We have heard the learned counsel for the applicants for admission of the O.A. Applicant seeks ~~to~~ quashing of the panel prepared on 1-5-96 of candidates selected for undergoing training of Intermediate apprentice TXRs at the System Printing School,, KGP. It is a provisional panel. The applicants contend that they were qualified to be included in the panel but they have not been included <sup>by reason of</sup> and the respondents not having prepared the panel on the basis of merit in the written examination, which is the sole criteria prescribed but on the basis of ~~which the~~ <sup>which</sup> seniority has been taken as <sup>the</sup> sole criteria. ~~They also contend that injustice was done to them - Injustice was done to the applicants way back in 1987 when~~ the respondents extended the Training period of the applicants wrongly. The relief sought does not relate to the injustice allegedly done to the applicants by extending the training period which <sup>is</sup> ~~was~~ a matter happened long back. Moreover that contention is also inconsistent with the contention that the panel has not been prepared on the basis of merit in the written examination which means that the question of seniority is not material. The applicants have not been able to disclose as to on what basis they contend that the panel has not been prepared on merits. They want records to be summoned and try to build up the case if it reveals something on which they can

lay their hands. Such course is not permissible <sup>and as a</sup> ~~as the a~~  
matter of fact, we have to presume that the panel has been  
drawn in accordance with the rules and thus there is no grie-  
vance of the applicant, which may be <sup>said</sup> sought to be required  
redressal at our hands.

2. The O.A. thus does not disclose any grievance and is  
summarily rejected.
