Heard Shri URS Gurupadam for the applicants. Shri Kota Bhaskar Rao for the Respondents.

2. The applicants in the O.A. filed this P.A. for reviewing the judgement in O.A. dt.19-9-96.

is that though the applicants got the seniority re-fixed in accordance with the judgement of this Tribunal, they could not get the monetary benefits as the same was declined by this Tribunal. The applicant further submits that they are promoted ^{K Cde} to JTOs and they have only a short service left ~~before they~~ i.e. 18 years. Due to this short service if the monetary benefits are not extended to them, they will be put to severe financial set back and on that score the judgement needs review.

4. The judgement in this connection is very elaborate as can be seen from the para-10 of the O.A. The fact that the applicants ~~has~~ got less number of years of service & has no reason to review the judgement in regard to payment of monetary benefits. This is not an error in the judgement. Hence this contention is rejected.

5. As no other error has been pointed out, the RA is dismissed. No costs.
