7. Aggrieved by the above memoranda, they have filed this OA challenging the communication dated 28.12.92 served on them on 4.1.93 and the subsequent proceeding dated 12.1.93 issued by R-3 as illegal, arbitrary and violative of Articles 14 and 16 of the Constitution and for a consequential direction to consider them for the post of Matron in the scale of pay of Rs.2000-3200 if they are found suitable following the provisional seniority list issued on 1.7.92 (Annexure VIII).

8. An interim order was issued in this OA dated 23.2.93. By this order, R-3 was directed to provisionally interview the three applicants also on the date of interview. However, the result of the interview shall not be published by the respondents until further orders.

9. The main argument advanced by the respondents in this OA is that the Public Health Nurses had no promotional opportunities and hence that cadre was merged with the main stream cadre of Staff Nurses in accordance with the instructions given by the Railway Board in their Memorandum dated 3.5.83 to help the Public Health Nurses. By erroneous interpretation of the Railway Board's letter, the three applicants herein were placed in the scale of pay of Rs.1640-2900 instead of the lower scale of Rs.1400-2300, after the introduction of the Fourth Pay Commission's scales of pay. Due to the pressure exerted by one of the recognised Unions, they were interpolated in the seniority list of Staff Nurses in the scale of pay of Rs.1640-2900

R

1

and on that seniority basis, they were allowed to sit for the selection of Matron. Once again when the Staff Nurses who were recruited earlier in the main stream of medical cadre objected to the interpolation of the three applicants in the scale of Rs.1640-2900, their names were rescinded from that seniority list, thus making them ineligible for consideration for the post of Matron.

10. The learned counsel for the applicants submits that they were appointed in the scale of pay of Rs.455-700 and they should be given the replacement scale of Rs.1640-2900 only after the introduction of the Fourth Pay Commission's scales of pay as there was no merger of the scales of pay of Rs.425-640 and Rs.455-700 for medical department. The relative seniority position was correctly shown in the scale of pay of Rs.1640-2900 and thus they were correctly called for the selection to the post of Matron. Further steps taken by the respondents to delete their names from the seniority list of Rs.1640-2900 is uncalled for and without any basis. The injury was inflicted on the applicants due to the pressure exercised on R-3. Hence, they pray that they should be promoted to the post of Matron, if found fit in the selection as per their seniority in the scale of pay of Rs.1640-2900.

12. The main points that arise for consideration in this OA are-

(i) Whether the applicants were given a chance to give their option for merger and if so, what option were exercised by them. Whether they were informed of their pay

R

A

fixation in the scale of pay of Rs.425-640.

(ii) Whether any notice was given while deleting their name from the seniority list of Rs.1640-2900. If no notice was given, whether the deletion of their name from the seniority list of Rs.1640-2900 after they qualified in the written exam for Matron is proper or not.

(iii) Whether any rule was followed by R-3 while including their name in the seniority list of Rs.1640-2900 and deleting their name from the seniority list or whether the action of R-3 in inclusion and deletion as above was for extraneous reasons.

13. As stated earlier, there is no record to prove that option was given to the applicants herein while merging them with the main stream Staff Nurse cadre. If option was given and the applicants did not opt for the merger, they should have been made aware of the fact that they have no future promotional prospects. If inspite of that fact, the applicants did not agree for their merger in the scale of pay of Rs.425-640, then the respondents will have no responsibility if the applicants complain later regarding lack of promotional opportunity. If they agree to merge, then their pay fixation chart should have been issued probably protecting their last pay drawn in the scale of pay of Rs.455-700 in accordance with the rules. None of the steps as indicated above had been taken by the respondents. Respondents failed to discharge their function under the circumstances referred to above. On the contrary, the applicants were shown in the seniority list

R

A

of Rs.1640-2900 bowing to the pressure of the Union. When the staff nurses pressed for deletion of the applicants' names from the seniority list of Rs.1640-2900, R-3 readily agreed to their request. The inclusion and deletion were done bowing to the pressure from one side or the other without following any rules. Thus the action of R-3 is not befitting to his status. The organisation which boasts of over 100 years of existence cannot follow a path which is not charted by any rule of law. This executive action smacks of ^{unreasonableness.} ~~unreasonability~~ and hence has to be held as arbitrary and irregular.

