5. The learned counsel for the applicant had referred to 1973(1) LIC 541 (M. It is now reported for the respondents that the plea of the applicant about the bias on the part of inquiry officer is negatived and the inquiry would be proceeded on 25-2-94.

7. Unless it is absolutely necessary that disposal of writ petition/<sup>application</sup> filed against suspension, Tribunal/Court will not make any observation in regard to gravity of the charges as it may prejudice the cause of the delinquent employee in the inquiry. We feel that after looking into the Articles of charge and as the inquiry <sup>is not</sup> ~~is not dealing in the~~ proceeding with the inquiry, it is just and proper to pass the following orders :

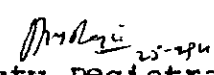

8. We do not feel it a proper case to set aside the order by 31-7-1994, the applicant is free to move this Tribunal by way of Miscellaneous Application in this OA for considering as to whether there will be justification for further continuing suspension or whether it will be a matter for revoking the same.

9. The OA is ordered accordingly. No costs.
