HON. MR. JUSTICE V. NEELADRI RAO, VICE CHAIRMAN

J U D G M E N T

[as per Hon'ble Sri R.Rangarajan, Member(Administrative)]

Heard Sri U.Pattabhi Ramaiah, learned counsel for the applicants and Sri J.R.Gopala Rao, learned Standing Counsel for the respondents.

2. There are 74 applicants who worked as Casual Labourers between Tandur-Malkhad Road of Hyderabad-Vikarabad Section under the control of 2nd respondent.

3. These applicants were engaged as Casual Labourers for Engineering Construction Project in Secunderabad Division and in the last spell they worked in Doubling Project work between Tandur-Malkhad Road of Hyderabad-Vikarabad Section. On account of the above said Doubling Project having been completed they were made surplus and were proposed to be redeployed at Hospet. The redeployment order is challenged in this O.A.

4. The contentions of the applicants are as under:-

(i) The impugned order whereby these applicants were deployed to other divisions is illegal, for while deploying them to other divisions, their juniors are allowed to continue in SC Division.

(ii) They have to be absorbed in the post to be created in view of the new asset i.e. new doubling-line between Vikarabad-Malkhad or other new assets created in the division and hence without consideration of their case for such absorption, they cannot be deployed to Hospet Division.

5. OA No.401/95 was filed before this Tribunal and the same was heard and disposed of by us. In that OA also the applicants therein were surplus casual labourers having been rendered surplus due to the Doubling Project between Tandur-Malkhad Road, having been completed. The contentions of the applicants in that OA are same as that of the contentions of the applicants in this OA as stated above.

project

6. In OA 401/95 which was decided on 28.4.1995, we have held that only the junior in the seniority list of casual labourers in the Secunderabad Division has to be re-deployed and the applicants if they are senior, have to be retained while those juniors are sent to Hospet. As the applicants in this OA are similarly situated, we give the same direction as was given in OA 401/95.

7. This OA is disposed of as under:-

It is open to the respondents to address the casual labourers in this seniority unit as to whether any of them is interested in going to Hospet. If such of those who are interested in going to Hospet by keeping lien in this Secunderabad ^{Division,} they can be sent to the respective units to the extent their deployment is necessary. If there are no volunteers or if such volunteers are less than the number to be deployed from SC ^{Division,} the deployment has to be made from junior-most in the seniority unit to the extent ^{the} deployment is necessary. If on that basis, all these or some of these applicants need not be deployed from SC division, they can be posted in place of those casual labour who have to be deployed from the seniority unit by following the principle referred to herein, or it is open to the concerned authority to post these applicants or such of the applicants who need not be

deployed, in any unit in SC division. There need not be any direction in regard to the absorption to the post to be created on the basis of the new assets or in 1/3rd vacancies on Open line as the concerned authority stated that the extant rules will be followed in regard to the same.

8. The OA is ordered as referred to above at the admission stage itself. No costs. /