14. When the applicants were brought on to the scale of Rs.425-640 from the grade of Rs.455-700 to which they were initially appointed, rules should be strictly followed as otherwise such reduction in scale may tantamount to imposition of major penalty. No penalty can be issued without following the Discipline and Appeal Rules and rules of principles of natural justice. As no rule was followed as indicated above, the applicants cannot be allowed to suffer.

15. The respondents having failed to discharge their functions according to law as indicated above, the employees i.e, the applicants herein cannot be allowed to suffer. In that view, they should be given seniority in the Fourth Pay Commission's replacement scale of Rs.1640-2900. As the scale of Rs.425-640 and Rs.455-700 is not merged after introduction of the Fourth Pay Commission's scales for Medical Department, there may not be reason to give the replacement scale of Rs.1400-2600 to holders of

R

A

erstwhile Third Pay Commission's scale of pay of Rs.455-700 instead of equating that scale ^{to that} of Rs.1640-2900.

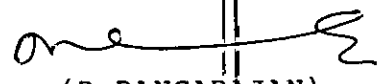

16. When the above lapses of the administration were brought to the notice of the learned counsel for the respondents and to the Dy.CPO present in the court with a view to know whether the respondents will relent their action and make corrections, it was informed that the respondents cannot retrace their path as it will put the Railways in a tight situation. We do not appreciate this attitude of the respondents. If a mistake is committed, there is no harm in setting it right. There is no prestige involved in the correction of the mistake. We are sorry to note the attitude of the respondents.

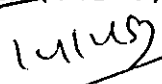

17. In view of what is stated above, we are satisfied that the applicants have made out a case for continuing them in the seniority list of Rs.1640-2900 and to consider them for promotion if they are otherwise found eligible to the next higher grade.

18. On the basis of the facts and circumstances of this case, the impugned proceedings dated 28.12.92 and dated 12.1.93 are set-aside. The names of the 3 applicants herein should be interpolated in the seniority list of Staff Nurses in the scale of pay of Rs.1640-2900 and their promotion to the post of Matron should be considered on that basis subject to the fulfilment of other conditions.

19. The OA is ordered accordingly. No costs.

out of the merger, there will be no promotional prospects for them as the category of 'Public Health Nurses' is a dead-end category with no growth opportunity. No material was also forthcoming that their pay was fixed in the scale of pay of Rs.425-640 after the merger, protecting their last pay drawn in their earlier pay scale of Rs.455-700.

It is stated in the reply that the office order dated 25.9.91 was

fixation in the scale of pay of Rs.425-640.

(ii) Whether any notice was given while deleting their name from the seniority list of Rs.1640-2900. If no notice was given, whether the deletion of their name from the seniority list of Rs.1640-2900 after they qualified in the written exam for Matron is proper or not.

13. As stated earlier, there is no record to prove that option was given to the applicants herein while merging them with the main stream Staff Nurse cadre. If option was given and the applicants did not opt for the merger, they should have been made aware of the fact that they have no future promotional prospects. If inspite of that fact, the applicants did not agree for their merger in the scale of pay of Rs.425-640, then the respondents will have no responsibility if the applicants complain later regarding lack of promotional opportunity. If they agree to merge, then their pay fixation chart should have been issued probably protecting their last pay drawn in the scale of pay of Rs.455-700 in accordance with the rules. None of the steps as indicated above had been taken by the respondents. Respondents failed to discharge their function under the circumstances referred to above. On the contrary, the applicants were shown in the seniority list

erstwhile Third Pay Commission's scale of pay of Rs.455-700 instead of equating that scale^{to that} of Rs.1640-2900.

16. When the above lapses of the administration were brought to the notice of the learned counsel for the respondents and to the Dy.CPO present in the court with a view to know whether the respondents will relent their action and make corrections, it was informed that the respondents cannot retrace their path as it will put the Railways in a tight situation. We do not appreciate this attitude of the respondents. If a mistake is committed, there is no harm in setting it right. There is no prestige involved in the correction of the mistake. We are sorry to note the attitude of the respondents.

17. In view of what is stated above, we are satisfied that the applicants have made out a case for continuing them in the seniority list of Rs.1640-2900 and to consider them for promotion if they are otherwise found eligible to the next higher grade.

18. On the basis of the facts and circumstances of this case, the impugned proceedings dated 28.12.92 and dated 12.1.93 are set-aside. The names of the 3 applicants herein should be interpolated in the seniority list of Staff Nurses in the scale of pay of Rs.1640-2900 and their promotion to the post of Matron should be considered on that basis subject to the fulfilment of other conditions.

19. The OA is ordered accordingly. No costs.
