ORDER

I As per Hon'ble Shri A.B. Gorthi, Member (Admn.)

Heard learned counsel for both the parties.

2. The applicant is the son of Shri M. Subbarayudu, who having served the Postal Department for about 36 years was medically invalidated out of service with effect from 15-05-1989. The employee on retirement received a sum of Rs.49,282/- towards pensionary and other benefits besides a monthly pension of Rs. 855/-. He states that he had spent some amount of money towards his medical treatment. He therefore requested for appointment to ~~the~~^{his} son on compassionate grounds, as he has no landed or house property. His request was considered by the CPMG, A.P. Circle, but was rejected on the ground that the condition of the family cannot be considered to be indigent.

3. It is now stated in the OA that the applicant's father suffered a paralytic stroke on 01-04-1995 and it resulted in loss of speech and total right side of the body got paralysed. The applicant is thus added with the responsibility of taking care of his ^{ailing} ~~parturient~~ father. This aspect of the matter was not before the competent authority before the request for compassionate appointment was rejected. In view of this unfortunate development in the family of the applicant, the case of the applicant deserves to be re-considered.

4. In the result, this OA is being disposed of at the admission stage itself with the direction to

to re-consider the case of the applicant. For ^{this} ~~the~~ purpose, the applicant may submit a fresh application enclosing therewith the necessary medical papers regarding health of his father.

5. The respondents shall comply with the above direction ^{and reconsider the case of the applicant} within a period of three months from the date of receipt of the fresh application and medical papers from the applicant.

6. No costs.
