and the Senior Superintendent of Post Offices, Hyderabad, South East Division, is directed to reconsider the representation of the applicants dated 3-10-1994 on merits in the light of observations contained herein above. We hope that special efforts will be made to trace out the relevant circulars and the service particulars of the applicants so that the representation can be disposed of on merits as directed. We make it clear we have not expressed any opinion as to the merits of the claims, of the applicants and all the aspects are open to be considered at the time of examining and deciding the representation."

*by the respondents*

It is now stated, that the D.G.Circulars 56 and 57 are not available. They have also stated that they have addressed the applicants to produce the said Circulars for further action.

The learned counsel for the applicants submit that the above Circulars are available in the Director General of Posts and Telegraphs Department, New Delhi. When the respondents themselves say that those circulars are not available, it is not clear how the applicants <sup>the office of the</sup> can say that they are available in/Director General of Posts & Telegraphs, New Delhi. In case, if the applicants indicate the concerned Section and File No., <sup>where the circulars available</sup> in the Director General's Office at New Delhi, then respondents would be in a position to correspond with

the concerned section to get those circulars.
