ORDER

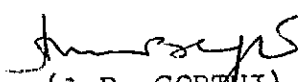

{As per Hon'ble Shri AV Haridasan, Member(J)}

The applicant, who was a candidate for selection to the post of EDDA/MC ~~for~~ Hussainepuram Postoffice, is aggrieved by the fact that the 4th respondent has been selected and appointed in the post of EDDA/MC, at Hussainepuram Post office. The applicant was working on the said post on provisioal basis from 14.09. 1993. The department initiated action for filling up the vacancy on regular basis by notifying the vacancy on 26.11.93 and after a due selection process, the 4th respondent was selected and appointed. The applicant's case is, that his superior merits have been overlooked arbitrarily and in violation of Article 14 and a6 of the Constitution and therefore, he prays that the appointment order of the 4th respondent may be quashed and the respondents be directed to appoint him ~~x~~ in the said post.

2. On behalf of the respondents 1-3, a reply statement has been filed, in which it has been contended that, as the Employment Exchange, in spite of notification, did not sponsor candidates, a local notification was issued pursuant to which, 8 candidates applied that the selection was made on the basis of an assessment of merits and the 4th respondent who had secured higher marks in the SSC examination, being ^{the} found ~~most~~ suitable candidate, was selected and appointed. The respondents refute the allegations of arbitrariness and prays that the application may be dismissed.

3. We have perused the records and heard the counsel for both the parties. We have also seen the file relating to the Selection. The selected candidate viz., the 4th respondent has secured 238 marks in the SSC examination, while the applicant has obtained 232 marks. It is true that the applicant had about two months experience on the date on which the notification was issued, and about five or six months experience on the date selection was made. But the competent authority who made the selection has assessed the inter-se merits of the candidates who had applied for the post and has selected the 4th respondent, (R-A), He, having been found to be best among the lot having obtained higher marks in the ^{SSC} final examination, we do not find any reason to interfere with the selection. Interference in the matter of selection for appointment is made only in case where ~~there is~~ irregularity or arbitrariness is apparent. We find none in this case. Hence, we find no merits in this OA and the OA is dismissed leaving the parties to bear their own costs.
