JUDGEMENT

(ORAL ORDER PER HON'BLE SHRI R.RANGARAJAN, MEMBER (ADMN.))

None for the applicants. Heard Mr.C.V.Malla Reddy, learned standing counsel for the respondents.

2. There are 4 applicants in this OA. They were initially engaged as Casual Labour and they were granted temporary status on completion of 360 days of continuous

(

R Q

service. While they were working as such, they were further engaged as Technical Mates on 1.8.86, 1.10.87, 1.7.86 and 1.4.90 respectively in the scale of pay of Rs.950-1500. It is stated in the reply that the applicants 1 and 4 are working as Casual Labour Technical Mates on ad hoc basis in the scale of pay of Rs.950-1500 whereas the applicant 3 was released on 3.1.97 on absorption as Khalasi in Electrical Department/Traction Rolling Stock, South Central Railway, Secunderabad in the scale of pay of Rs.750-940 and the applicant 2 was selected as Diesel Assistant in the scale of pay of Rs.950-1500 on regular basis and he was undergoing training.

3. Some of the applicants filed OA 290/94 on the file of this Bench for granting them the scale of pay of Rs.1320-2040 from the dates they had completed 120 days of service. That OA was allowed and the applicants in that OA were given the scale of pay of Rs.1320-2040 and some others who had filed OA 867/96 and 712/96 were also given the same benefit as was given to the applicants in OA 290/94.

4. The applicants herein filed representation on 10.7.96 (Annexure A-IV at page 4 to the OA) addressed to R-2 for giving ^{the} same benefits as were given to the applicants in OA 290/94 and pay them in the scale of pay of Rs.1300-2040.

5. Their representation ^{was} ~~was~~ rejected by the impugned order dated 15.11.96 (Annexure A-1 at Page 1 to the OA) on the ground that the applicants are not entitled for the benefit as was given to the applicants in OA 290/94 as they

23

do not possess the qualification of Diploma in Engineering.

6. This OA is filed to set-aside the impugned order No.E.252/VVRE/3080/Civil Engg., dated 15.11.96 (Annexure A-1 at page 1 to the OA) and for consequential direction to the respondents to grant the applicants the scale of pay of Rs.1320-2040 from the dates they were promoted as Casual Technical Mates with arrears.

7. A reply has been filed in this OA. The main contention of the respondents in this OA is that the applicants in OA 290/94 ^{were} ~~are~~ diploma holders in Engineering and they were also engaged in the scale of pay of Rs.950-1500 initially itself and they were given the scale of Rs.1200-1800 subsequently and on the basis of the directions given by this Tribunal in OA 290/94 they were given the scale of pay of Rs.1320-2040. The applicants herein are not diploma holders. They were also not engaged in the higher scale of pay of Rs.950-1500 initially. They were engaged in the scale of pay of Rs.750-940 and subsequently they were engaged in the scale of pay of Rs.950-1500. Hence they are not entitled for the scale of pay of Rs.1320-2040 as given to the applicants in OA 290/94. Hence this OA is liable to be dismissed.

8. Differentiation due to higher qualification is permissible. The above view has been upheld by the Supreme Court also. The applicants in OA 290/94 ^{are} ~~are~~ diploma holders whereas the applicants herein are not possessing the diploma. It is also seen that the applicants are in the scale of pay of Rs.950-1500 even now as casual

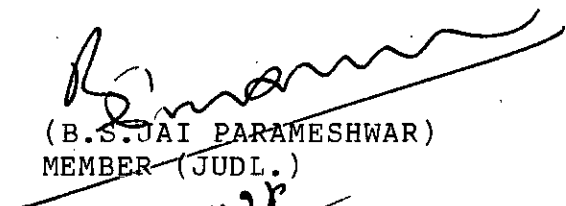

R

Technical Mates whereas the applicants in OA 290/94 were engaged initially itself in the scale of pay of Rs.950-1500 and they were further engaged in the higher scale of pay of Rs.1200-2040 subsequently. Hence the question of comparing the applicants herein with that of the applicants in OA 290/94 does not arise. Comparison made by the applicants in this OA, in our opinion, is unwarranted and invidious. Hence we do not see any reason for grant of the same benefit as given to the applicants in OA 290/94.

9. In view of what is stated above, we find no merits in this OA. Hence the OA is dismissed. No order as to costs.
