CORAM:

HON'BLE SHRI R.RANGARAJAN, MEMBER (ADMINISTRATIVE)

JUDGMENT

Heard Shri V.Venkateswar Rao, learned counsel  
for the applicant and Shri N.R.Devaraj, learned senior  
standing counsel for the respondents.

2. This OA is filed praying for direction to the  
respondents to regularise the period from 18.8.92 to  
29.8.92 by granting him medical leave for the said period

as applied for by him and treat the period from 30.8.92 to 3.9.92 as duty with all consequential benefits such as pension and other terminal benefits etc.

3. The applicant earlier submitted a representation dated 15/16.5.95 in connection with the grant of leave as prayed for in this OA. He was informed by the Memo No.1-2(1)/92-93-Estt, dated 8.8.95 (Annexure A-XIII at Page 30 of the OA) that the applicant was verbally instructed to persue the matter with the hospital authorities so that his leave case could be processed by that office. It is further stated that the applicant was not responded in this regard so far. It is further noted in that memo that he should explain the position in this regard so that a final decision could be taken. In response to that memo, the applicant had submitted his contentions by his representation dated 14.3.96 (Annexure A-XV at page 32). It is stated that this representation is not yet disposed of. In an another earlier case, the learned senior standing counsel for the respondents Shri N.R.Devaraj submitted that the pension papers of the applicant in that case are under process and that he will be informed of the result within a fortnight time. As the regularisation of the period in this OA is also to be decided for finalising his pension papers, it is essential that his representation dated 14.3.96 should also be disposed of simultaneously. In view of the

above, the respondents should take a final decision in this connection and reply him in regard to his representation dated 14.3.96 within a period of 10 days from the date of receipt of a copy of this order.

5. The OA is disposed of as above at the admission stage itself. No costs.
