Para-2 of the letter which is relevant is reproduced below :

"The Petitioner Sri Kedarnath, Boot-maker has been granted the pay scale of Rs.260-400 w.e.f 22-8-1983 based on the CAT II, 1200-2040. He is still Group 'D' employee (NCSUEs Bootmaker) and cannot be considered as skilled grade as per with Industrial employees."

3. Aggrieved by the above he has filed this OA ~~as~~ aside the impugned letter dated 27-10-92 and for a consequential direction to grant him scale of pay of Rs.330-480/1200-2040 and 380-560/1400-2660 attached to Highly skilled Grade I and Grade II with effect from the date on which he became eligible to that grade.

4. A reply has been filed in this OA. The main contention of the respondents in not providing the posts of Highly Skilled Grade I and Grade II to the Boot-makers is due to the fact that the Expert Classification Committee has not recommended that Grade to the Boot-maker Grade and that Expert Committee has recommended only to five categories as indicated in Annexure I to the letter dated 15-10-1984.

5. The impugned letter shows that he is still a Group-D employee whereas the letter dated 9-3-93 (vide No.506/EST/CIV) indicates that Boot-makers who are in the Grade of Rs.260-400 are Group-C staff. Hence, the applicant should be treated as Group-C employee and not Group-D employee and the impugned letter showing the applicant as Group-D employee is incorrect and has to be corrected. Further, letter dated 15-10-1984 indicates percentages in the Highly skilled grade I and Grade II. It is not understood why that percentage cannot be made applicable to the applicant

herein. If the Expert Committee has specifically recommended that the Boot-makers are not entitled for Grade I and Grade II, then the applicant should be informed of it suitably. But the impugned letter does not indicate any reason for not granting them the higher scales. Further, if the higher grade post is to be created on the basis of percentage on the total number of posts in the grade it is not understood why the same percentage cannot be granted to the Boot-maker trade and the applicant herein. If the Expert Committee has given reason for denying higher grade posts to the Boot-maker trade the same should also be informed to the applicant. The letter dated 15-10-1984 clearly indicates that in case the number of posts do not lend itself for prescribing percentage in higher scale as the cadre is small then the equitable posts in similar category have to be clubbed so as to provide higher grade posts. It is not understood why on the same analogy, the trade of the applicant may also be considered for higher scale without restricting the higher trades only to five trades as indicated in Annexure-I. The letter dated 15-10-1984 indicates that all the categories mentioned in that letter are eligible for higher grade posts. That letter was issued as upgradation to Grade III. Initially it was granted to only 10 trades which was challenged and on the basis of the orders of Court all the other categories were also upgraded to Grade-III including that of Boot-makers.

6. In view of what is stated above, we are of the opinion that the reply given to the applicant by the impugned letter is incomplete and it looks that <sup>being</sup> authority gave the reply without looking into all those issues diligently.

7. In view of the above a direction may have to be given to the respondents to dispose of the representation of the applicant at Annexure-III in the light of the observations made as above and on the basis of the review if they are entitled for the higher grades the same should be considered in accordance with law.

8. In the result, the impugned order No.DG EM. (CIV) AHO L/No.B/21892/66/EME Civ.3 dated 27-10-1992 (Annexure-4) is set aside. Respondent No.2 is directed to give a suitable reply to the representation of the applicant at Annexure-III on the basis of the observation made by us as above expeditiously preferably within four months from the date of receipt of this order. In pursuance of the direction if the trade of Boot-maker is also made eligible for higher grades, suitable notification may be issued by Respondent-1.

9. OA is ordered accordingly. No costs.

To

New Delhi, the 20th Aug.'97.

Shri Kedarnath  
Bootmaker - Petitioner in OA.No.167/93  
1 EME Centre, Secunderabad.

( Through Commandant  
1 EME Centre, Secunderabad)

1. I am directed to refer to the order and judgement dated 23rd December, 1996 of CAT Hyderabad Bench in OA 167/93 and in compliance with the directions therein, to inform you as under.

