2. The applicant no.1 herein was, while working in G.S.I., deputed to the Mineral Exploration Corporation Limited, during the years 1973 and 1982. While he was on deputation, the pay-scale of 20% of the posts of the STAs (Mining)- the cadre to which the applicant belonged- was upgraded from Rs.550-750 to Rs.700-900 with effect from 1-1-1973, in accordance with the recommendations of the III Pay Commission which was accepted by the Government/Department. The claim of the applicant for one of the SG posts was duly accepted and incorporated in Office Order No.4011C/18018/24/84/4B, dated 6-5-1992 issued by the Senior Deputy Director-General, GSI, Southern Region, Hyderabad (Annexure.1 to the OA).

3. It is the complaint of the applicant that the arrears of difference <sup>of</sup> pay for the period spent by him on deputation (on account of the conferment of Selection Grade on him) have not been paid so far despite representations.

4. The facts relating to applicant's deputation and conferment of Selection Grade on him are not thus in dispute.

5. The MEC, which is to pay the arrears to the applicant, seems to be of the view that the GSI should do so from some money owed them and the arrears to the applicant should be paid <sup>by the latter</sup> and offset against such dues.

The GSI, on their part, claim certain amounts from the Corporation and say that the question of payment of arrears to the applicant by them would not, therefore, arise until the Corporation settles those dues.

6. The claims and counter-claims between the respondents are of no concern to the applicant, really. The limited question in this OA is the payment of dues and legitimate arrears which the applicant has a right to claim.

7. It is, therefore, directed that the newly impleaded R-3 shall ensure calculation and disbursement of the arrears of revised pay scales in respect of the applicant within 120 days from the date of receipt of a copy of this order. An interest of 10% shall be added to the amount so disbursed to him from 5-5-1996 i.e., One year prior to the date of filing <sup>of</sup> this application, till the date of actual disbursement of the arrears.

8. Thus the O.A. is disposed of. No costs.
