DA.347/96

Judgement

(As per Hon. Mr. H. Rajendra Prasad,

Heard Sri Gangaiah Naidu, learned counsel for the petitioner and Sri Siva Reddy for the respondents.

2. The Railways had evolved a scheme whereby Steam Staff found surplus on upgradation of technology in the department were to be permitted to proceed on voluntary retirement. It was further envisaged that such of the staff who were so permitted to retire voluntarily could sponsor the case of one of their wards/children/dependents ~~for~~ employment in the Railways. The details of the scheme are contained in a suitable Annexure-2 to the OA.

3. The present applicant opted for voluntary retirement under the provisions of the scheme (Annexure-1 to OA). It is his grievance in the OA that no decision has been taken on his representation and that he has not received any reply to the same.

4. After considering the facts of the case and scrutinising the record, we feel that it would be just and adequate to direct the respondents to have the case examined on merits under the provisions of the relevant scheme, and communicate a suitable decision to the applicant within 30 days from the date of receipt of a copy of this order.

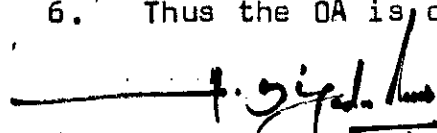

5. As regards the prayer for appointment of the applicant's son on a suitable appointment under the

rehabilitation scheme the same shall be got examined and the General Manager, South Central Railway, shall have a decision communicated to the applicant within 45 days of the retirement - if such retirement is granted under the provisions of the said scheme of the applicant.

6. Thus the OA is disposed of at the admission stage.
