Heard Mr.A.Srinivasa Sarma, learned counsel for the applicant and Mr.V.Bhimanna, learned standing counsel for the respondents.

2. The applicant is aggrieved by the orders of ~~the~~ transfer, posting her from Visakhapatnam to Chilka. It is submitted by her that this impugned order was preceded by atleast four transfers within the last five years, Whereby she was shuttled between

one office and another, even though all of them are located in the same station. The applicant has submitted 3 representations ^{to} ~~through~~ respondent No.1 expressing her difficulties in moving from Visakhapatnam to Chilka. According to the applicant, these representations remain undisposed. The applicant also states that she has not yet been relieved but is likely to be relieved on or after 16th of August 1997.

3. Taking into consideration the facts mentioned in the OA., we are of the view that it would be adequate and necessary to direct Respondent No.1 to dispose of her case on merits, take a suitable decision, and communicate the same to the applicant. Until then, it is directed that the relief and the movement of the applicant ~~be deferred~~. We may add that, it would be desirable if ^{the} request of the applicant is considered sympathetically, subject to administrative feasibility, in view of the personal difficulties, including illhealth, pleaded by her. The least that may be ^{needed is} ~~added~~ to examine whether her retention upto March, 1998, can be considered. The respondents are free to take a suitable decision according to their best judgement in the interest of both the applicant and ^{the} administration.

4. Thus, the OA is disposed of at the admission stage itself. No costs.
