or whether the Employment Exchange has indeed been addressed, or whether any names have been sponsored by the Employment Exchange. The applicants state that the selections are going to commence on 16th (i.e. tomorrow). Even this averment is unsupported by any document.

3. There is reason to presume that the names of the applicants were not sponsored by the Employment Exchange—as stated by the petitioners—possibly because they are far junior on their rolls to be so sponsored.

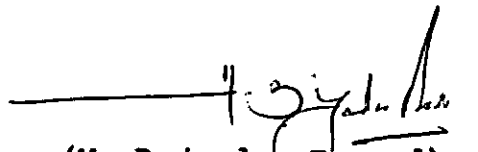

4. In view of the wholly un-clear position, the only direction that can be given in this O.A. is:

It is stated that the petitioners have applied to Respondent No.1 for the post of Washerman but they have not been called for selection which, according to the applicants, will commence tomorrow, i.e., 16th May, 1997.

Respondent No.1 is directed to interview the applicants for the post of washerman, if such selection is to be held or is not already completed, and consider their candidature along with that of the candidates sponsored by the Employment Exchange, subject basically to the applicants fulfilling the essential qualifications and job requirements.

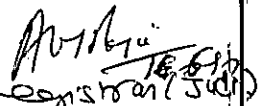

The respondents have complete liberty to select such of the candidate(s) who is/are most suitable for the job according to the respondents' own assessment, which is unfettered.

5. With the above directions, the O.A. is disposed of at the admission stage.
