2. The applicant with the permission of the authorities appeared for the Common Entrance Examination for the Diploma course and after passing the common entrance examination obtained admission for D.C.E. course at the Government Polytechnic. It is submitted that the classes will commence from 5-1-98.
3. The applicant sought permission to attend the classes. Vide letter No.1036/931/EIB dated 26-12-97 (Annexure-I), the R-1 stated that his earlier request for retention in MES has been taken up with higher authorities and that on receipt of the decision, the permission to attend the evening classes will be considered subsequently.
4. He has filed this OA to direct the first respondent to grant permission to the applicant to attend the evening classes in D.C.E., and consequently to direct the 4th respondent not to cancel the admission for the said course on account of non-submission of no objection certificate from R-1.
5. The question of retention of the applicant in the MES is an altogether a different matter. His application for the prosecuting his studies in D.C.E. has been approved by the MES. In that context the consideration of according permission to the applicant to prosecute his studies has to be considered by the R-1 independent of his decision whether the applicant be continued in MES or not.
6. The R-1 having forwarded the application and permitted the applicant to appear for the common entrance examination, we feel he should have given the no objection certificate to the applicant to attend the evening classes.

7. However the MES authorities can issue such no objection certificate stipulating the condition that in case he is transferred to Ordnance Factory, Edumailaram, he should obtain necessary no objection certificate from the factory also at that time.

8. The MES authorities should ~~also~~ issue such no objection certificate within a period of fortnight and the Principal of ^{Govt. Polytechnic} the College to keep his admission open till such time for another 15 days for him to produce the no objection certificate from the R-1.

9. With the above direction, the OA is disposed of at the admission stage itself. No order as to costs.
