Heard both the counsels.

These 2 O.As can be disposed of by a common order as the same points arose for consideration in these 2 O.As.

2. All the applicants in these 2 O.As are construction casual labourers (Gangmen) working in the Sanatnagar-Moulali by-pass line. As the construction work is over, the same is <sup>being</sup> said to have been handed over to maintenance by the Construction department. These O.As are filed praying for a direction to the Respondents to absorb the applicants on regular basis and retain them in Sanatnagar-Moulali by pass line.// Para 17.4.(a) of Railway Board's letters No. E(NG)/II/84/CL/92 dated 15-12-84 and E(NG)/84/CL/5 dated 22.6.90 laysdown that "Casual labour employed in projects as a rule, be considered for appointment on a regular basis against vacancies in Group D posts required for operation and maintenance of new assets created viz. new lines, conversions etc.... These posts should be filled exclusively from Casual labour who have worked at the project". It is also stated therein that if there are open line casual labourers in the area covered by the local recruitment units of the Inspector who have worked for longer periods than the casual labour, then such casual labour in the open line have to be preferred.

3. It is stated for the Respondents that the posts for maintenance of Sanatnagar-Moulali by-pass line are not yet sanctioned. Even then when it is necessary to maintain the lines after they are handed over to the open line, it is just and proper to direct the Respondents to prepare the seniority list of the casual labourers (Gangmen, construction) in accordance with rules/instructions for being absorbed as and when the posts of Gangmen for maintenance of Sanatnagar-Moulali by-pass line are sanctioned.

4. But it is submitted for the Respondents that the number of Gangmen required for maintenance of this Sanatnagar-Moulali by-pass line are far less than the number of applicants. In such a case, it is open to the Respondents to prepare seniority list from amongst these applicants and retain such of the applicants that are required for maintenance of this line, on the basis of their seniority and deploy the rest in accordance with rules/instructions. As and when the seniority of the casual labour (Gangmen, construction) is prepared in accordance with the rules/instructions for absorption as Gangmen in this project (Sanatnagar-Moulali by-pass line), or the project, if it is part of larger project, the copy of the seniority list has to be communicated to the applicants to enable them to challenge the same if they have any objections. After considering their representations if any in regard to the same, the Respondents are free to finalise that seniority list and as and when the casual labour from amongst those in the seniority list are posted for maintenance

of this by-pass line, such of those applicants who are going to be retained as per this order may be replaced by observing rule of juniority. It is needless to say that if the applicants or such of those applicants who are going to be aggrieved by the final seniority list of Gangmen to be absorbed for maintenance of this line, they are free to move this Tribunal under Section 19 of the A.T Act.

5. Both the O.As are ordered accordingly. No costs./
