that the stitching charges for 1,000 garments alone are payable and as there was ~~xxx~~ excess billing for an amount of Rs.7,500/- which was already paid on the basis of the bill, the impugned order dated 28.7.1993 for recovering the said amount in five equal instalments commencing from the salary bill of August, 1993 was passed. It is stated that the first instalment of Rs.1500/- was recovered from the salary bill of the applicant for August, 1993.

2. The contention for the applicant is that there is an infirmity in passing the impugned order as no show cause notice was issued before passing the said order. There is force in the said contention. Hence, the impugned order is liable to be set-aside in view of the above infirmity. But this order does not debar the 3rd respondent from taking such steps that are open to him in regard to the recovery in accordance with the law after giving necessary show cause notice to the applicant. It is also just and proper not to direct refund of Rs.1500/- which was recovered from August 1993 bill unless a decision is taken by the 3rd respondent not to take any steps for recovery or till after the disposal of the proceedings if they are going to be initiated for recovery of Rs.7,500/-. It is needless to say that the question of refund of Rs.1,500/- will arise if ultimately it is going to be found that the applicant is not liable to pay the said amount of Rs.7,500/-.

3. It is submitted that the 3rd respondent had already initiated the disciplinary action in regard to this alleged excess of billing and there is no bar for continuing the said disciplinary proceeding.