2. The Industrial employees were fitted in appropriate pay scales, on the basis of the job evaluation done by the ECC and the Hon'ble Supreme Court has already held in Civil Appeal Nos.3999-4025 of 1988 that the pay scale allotted to each category of employees on the basis of point score given by the ECC cannot be termed as arbitrary. Subsequently, the Supreme Court had also observed in their judgement dated 31 July 91 in Writ Petition. No.40/91 that those employees who belong to the semi-skilled categories in the grade of Rs.260-400 commensurate with the point score given by the Anomalies Committee. The recommendations of the Anomalies Committee were implemented by Government letter dated 15 Oct. 84 in respect of various Defence Establishment. Although your post was not evaluated either by the ECC or Anomalies Committee, you were given skilled grade on the basis of the Judgement dated 29 Sep. 89 of CAT Hyderabad Bench in OA.No. 443/88.

3. The Anomalies Committee which was an Expert Committee had made a comparison of the grade structure in skilled grade, GS Grade II & HS Gde I in a few Defence Establishment and has seen big gaps in the grade structure. The Committee, therefore, recommended the following bench mark percentage for adoption to fill in the gaps in the operation of skilled grade or to provide grades commensurate with higher level of skills required for certain common category trades :-

HS Gde I	15%
HS Gde II	20%
Skilled..	65%

The Committee had also given a list of such common category jobs where there are gaps or all the skilled levels are not available. This list of 21 categories did not include the post of Bootmaker. The Committee had also recommended that the provision of higher grades viz. HS Gde II and HS Gde I should be made depending on the recruitment of higher skill in that trade and also on the basis of functional requirement of Defence Establishment subject to a minimum bench mark percentage as stated above.

4. It may be seen from the above that the creation of posts in HS Gde II and HS Gde I was to depend on the functional requirements of different Defence Establishments and the minimum bench mark percentage was prescribed by the Expert Committee only in respect of certain common category jobs which did not include Bootmaker. Even in the Government letter dated 15 Oct.'84 issued in respect of the AG's Branch, Bootmaker had been given only the skilled grade and the Annexure I thereto did not include the category of Bootmaker for the purpose of provision of HS Gde II and HS Gde I. The EME Centre has not found any functional necessity to have HS Gde II and HS Gde I for the non-industrial category of Bootmaker in the EME Centre Secunderabad. Accordingly, you are not entitled for the grant of Highly Skilled Gde II and Highly Skilled Gde I as provided for certain common category trades in Government letter dt. 15 Oct.'84.

Lt. Gen. - Director General of Electrical & Mechanical Engineering // True Copy //

this list of 21 categories did not include the post of Bootmaker. The Committee had also recommended that the provision of highly skilled viz. HS Gde II and HS Gde I should be made depending on the recruitment of higher skill in that trade and also on the basis of functional requirement of Defence Establishment subject to a minimum bench mark percentage as stated above.

It may be seen from the above that the creation of posts in HS Gde II and HS Gde I was to depend on the functional requirements of different Defence Establishments and the minimum bench mark percentage was prescribed by the Expert Committee only in respect of certain common category jobs which did not include Bootmaker. Even in the Government letter dated 15 Oct 84 issued in respect of the AG's Branch, Bootmaker had been given only the skilled grade and the Annexure I thereto did not mention the skilled grade and the Annexure I thereto did not mention the category of Bootmaker for the purpose of provision of HS Gde II and HS Gde I. The EME Dte has not found any functional necessity to have HS Gde II and HS Gde I for the non-industrial category of Bootmaker in the EME Centre Secunderabad. Accordingly, you are not entitled for the grant of Highly Skilled Gde II and Highly Skilled Gde I as provided for certain common category trades in Government letter dated 15 Oct 84.

