Judgement

Oral order Oper Hon. Mr. H. Rajendra Prasad, Member (Admn)

Heard Sri K.K. Chakravarthy at length, and Sri V. Vinod Kumar for the respondents.

1. The issue in question in this OA is about the transfer of the applicant from Hyderabad to Bangalore on administrative grounds. It is noticed from the OA itself that the applicant has been serving at Hyderabad since 1984. It is also admitted by him that he has all-India transfer liability as a condition of service. Under the circumstances, even though the impugned transfer order has been issued as a part of several other administrative steps, relating to the same applicant, there is no sufficient ground to hold that the order itself is illegal or smacks of malafides. This is purely an administrative measure and the Tribunal does not feel inclined to interfere with it. It is also revealed that the official was relieved of his duties on 9-1-1997 after all reasonable efforts to have him relieved in normal course had failed.
2. Considering the facts and circumstances of the case I am of the view that this OA is misconceived and lacks merit. The same is, therefore, disallowed.
3. The applicant has certain grievances with regard to some of his entitlements which are stated to be pending consideration of the Department. If it is true that the applicant's representation at Annexure A.1 remains undisposed of till date, as claimed by him, it is directed that the same be disposed of with a detailed order within 21 days

from today. If the representation has already been disposed, but stated to be not received by the applicant, then a copy of the order may once again be supplied to him by registered post acknowledgement due.

4. Thus the OA is disposed of. No costs.
