The applicant prays for a direction to the respondents to consider his case for appointment on compassionate grounds to Class III post.

2. The father of the applicant Sri K. Francis died in harness while he was serving as a Postal Assistant on 20.5.89. On the death of the employee he left behind his widow and 5 children (4 sons and 1 daughter). After ~~the death of the employee~~ the widow as also the applicant approached the authorities concerned ^{giving} for appointment to the applicant on compaddionate grounds.

3. The respondents rejected the claim of the applicant on the following grounds:

1. On the death of the employee the family received Rs.61,941/- besides a regular family pension of Rs.665 + relief.
is working as a Mechanic and earning Rs.200/- p.m.

The fact that the family of the deceased employee was given relief to the extent of Rs.61,941/- on the death of the employee should not have unduly [&]swayed the respondents in the matter of considering the case of the applicant for giving him appointment on compassionate grounds.

It is so because ordinarily ~~and~~ ^{as} a Government employee, ~~died~~ in harness after rendering considerable period of service, the family of such employee is ^{bound} ~~warrant~~ to get minimum financial assistance ^{to the tune} of about Rs.50,000 to Rs.60,000/-. In this case there is no dispute that the employee left behind his widow 4 sons and 1 daughter. Only the eldest son is said to be earning a

petty amount of Rs.200/- p.m. It is very difficult to appreciate in these circumstances how the respondents came to this conclusion that there are no indigent circumstances in the family of the deceased. In my view this is a case which deserves positive and sympathetic consideration by the respondents. Accordingly OA is disposed of with a direction to the respondents to re-consider the case of the applicant for appointment on compassionate grounds to any Group 'C' or Group 'D' post to which the applicant is eligible. No order as to costs.