FITMENT OF INDUSTRIAL WORKERS OF EME IN PAY SCALES  
RECOMMENDED BY THE 3rd PAY COMMISSION

Sir,

(Through Proper Channel)

1. Please refer to : (a) My application dated 29 Sep 92.  
(b) Observations raised by Hon'ble Judge, CAT Hyderabad in OA No 167/93 dated 13 Dec 96.  
(c) DG EME (EME CIV) Army HQ letter No B/21892/66/EME CIV-3 dated 20 Aug 97.
2. Not satisfied with the impugned letter issued to me by DG EME (EME CIV) AHQ mentioned at reference 1(c) above, it is once again submitted that in one of the similar case, in Supreme Court Judgement dated 09 Sep 97, given by Shri MD Kania & Sri Kuldeep Singh, the sitting Bench in one of the case filed by an employee of CSIR, states that "Not only the job opportunity be provided but the promotion may also be given otherwise their mentality will be out of their way" (the matter was published in the Telugu Daily News Paper dated 09 Sep 89 (Photocopy plus English translated copy is attached) for information please.
3. Further, it is intimated vide Govt of India, Min of Defence, letter No. 1(2)/80/D(ECC/IC) dated 11th May 1983, that the Expert Classification Committee was appointed only prior to the year 1973 and conveyed the sanction of the President on the following:-

- (i) Fitment of Industrial Workers of EME in the following Five scales of the pay as per details given :-

<u>Category</u>	<u>Scale</u>
Unskilled	- Rs. 196-3-270-EB-3-232
Semi Skilled	- Rs. 210-4-226-EB-4-250-EB-3-300
Skilled	- Rs. 260-400
High Skilled Gde II	- Rs. 330-480
High Skilled Gde I	- Rs. 380-560

4. In the wake of Supreme Court Judgement in WP No 12259-66/1984, filed by Shri Bhagwan Sahai & others of MES, all the trades which have been graded from Semi-skilled grade wef 15 Oct 84, in terms of letter dated 15 Oct 84 has been given the benefit of the pay scales of the Skilled grade (Rs. 260-400) wef 16 Oct 81 onwards. But, the orders have not been implemented by our departments concerned until I approached the Court of Law and after prolonged correspondence. The judgement was given by the Hon'ble CAT Hyderabad in OA No 443/84 dated 29 Sep 89, with financial effect given only from 22 Aug 83 onwards i.e. approx 02 (two) year's financial loss.

...2/-

5. As per the Recruitment Rules, the retirement age of Bootmakers is 60 years, where as immediately after revision of pay scales, vide DG EME (EME CIV) Army HQ letter No 00745/1/EME Civ-3 dated 19 Mar 93, the retirement age has been reduced by 02(two) years i.e. from 60 years to 58 years, thereby denying 24 months Salary which comes to approximately loss of Rs. One Lakh which itself is a great loss to me and my family which against the natural justice.

6. Under Fitment of Industrial Workers in EME, in accordance with Govt of India, Min of Defence letter No 1(2)/80/D/ECC/IC) dated 11 May 83 and Army HQ letter No 6607/XVI/EME CIV-2 dated 06 Nov 84 the trade of 'Pattern Maker' (General Cadre) held only 01 (One) employee authorised/held at 1 EME Centre Secunderabad has been accorded the 3 grade structure wef 16 Oct 81 and presently he is under the zone of promotion for Highly Skilled Grade I and is still held in Industrial trade even after revision of pay scales under 3 grade structure duly retaining his retirement age at 60 years only, which clearly shows that step motherly treatment is metted to me being in one unit/establishment, as per the bench mark percentage given to the jobs :-

- (i) High Skilled Gde I - 15%
- (ii) High Skilled Gde II - 20%
- (iii) Skilled Grade - 65%

7. As per para 3(c) to Army HQ letter dated 16 Nov 84, for the purpose, distribution of the above percentage as far as MC EME, EME School and 1 EME Centre are concerned, they are placed under MG EME Southern Command, Pune for giving promotions. Like-wise the 'Pattern Maker' has been promoted accordingly, omitting the trade of Bootmaker and similar other trades.

