Heard Sri Krishna Devan for the applicant, Sri B.N.Sharma for the official Respondent and Sri Jagannadha Rao for Respondent No.2.

2. A notification dated 6.6.1996 was issued by the Respondent atherities for filling up the post of EDBPM, Dhulikatta Branch Office, Peddapally Division. The terms and conditions for being considered for the post as indicated in para-3 of the notification indicates the various ~~as~~ certificates that should be enclosed to the application form. The applicant and the Respondent No.2 and others applied for the post. Respondent No.2 ^{was} selected.
3. This OA is filed for seting aside the selection of Respondent No.2 ^{official} and for a consequential direction to the/respondents to appoint the applicant in that post.
4. The main contentions of the applicant in this OA is that he is more meritorious than the Respondent No.2 and hence rejection of his case and appointing Respondent No.2 is illegal and arbitrary.
5. Respondent No.2 has filed the reply. The contention raised by Respondent No.2 for dismissing this application is as follows :-
 - (1) The notification dt.6.6.1996 clearly indicates that the applicant should possess income from the landed property. Eventhough he possess the property in his name ^{and} even ^{is} that is salable, he should produce certificate that he derives income from that property. The applicant has produced documents only to the extent of possessing property and not income from that property.

55
u1

(ii) Annexure-4 (page-15 to the OA) clearly indicates that the applicant derives income from business. Hence this certificate is insufficient certificate according to the conditions stated in notification dt. 6.6.96 and hence even if the applicant is more meritorious compared to Respondent No. 2, he has no locus-standi ~~to~~ for selection to that post.

The official respondents in their reply admit that the applicant has enclosed the documents of the property which is in his name and also there is no doubt that it is salable by him. However they submit that the income shown is only from the business and on that count the case of the applicant was rejected.

6. We have asked the learned Standing Counsel for the official respondents whether the income from the business cannot be taken as regular income even if he does not possess the income from the land. The Standing Counsel clearly submits that such view cannot be taken. The only point left in this OA is that non income from the land will de-bar for appointment to that post if he is otherwise eligible and more meritorious than Respondent No. 2.

7. The very fact that the applicant has got landed property with salable right, it cannot be stated that he derives no income from the land. The quantum of the income may be less but there is no mention in the notification in regard to the amount of the income to be derived from land. However, in our view the ED Branch post Master is a part time worker. Probably doing business ^{deriving some} and ^{earnings} is better than getting a meagre income from the landed property. The income from the landed property may fail/^{reduced} lowered ^{vagaries of} due to monsoon positions. Hence we feel that the income from the business is more reliable than the land income. Hence the certi-

From that business.

ificate signed by MRO showing income of Rs.11000/- per annum to the applicant from business is sufficient. The income from the business^{has} to be treated as regular income and on that basis his case has to be considered. This is the view we have taken in some other OAs also.

8. In view of what is stated above, we are of the opinion that non selection of the applicant only on the ground that the applicant is not possessing income from the landed property is not correct view of the respondents. Hence the selection of Respondent No.2 is set aside and the Respondents should re consider the selection process from amongst those who applied in response to the notification dated 6.6.1996 and select the most meritorious candidate keeping our views in mind. Till such time, who ever is working as EDBPM at present should be continued as^a provisional candidate. Time for compliance is three months from the date of receipt of a copy of this order.

8. Original Application is ordered accordingly. No costs.

MISCELLANEOUS APPLICATION UNDER SECTION 8 (3) OF CAT PROCEDURAL
RULES 1987:

BRIEF FACTS LEADING TO THE APPLICATION:-

1. ~~xxxxxx~~ In pursuant to open Notification issued for the post of EDBPM, Dulikatta Branch Office, Peddapally Division, the applicant also applied for and hence called for Interview. Ultimately the Supdt. of Post Offices, Peddapally Division has selected and appointed the 2nd respondent for the said post by ignoring the merits of the applicant. Aggrieved by that, the applicant has filed OA No:1520/97 before this Hon'ble Court challenging the selection and appointment of respondent No.2 as violative Article 14 of the Constitution of India.

2. The Hon'ble Court on 12-11-97 has while admitting the case directed the respondents to file counter within six weeks. It is learnt that notices have already been issued by the Registry and the same has been returned as served. But the respondents have not so far filed the counter. As a result, the respondent No.2 whose appointment was challenged, gets his service counted for the purpose of promotion and seniority which is unjust and unfair. To prevent the 2nd respondent from acquiring undue service, the hearing of the case must be expedited. Further the respondents have not sought for extension of time after the expiry of six weeks

granted on 12-11-97.

3. On 25-3-98 the applicant requested the Dy.Registrar of this court to direct the office to listup the case for further orders of the Hon'ble Court as the respondents have not filed any counter in the stipulated time. But many of the cases which were admitted and where counter has not been filed by the respondents have been listed up by the office for further orders of the Hon'ble Court. Inspite of such situation, the Dy. Registrar instead of following the same procedure has refused to direct the office, ^{and} ~~has~~ advised to prefer an Expedite application for early hearing and hence this application.

4. The respondents are bound to file counter within the stipulated time. If necessary they have to come out with a request for extension of time. In order to compel them to file counter and if they chose ^{to} not to file the counter then the case can be heard and disposed of with the material available on record. Therefore, it is necessary that the hearing of the O.A.No.1520/97 have to be expedited and an early date may be fixed for hearing.

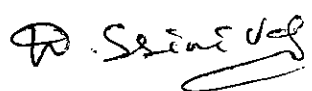

PRAYER: For the facts and circumstances stated above it is prayed that the Hon'ble Court may be pleased to fix an early date for hearing and disposal of the case otherwise the applicant will be subjected to untold hardship and financial loss and pass such other or further orders as deem it fit and proper.

VERIFICATION: I, the applicant in the present miscellaneous application and the Original Application as well do hereby verify that all particulars stated above are true to the best of my knowledge and belief and hence signed this day i.e., 6th April, 98.
