I, Smt.B. Sitaramamma, W/o.late B.Veerawamy, aged about 56 years, R/o.21-10-95, Srinagar, 4th Lane, Vijayawada, do hereby solemnly and sincerely affirm and state on oath as follows:

1. I am deponent herein and the wife of the deceased applicant in OA No.283/93, who is now seeking to come on record as Legal Representative in the above case. Hence, I am well acquainted with the facts of the case.

2. I submit that my husband i.e., the applicant in the above OA has filed the above OA seeking to set aside the impugned proceedings in which an order has been passed withholding permanently the entire monthly pension admissible to him and to fix and release the monthly pension of the applicant in the above OA. While the OA is pending adjudication before the Hon'ble Tribunal, the applicant in the above OA No.283/93 (my husband) expired on 14.5.1996 due to heart attack. I immediately contacted my advocate, who advised me that I should file a Legal Representative Petition in the above OA to come on record in the place of the applicant. I, being the legal representative of my husband, thought it fit to continue the adjudication in the above OA as I have no other source of income except my husband's family pension, which is now withheld and is a subject matter in the

above OA. My existence depends upon the decision in the said OA, wherein the pension and other benefits were questioned. I am presently residing at Vijayawada, away from my two sons, who are employed and staying in different places.

3. I further submit that though the LR petition was filed before disposal of the OA, it could not be clubbed with the OA and as a result, the OA was treated as abated. The fact that the OA was treated abated had come to notice of my present counsel after about 1 1/2 months through the earlier counsel, who had immediately contacted me for coming down to Hyderabad to file the MA for restoration petition OA No.283/93 along with the LR petition. I could receive the information very lately and by the time I had approached my counsel there was a delay of 450 days in filing the petition for setting aside the abatement and restore the OA NO.203/93 on the record of this Hon'ble Tribunal. The delay in filing set aside the abatement petition is neither wilful nor wanton but for the reasons explained above.

I, therefore, pray that this Hon'ble Tribunal may be pleased to condone the delay of 450 days in filing the Restoration Petition for setting aside the abatement for reopening the OA No.283/93, which is neither wilful nor wanton but for the reasons explained above, in the interest of justice and be pleased to pass such other and other orders as the Hon'ble Tribunal may deem fit and proper in the circumstances of the case.

Sworn and signed on this  
10th day of August, 1997  
at Hyderabad.