As on date 1 EME Centre is authorised approximately 20 Bootmakers and as per para 1(ii) of GCI, Min of Defence letter No 1(2)/80/D/ECC/IC dated 11 May 83, for upgradation of posts of skilled grade II & I the following formula should be adopted :-

<u>Strength of workers</u>	<u>No. of posts to be Highly Skilled Grade II/I</u>
6 - 15	1
16 - 25	2
26 - 35	3
36 - 45	4
46 - 55	5

and so on i.e. one addl post in Highly skilled Gde II or Gde I for every 10 posts in the Skilled Gde II, as the case may be.

8. And it is clearly mentioned in GOI, Min of Defence letter No 3822/DS/O&M/Civ-I/84 dated 15 Oct 84, that if there are non-viable trades these should be grouped together for the purpose of giving the benefit of further promotion as Highly Skilled Grade II and Grade I for which service gap of 6 years and 3 years is required.

9. Further, it is submitted that on revision of pay scales i.e. after approaching Court of Law, the one who was appointed during the year 1964 and the one who have been appointed after the year 1980 i.e. after a gap of 15 (Fifteen) years, the pay scale of all the Bootmakers of 1 EME Centre i.e. seniors and juniors have been fixed at the same rate of pay scales and no comparison/weightage of service rendered is given.

(T.C.)

10. My service has been reduced by 02 (two) years, I am due for retirement on 31 Jul 1999. Now, as per the decision taken in 5th Pay Commission, that all the Group 'C' and 'D' employees have now been ensured 02(two) time bound promotions under the 'Assured Career progress and there should be no disparity amongst workers of letter and workers of crafts, all Industrial and Non-Industrial workers should be treated at par, my case may be considered suitably.

11. Sir, since only 01 (one) year and 10(ten) months service is left, I once again request your kind honour to issue necessary promotion orders for HS Gde II and HS Gde I to me as per the existing policy immediately duly retaining the retirement age of 60 years instead of 58 years without giving the step motherly treatment which is against the natural justice.

Thanking you in anticipation.

Yours faithfully,

The bench mark percentage in respect of certain common category jobs which did not include the trade of bootmaker. Even in the Govt letter dated 15 Oct 84 issued in respect of AG's Branch, Army Headquarters, Bootmakers had been given only the Skilled Grade and the common categories thereto did not include the category of Bootmaker for the purpose of provision of HS Gde-II and HS Gde-I. The orders supersede the earlier orders in regard to fixation of the above categories of workers in the relevant scales of pay from the date of issue of this letter.

Fresh induction to the trades listed in (i) above shall be from -

(a) semi-skilled categories to be identified by you or feeder categories in the pay-scale of Rs 210-290 already existing under the present recruitment rules, subject to the workers having rendered a minimum of three years' service in the grade and after passing the prescribed trade tests ; and

(b) direct recruits with ITI certificate/Ex-trade, Apprentice FCTVT etc. inducted in the semi-skilled grade, who have rendered 2 years service in that grade.

(i.i) Provision/introduction of Highly Skilled Grade (Rs 330-480) and Highly Skilled Grade I (Rs 380-560) for common category jobs listed in Annexure I classified as 'Skilled' depending on the functional requirement of highly skilled jobs, in the following manner as a bench-mark percentage :-

(a) Highly skilled grade I (Rs 380-560) 15%  
(b) Highly skilled grade II (Rs 330-480) 20%  
(c) Skilled grade (Rs 260-400) 65%

This should be given to the trades enumerated in Annexure I with viable number of jobs and if there are non-viable trades these should be grouped together for the purpose of giving the above benefit. In the trade where the above bench-mark percentages are introduced, the selection grade for the skilled grade, if provided, will stand simultaneously abolished as a one time measure.

