4. In view of what is stated by the applicants, it has to be presumed that they had gained some experience in the Telecom department. So, it is in the interest of the department if they are engaged in preference to freshers whenever work is available. However, their ^{long} absence after their disengagement till the date of reengagement cannot be condoned. In the result, the following direction is given:-

All the 5 applicants have to be reengaged by the respondents if there is work in future and in preference to freshers from open market in the units from where they were lastly disengaged. If the applicants are going to be reengaged in pursuance of this order, none who are already working as casual mazdoor shall be retrenched.

5. The OA is ordered accordingly. No costs.
