4. Jurisdiction of the Tribunal:-

The applicant declares that the subject matter against which he seek redressal is within the jurisdiction of the Tribunal under section 14(1) of Central Administrative Tribunals Act, 1985 and as the respondents' organisation is situated within the state of Andhra Pradesh.

5. Limitation:-

The applicant declares that this application is filed within the period of limitation as prescribed under section 21 of the Administrative Tribunals Act 1985.

6. Brief facts of the case:-

It is submitted that the Applicant herein passed S.S.C., and obtained I.T.I. Draughtsman(Civil). Thus he is fully qualified ~~and eligible~~ to hold the post of Tradesman 'B' (Civil). The applicant herein belongs to Scheduled Tribes. He got registered his ~~name~~ Technical qualification in the Employment Exchange at Bellampally, Adilabad District.

b) While the matter stood thus the respondent notified certain post of Tradesman 'B'(Civil) to the

Employment Exchange, Bellampally and requested him to sponsor the eligible candidates for appointment as Tradesman 'B'(Civil). In pursuant to the requisition made by the respondents department, the Employment Exchange, Bellampally sponsored the name of the applicant along with several others. The respondents subjected the applicant herein for written and oral examination and the 2nd respondent issued proceedings No. No.CED/CNE/Admn./3(II)/89/5572 dt.13.9.1989 wherein he was informed that, he has been selected as Tradesman 'B' (Civil) Work Charged and offered appointment in the scale of pay Rs.1150-25-1500. In pursuant to the said offer of appointment the applicant herein joined as Tradesman 'B'(Civil) at Sriharikota on 25.9.1989. His initial appointment was upto 28.2.1990 and the same has been extended time to time and he is being continued in the department without any brake of service even till to-date. Thus the applicant herein continued more than 5 years in the work charged establishment. The applicant herein is getting his regular time scales along with his periodical increments right from the beginning, but his services were not regularised in the said post, though he completed 8 years of service.

c) It is relevant to submit that one Sri R.Gajender-Reddy and Sri N. Subbaramaiah were also got appointed as Tradesman 'B' in the work charged establishment along with the applicant herein. It is submitted that both the above individuals were got absorbed in the permanent posts as Tradesman 'B' (Civil) and (Electrical) respectively. Though the applicant herein belongs to Scheduled Tribes Community and

entitled for absorption much earlier to them, but the same has not been done by the respondents. Thus the action of the respondents would amount to arbitrary and violative of articles 14 and 16 of the constitution of India. The respondents herein are not at all following the rule of reservation in permanent absorption of the work charged. The applicant being threatened with discontinuation allthrough as he did not get absorption in the permanent post. The action of the respondents is highly illegal, improper, unjust and contrary to several Supreme Court judgments.

d) It is submitted that the applicant herein learnt that the Administrative Officer-I issued some guide lines in proceedings No: 3/2(1)/90-CED(H), dated 30.12.1991 wherein it is stated that the existing work charged employees will not be retrenched and the existing work charged personnel will be regularised as and when vacancies arise based on D.O.S. Orders on the subject issued in December, 1984 subject to subjecting the individuals to the Departmental Promotion Committee and on their regularisation inter-se-seniority shall be maintained in their respective trades in which they are absorbed. As per the above guidelines, the applicant is entitled for regularisation, but the same has not been done so far.

e) While the matter stood thus the Government of India, Department of Space, sanctioned one permanent post of Tradesman 'B'(Civil) in the month

of August, 1997. It is submitted that as per the guide lines issued by the 3rd respondent herein, the applicant herein who is senior and working in the work charge for the last 8 years should be absorbed instead the respondents are now trying to fill-up the post, by way of recruitment by transfer ignoring the claims of the applicant herein. Infact the respondents conducted written and oral tests recently among the work charged but nobody was selected, but the post is still vacant. The applicant recently learnt that the respondents herein are again trying to fill-up the said vacancy again by conducting written and oral tests among the work charged. If this is allowed, the applicant will be put to irreparable loss and failure of justice will also occasion.

f) It is submitted that as per the guide lines of the respondents dated 30.12.1991 & no more work charge employee shall be employed, but ignoring the above guide lines, the respondents recruited several work charged employees bye-passing the above guidelines, the work charged employees recruited subsequent to the guidelines dated 30.12.1991 are all juniors to the applicant. The procedure now adopted by the respondents herein to fill up the regular vacancy of Tradesman & 'B' (Civil) is contrary to the guidelines dated 30.12.1991. As stated supra no written or oral test is contemplated <sup>under</sup> ~~xxx~~ guidelines dt.30.12.1991. It is submitted that the applicant's eligibility has been already assessed and he was subjected to the regular process of recruitment and again re-assessing his eligibility for the very same post along with his

11

juniors is very bad. It is submitted that the applicant herein became over aged to seek employment and his name has been already removed from the employment rolls long back. As the applicant is working in this department as his name was already removed from the employment exchange, he would not get any other opportunities. Having continued him for 8 long years the respondents department cannot escape from the responsibility of regularising his services in the vacancy now available. If the respondents are allowed to fill-up that vacancy by any other method, the applicant herein will be put to untold hardship and the entire family of the applicant is solely depending on him and if his services were not regularised, not only he but his family members will also put to irreparable loss.

7. Matter not pending in any court :-

The applicant submits that he had not filed any writ petition or proceedings ~~before~~ earlier for the relief sought in the present O.A.,

8. Details of remedies exhausted :-

The applicant further declares that he has no other alternative remedy except to approach this Hon'ble Tribunal for redressal.

9. RELIEF:-

MAIN RELIEF:- For the reasons stated above it is prayed that this Hon'ble Tribunal may be pleased

to issue an order or direction declaring the action of the respondents in not regularising the services of the applicant as Tradesman 'B'(Civil) in the existing vacancy as illegal, improper, unjust, arbitrary and contrary to Circular No.3/2(1)/90-CED(H) dt.30.12.1991 and further direct the respondents to regularise the services of the applicant as Tradesman 'B'(Civil) in the existing vacancy with all consequential benefits, seniority, promotion etc., and pass such other order or orders as this Hon'ble Tribunal may deem fit and just.

10. INTERIM RELIEF:-

Under the above circumstances it is prayed that this Hon'ble Tribunal may be pleased to direct the respondents to continue the applicant as Tradesman 'B' (Civil) and further direct the respondents not to fill-up the existing vacancy of Tradesman 'B'(Civil) pending disposal of the above O.A., and pass such other order or orders as this Hon'ble Tribunal may deem fit and just.