2. These orders will take effect from the date of issue.

3. The expenditure involved shall be debited to the Head of the Defence Services Estimates.

4. This issues with the concurrence of the Ministry of Defence (Finance Division) vide their inter departmental No 1755/Dir(Af/Eqpt) of the 15th October, 1984.

CIVIL APPELLATE JURISDICTION

CIVIL APPEAL Nos 3999-4025 OF 1988

Shri S. Thiruvalluvar & Ors ..... Applicants

Versus

Union of India & Ors ..... Respondents

WITH

CIVIL APPEAL NO 4024 OF 1988

Defence Employees Union & Ors ..... Applicants

Versus

Union of India & Ors ..... Respondents

WHEREAS

The Third Central Pay Commission after examination the scales of various category of workers in the Ordnance Factory reduced the existing 19 scales the industrial staff in various defence establishments to 5 scales varying from unskilled to highly skilled grade I categories. At the same time, the commission also recommended the setting up of an Expert Clarification Committee(ECC) to carry out a proper

classification on scientific jobs evaluation basis. The ECC was set up in October 1974 and it submitted its report in 1979 recommending 9 pay scales. The Government examined the report of the ECC and while agreeing with the job-evaluation done on point rating method, it disagreed with the recommendation that the total number of pay scales should be 9 instead of 5. The Government took decision in October 1981 that there should be only 5 scales for industrial workers. That was also the demand of the two federations of employees/ The compression of 9 pay scales into 5 pay scales and to be done on the basis of mid-point-rating of the points allotted by the ECC for each category on the result of job-evaluation. At the floor level upto point 205 the wage scale fixed was Rs 196-232 between 206 and 250 points the wage fixed was Rs 210-290, for the points scored between 251-329 the wage fixed was 260-400, for the points scored between 329-388 the wage fixed was Rs 330-480 and for those above 388 the scale was Rs 380-560. This is also clear from paragraph 3(d) of the Counter Affidavit filed on behalf of the Management. On the basis of points assigned on job-evaluation, employees belonging to different categories were fitted into 5 scales as stated above. When the total number of pay scales get reduced it is inevitable that certain employees who earlier belonged to different pay

WB

scales got merged into a single revised pay scale. That is the effect of rationalisation without which reduction in the total number of pay scales would not be possible. In the instant case the Third Pay Commission reduced that pay scales from 19 to 5. The ECC after undertaking an exercise at job-evaluation recommended 9 scales on the basis of the points allocated for each job. The Government was, however, of the opinion that the total number of pay scales should be restricted to 5 only presumably to maintain parity with other sectors. It had, therefore, to fit the various jobs into those pay scales on the basis of points assigned for each job. In doing so, as stated earlier because of the merger of scales those who were in the lower scale entered the higher scale while those already in the higher bracket who had not scored the number of points required to move to the next higher scale remained in the same scale and got bracketed in that scale. We do not see how one can say that the rationalisation of pay scale done on the basis of job-evaluation is arbitrary merely because it results in bracketing of certain categories of employees who were earlier in different scales into a single scale. How can those employees who were earlier in the higher scale be heard to say that the principle of equal pay for equal work was violated merely because some other category which was earlier in the same pay scale with them had moved up to a

higher scale while they were bracketed with those who were earlier in the lower-scales and remained at the same level. If on job-evaluation it is found that the job rating for a given category is higher but they were in the lower scale for want of job-evaluation, they would have to be pushed to the higher scale. That is what justice demands. The Tribunal has, therefore, rightly come to the conclusion that the pay scale allotted to each category of employees on the basis of points given by the EOC as a result of job-evaluation cannot be termed as arbitrary. We, therefore, do not see any infirmity in the impugned order of the Tribunal. We agree with the reasons which weighed with the Tribunal for the conclusion it reached. We see no ground for interference. The appeals are, therefore, dismissed with no order as to costs.

O R D E R

(PER: HON'BLE MR. R. RANGARAJAN, MEMBER (ADMIN))

1. Heard Mr. V. Venkateswara Rao, learned counsel for the applicant. and Mr. V. Rajeswara Rao, Learned Standing Counsel for the respondents.
2. The applicant in this O.A. is a Boot Maker. Though initially he was appointed in the Semi-skilled category in the scale of pay of Rs.210-290, the same was upgraded to skilled grade in the scale of pay of Rs.260-400. The applicant submits that he joined as Semi-skilled on 16.1.1964 and he is continuing in the post of Boot Maker from that date onwards. The upgradation does not mean that he was promoted to the higher scale of pay of Rs.260-400. Hence, he filed O.A. No.167/93 for providing him promotional opportunities. That O.A. was disposed off by order dt. 13.2.95 (Annexure-VII, Pages 27 to 31 to the O.A.) Para 5 of that order is relevant, which is reproduced below :

" 5. The impugned letter shows that he is still a Group 'D' employee whereas the letter dated 9.3.93 (vide No.506/EST/CIV) indicates that Boot-makers who are in the Grade of Rs.260-400 are Group-C Staff. Hence, the applicant should be treated as a Group 'C' employee and not a Group-D employee and the impugned letter showing the applicant as Group-D employee is incorrect and has to be corrected. Further, letter dated 15.10.1984 indicates per centages in the Highly Skilled Grade I and Grade II. It is not understood

R

D

why the percentage cannot be made applicable to the applicant herein. If the Expert Committee has specifically recommended that the Boot-makers are not entitled for Grade-I and Grade II, then the applicant should be informed of it suitably. But the impugned letter does not indicate any reason for not granting them the higher scale. Further, if the higher grade post is to be created on the basis of percentage on the total number of posts in the grade it is not understood why the same percentage cannot be granted to the Boot-maker trade and the applicant herein.

If the Expert Committee has given reason for denying higher grade posts to the Boot-maker trade the same should also be informed to the applicant. The letter dated 15.10.1984 clearly indicates that in case the number of posts do not lend itself for prescribing percentage in ~~the~~ higher scale as the cadre is small then the equitable posts in similar category have to be clubbed so as to provide higher grade posts. It is not understood why on the same analogy by which the trade of the applicant may also be considered for higher scale without restricting the higher trades only to give trades as indicated in Annexure-I.

The letter dated 15.10.1984 indicates that all the categories mentioned in that letter are eligible for higher grade posts. That letter was issued as upgradation to Grade-III. Initially it was granted to only

10 Trades which was challenged and on the basis of the orders of Court all the other categories were

also upgraded to Grade III including that of Boot-makers."

3. Thereafter, the respondent No.2 in the O.A. was directed to issue a suitable reply to the representation of the applicant as expeditiously as possible and preferably within 4 months from the date of receipt of a copy of that order, based on the observations made by us, as extracted above.

4. The respondents have issued a the impugned reply to comply with the orders in O.A. 167/93 vide their letter No.8/21892/66/EME (EME CIV) dt. 20.8.97 (Annexure-IX to the O.A.). From the reply it is seen that there is no functional necessity for having the post of Highly Skilled Grade-II and Highly Skilled Gr.I in the category of Boot-Maker.

5. Further aggrieved by the above, this O.A. is filed to set aside the impugned order dt. 20.8.97 of R-2 by holding the same as illegal, arbitrary and unconstitutional and for a consequential direction to grant him the same from the date he is entitled with all consequential benefits such as arrears of pay and allowances, etc.

6. A reply has been filed in this O.A. It is stated that higher post is not included for promotion in the Trade of Boot-maker by the Expert Committee. The reply does not indicate that the upgradation given to the applicant to the scale of Rs.260-400 should be treated as promotion. The Trade of Boot-maker cannot be clubbed as it is not one of the Trades recommended by the Expert Committee for giving higher grades. Hence, the respondents have rejected the case of the applicant.

3

2

-:5:-

7. The Apex Court repeatedly emphasized that an employee joined the Government <sup>service</sup> should not be allowed to continue in the scale of pay in which he is appointed till his retirement. The Apex Court further emphasized that at least one promotion should be given to a Government servant before his retirement. With that objective in view only the MOF, Department of Expendt., has issued orders vide their letter letter No. 10(1)E.III/88 dated 13th September, 1991 giving effect to in situ promotion scheme to the Group 'C' and 'D' employees. If the applicant cannot get a promotion in the respondents' organization, due to the reasons mentioned in the reply and for the reasons given in the impugned letter, then the applicant cannot be left high and dry without any promotion. Hence the in situ promotion scheme should be utilised to give at least one promotion to the applicant. That will meet the ends of justice.

8. In view of what has been stated above, the following directions are given :

(a) The applicant, if <sup>he</sup> fulfills the conditions laid down in the insitu promotion scheme issued by the Min of Fin Department of Expendt., vide their letter dt.13.9.91 <sup>on the basis of the scheme</sup> <sup>he</sup> should be considered for promotion and if he is found fit for in-situ promotion ~~fulfills for the same~~ he should be given that promotion from the date he becomes eligible for promotion.

(b) Time for compliance of (a) above is 2 months from the date of receipt of this order.

9. The O.A. is ordered accordingly. No order as to costs.

OFFICE MEMORANDUM

Sub: Career advancements of Group 'C' and 'D' employees -  
clarifications.

\*\*\*\*\*

The undersigned is directed to refer to this Ministry of O.M. No. 10(1)E.III/88 dated 13th September, 1991 and 6th November, 1991 on the subject mentioned above and to say that some Ministries/Departments have sought clarification on a number of points with a view to grant the benefit of in situ promotions in terms of the said orders. The points are clarified as under:-

POINT OF DOUBT

CLARIFICATION

1. Whether the provisions of these orders are applicable to Industrial workers.	Yes
2. Whether the provisions of these orders are applicable to re-employed pensioners	No
3. Whether an employee directly recruited in the scale of Rs.750-940 as Farash, Mali, Chowkidar etc. and subsequently appointed in the same scale as Peon etc. is eligible for the benefit of <u>in situ</u> promotion.	Yes, he is eligible for <u>in situ</u> promotion in terms of para 2(a) of OM dated 13-9-91 viz. from the date a directly recruited peon junior to him and fixed at the minimum of the scale becomes eligible for promotion.
4. Whether Mali, Farash, Chowkidar etc. who declined to be appointed as Peon can be considered for <u>in situ</u> promotion.	Yes
5. Where the employees in the pre-revised selection grade and ordinary grade have been placed in the same revised scale whether the employees belonging to erstwhile selection grade are entitled to <u>in situ</u> promotion.	Yes, provided they were appointed to ordinary grade as direct recruits and their pay was fixed at the minimum of that scale.
6. Whether <u>in situ</u> promotion can be allowed in case of persons who were initially appointed to a post on direct recruitment basis but subsequently transferred to different post(s) carrying the same scale of pay.	Yes, such persons are eligible for <u>in situ</u> promotion in terms of para 2(a) of O.M. dated 13-9-91 viz. from the date a directly recruited person junior to him and fixed at the minimum of the scale becomes eligible for promotion.

7. Whether in situ promotion is permissible to a person who was initially appointed to a post in one organisation but subsequently transferred to another organisation in the same scale.

Yes, such persons are eligible for in situ promotion in terms of para 2 of the OM dated 13-9-91 viz. from the date directly recruited person junior to him in the new organisation whose pay was fixed at the minimum of the scale becomes eligible for promotion.

8. Whether a Group 'C' employee stagnating at the maximum of the scale of pay for more than a year can be allowed in situ promotion to next higher scale which happens to be a Group 'B' scale.

No

Ministry of Home Affairs etc. are requested to follow the instructions in dealing with cases of in situ promotion in terms of the Ministry's O.M. dated 13-9-91.
